My Friend,

I have your favor of recent date requesting the balance of your money and since your balance is made up entirely of money earned under the cutting I am enclosing herewith check for the amount 78.08. Please sign the face of the check before presenting for payment.

Your friend,

Dear Friend:

I am just writing a short
letter to you this evening
concerning my money.

I suppose you have just
forgotten me.

I wish you would look
into the matter, and send
the money as soon as possible.

I often think of Carlisle and
its surroundings, and hope
to go back this fall as
the call of Carlisle is strong
upon me.

This is all I have to say
hoping this letter will find
you the same.

I am here at Bristol Town,
and wish you would send
the money direct here.

Yours truly,
John Welch.

My dear Mr. Henderson:

Mary Welch has spoken to me about her brother John's return to Carlisle, and as I had given my consent earlier this year for his return I hope you will find it agreeable to send him on as soon as a proper application has been submitted to you. In order that there need not be any delay the application may be sent on with John.

Our records contain the information that he is now twenty-one years of age, so he will have to provide for his transportation from his own funds.

With sincere regards, I remain,

Very truly yours,

My dear Mr. Henderson:

Referring further to my letter of November the 17th, I desire to state that Mary Welch has come to me again regarding her brother John. She seems to be positive that John is not yet twenty-one years of age, and if her statement is in accordance with your records please wire me and transportation will be placed for John, subject to orders from your office.

Mr. James E. Henderson,
Superintendent, The Cherokee Agency,
Cherokee, N. C.

My dear Mr. Henderson:

The information contained in your favor of December the 3rd has been given consideration, and in view of the fact that the records at your office indicate that John Welch is but twenty years of age I will be justified in providing transportation for his use.

It is to be regretted that he has not made better use of his time, but to give him a chance to continue the good record he made while at Carlisle it has already been arranged so that transportation will be made available at Fla, subject to your order, for his use. It is desired, however, that you satisfy yourself he has not contracted any bad habits during the summer that would indicate danger of less earnest work on his part than heretofore.

Transportation has also been ordered placed at Fla for the use of Olivan Arch and the other girl you referred to in your letter. Olivan has funds to her credit here to pay for her transportation.

Cherokee, N.C., Dec. 3, 1914.

Mr. O. H. Lipps,
Supervisor In Charge,
Carlisle, Pa.

My dear Mr. Lipps:

Referring to your letter of Nov. 30, with reference to the age of John Welch, I will say that according to signed statements by his father he was twenty one years of age on September 26, last. According to the age given on the rolls of the Eastern Band of Cherokee Indians John was 14 years old in 1908, making him 20 at present. These are the facts regarding his age as I have them. I hardly believe that he is twenty one years of age and if after you have received this letter you think best I would be glad to have you place transportation for him. John is doing no good at present and has done no good since he came here from Carlisle. I do not mean to say that his conduct has been so bad but he has so far as I know done absolutely no work and has spent all of the money he had. In placing transportation, please place ticket for Olivan Arch and one other girl.

Very respectfully,

James C. Hudson
Superintendent.

Dear Mr. Dwyer | Bridgaville N.J. Feb 10-17.

Last a few words in regards to
clothing I would like for you to send me
a pair of shoes as I need a pair very bad.

Size of shoes is 7 seven.

I will thank you for your kindness.

I am well as usual and enjoying country life
I hope you are well also.

We are having some cold weather
this part of Jersey at present. I suppose
its the same around Carlisle

I suppose every thing is running smoothly at
Carlisle.

I am attending school regularly, there
are three of us boys from Carlisle attending
the same school so I don't get lonely.

At this writing it seems we are on the
verge of war with Germany, and I
suppose you are ready to volunteer
if this is the demand. Well anyway let's
hope that there shall be no war.

This is all. Hope to hear in early
reply. Yours truly, John Welch

Dear Mr. Lipka:

I have been having some trouble with my teeth, lately and have been compelled to go to the dentist. The bill is five dollars and I would like to draw as much as five dollars from my account here at the school.

I am well as usual and enjoying country life.

I am going to school regularly and enjoy my studies very much.

We have been having some spring-like weather this part of the year lately. I suppose the weather is the same at Louisville.

I have most decided to stay
but for the summer, farming interests
we rely much, my boss is quiet and old man
and is hardly able to work so I do
most every thing that is to be done

Hope to hear an early reply.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sirs:

Replying to your letter dated December 29th relative to John Welch, one of our pupils, buying a cornet on special terms, I have to advise that Welch is doing this on his own responsibility, and if you decide to let him have the cornet, it must be with the understanding that it is done without the authority of the school.

John Welch has always been a reliable boy and I have no reason to think that he would not keep his agreement, but as I have stated, I can not take any responsibility in this matter.

Very truly yours,

Dear Sir:

There is enclosed herewith the registration card of John Welch who is over 21 years of age and enrolled on your reservation. He is an outing pupil of this school and was instructed by me to procure a registration card from the local county clerk and send it to you.

I am enclosing the card made out by the clerk of Warren County and transmitted to me here instead of to you. I am fearful it may not reach you by June 5th as provided by law, but the envelopes enclosed show clearly that John has endeavored to do his part.

Dear Mrs Denny:

Just a few words this afternoon to inform you that I'm well as ever and enjoying my life. Hope you are the same.

I am here on a short furlough and believe me I appreciate being back home once more.

I have made two trips to France this summer and have had some narrow escapes from U-boats. Three ships were sunk in our convoy on our first trip over and one the last trip.

Well I hear that Carlisle has been broken up and turned into a hospital for the wounded soldiers. I was sorry to hear of it but it'll make a good home for the soldiers. John Lissak is here and informed me that you had a little amount of money there for me, and that you didn't know my address. My address is for a while
P.O. Box 55, Guidersdijk 90, Prof. Master New York City.

I will thank you if you send the amount to N.Y.

How is Mr. Denny getting along good I hope. I often think of him as well as other Carlisle students I have known.

Weather is fine down here. I am here at Mrs. Mary ~~Robb~~ at present. She is a former Carlisle student.

I expect to return to my ship Sunday the 8th and
only getting eight days furlough.

This is all I have to say for this time. Good bye

Yours respectfully Jan.
