Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

Mrs Jacoby is very fond of John and spoke especially about his kindness and honesty.

These patrons are a young couple and are all that could be expected in the way of thrift, management, kindness and whatever goes to make a home what it should be.

Any agent visiting this home should drive from Newville instead of Alterton. Roads are better and not so far; also will pass the school where the pupil is most sure to be found during winter months.

Dear Friend:

I am just writing a short
letter to you this evening
concerning my money.

I suppose you have just
forgotten me.

I wish you would look
into the matter, and send
the money as soon as possible.

I often think of Carlisle and
its surroundings, and hope
to go back this fall as
the call of Carlisle is strong
upon me.

This is all I have to say
hoping this letter will find
you the same.

I am here at Bisoltown,

My dear Mr. Henderson:

Mary Welch has spoken to me about her brother John's return to Carlisle, and as I had given my consent earlier this year for his return I hope you will find it agreeable to send him on as soon as a proper application has been submitted to you. In order that there need not be any delay the application may be sent on with John.

Our records contain the information that he is now twenty-one years of age, so he will have to provide for his transportation from his own funds.

With sincere regards, I remain,

My dear Mr. Henderson:

The information contained in your favor of December the 3rd has been given consideration, and in view of the fact that the records at your office indicate that John Welch is but twenty years of age I will be justified in providing transportation for his use.

It is to be regretted that he has not made better use of his time, but to give him a chance to continue the good record he made while at Carlisle it has already been arranged so that transportation will be made available at Ela, subject to your order, for his use. It is desired, however, that you satisfy yourself he has not contracted any bad habits during the summer that would indicate danger of less earnest work on his part than heretofore.

Transportation has also been ordered placed at Ela for the use of Olivan Arch and the other girl you referred to in your letter. Olivan has funds to her credit here to pay for her transportation.

Cherokee, N.C., Dec. 3, 1914.

Mr. O. H. Lipps,
Supervisor In Charge,
Carlisle, Pa.

My dear Mr. Lipps:

Referring to your letter of Nov. 30, with reference to the age of John Welch, I will say that according to signed statements by his father he was twenty one years of age on September 26, last. According to the age given on the rolls of the Eastern Band of Cherokee Indians John was 14 years old in 1908, making him 20 at present. These are the facts regarding his age as I have them. I hardly believe that he is twenty one years of age and if after you have received this letter you think best I would be glad to have you place transportation for him. John is doing no good at present and has done no good since he came here from Carlisle. I do not mean to say that his conduct has been so bad but he has so far as I know done absolutely no work and has spent all of the money he had. In placing transportation, please place ticket for Olivan Arch and one other girl.

Very respectfully,

James C. Hudson
Superintendent.

I hope you are well also.

this part of Jersey at present. I suppose
its the same all around Carlisle

I suppose everything is running smoothly at
Carlisle.

I am attending school regularly, there
are three of us boys from Carlisle attending
the same school so I don't get lonely.

At this writing it seems we are on the
verge of war with Germany, and I
suppose you are ready to volunteer
if this is the demand. Well anyway let's
hope that there shall be no war.

This is all. Hope to hear in early

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sirs:

Replying to your letter dated December 29th relative to John Welch, one of our pupils, buying a cornet on special terms, I have to advise that Welch is doing this on his own responsibility, and if you decide to let him have the cornet, it must be with the understanding that it is done without the authority of the school.

John Welch has always been a reliable boy and I have no reason to think that he would not keep his agreement, but as I have stated, I can not take any responsibility in this matter.

Dear Mrs Denny:

Just a few words this afternoon to inform you that I'm well as ever and enjoying my life. Hope you are the same.

I'm here on a short furlough and believe me I appreciate being back home once more.

I have made two trips to France this summer and have had some narrow escapes from U-boats. Three ships were sunk in our convoy on my first trip over and one the last trip.

Well I hear that Carlisle has been up and turned into a hospital for the wounded soldiers. I was sorry to hear of it but it'll make a good home for the soldiers.

John Lissak is here and informed me that you had a little amount of money there for me, and that you didn't know my address. My address is for a Welch of U.S.S. Guiderdijk 40 Prof. Master New York City.

I'll thank you if you send the amount to M.Y.

How is Mr. Denny getting along good I hope I often think of him as well as the other Carlisle's I have known.

Weather is fine down here. I am here at Mrs. Mary ~~Robb~~ at present. She is a former Christ student.

I expect to return to my ship Sunday the 9th am
only getting eight days furlough.

This is all I have to say for this time. Good bye

Yours respectfully Jan.
