Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Dear Sir:-

Lawrence Obern has come to me with the request that he be allowed to go home and I have granted his request, as I believe he is one of the "white" Indians who should make room here for a more worthy Indian.

He has money enough here to pay for his ticket to Odenah and will leave here in a few days.

Very truly yours

Mr. Wm. Obern,
Odanah, Wis.

Dear Mr. Obern:

I just returned from Washington last evening and find your letter of October 26th regarding your boys. I had a talk with the boys the day they arrived, but have been away from the school almost constantly ever since that time. I had a talk with Mr. Denny, the small boys' disciplinarian, this morning, and he informs me that your boys are getting along very nicely. I called his attention to the matter of having Lawrence examined by our physician, and he will attend to this right away.

We will be very glad to put Luke into one of the shops just as soon as we can find room for him. In a school like Carlisle, we have so very many large boys, who can only be in school a few years, that we find it absolutely necessary to give them the preference in the shops. The younger boys have more school years ahead of them, and besides they make much more rapid progress in the shops after they are a little older anyway. I shall have a talk with the boys at the very first opportunity, and I assure you they will be given every advantage possible.

Mr. Wm. Obern,.....#2.

There is a growing sentiment to the effect that in our Government Indian schools, we are enrolling a goodly number of children of parents who are just as able to educate their children as the average white person, and children who have school advantages near their homes are more and more being barred from our Government Indian Schools. The only excuse, however, for such children entering a Government school is for the industrial training they may receive, which schools near their homes may not provide. I am very glad that you wish your boys to get this kind of training. You will understand, however, that in a school of this kind all students have to take their turn at doing the routine work of the school, but no student is to be kept at such work.

Luke is in the eighth grade here this year and next year will enter one of the regular vocational courses. I shall be very glad to have any suggestions from you at any time regarding the welfare of the boys.

Sincerely your friend,

OHL:SR

Mr. P. S. Everest,
Superintendent, The La Pointe Agency,
Ashland, Wis.

My dear Sir:

The Obern boys, Lake and Lawrence, have come to me with a request that they be transferred to the Pipestone School. They claim they have a sufficient amount of money to their credit to pay for their transportation.

Will you please take the matter into consideration with the father of the two boys and then advise me what action would meet with his and your approval? I shall not interpose any objection to the boy's transfer because I believe that it would probably have been better in the first place to send them to an Indian School nearer their home than is Carlisle. However, it is believed only fair that if their transfer is to be effected that they be required to reimburse the Government in the amount of \$25.25 each that had to be expended to bring them to Carlisle.

Assuring you that a prompt reply will be appreciated,
I am,

Very respectfully,

My dear Mr. Mann:

I am having enclosed herewith for your information a copy of a letter that has been addressed to Superintendent Everest at the La Pointe Agency relative to a request that has come to me from two of the boys who were enrolled here in October.

Will you please advise Superintendent Everest and me whether you would have room to accommodate the boys if their transfer is believed advisable by their father and the Superintendent at whose request they were accepted for enrolment at Carlisle?

The boys are splendid students, are now 14 and 16 years of age, respectively, and are graduates of the St. Mary's School at Odanah, Wisconsin.

Dear Sir,

I have your favor of the 15th, enclosing checks of \$34.40 each in favor of Luke and Lawrence Obern together with statements of their account with you which I will deliver as requested. Thanking you for your full explanation for them I remain,

Mr. C. A. Lipps,
Supt. Indian School,
Carlisle, Pa.

Dear Sir:-

I received a letter from Luke Obern, one of the students at the Indian School, asking me to secure some clothing and other articles for him, or see that he gets them.

There are two brothers who have gone to the school recently, named Luke Obern and Lawrence Obern, coming from Ashland County, Wisconsin. About a year ago their mother died, leaving one thousand dollars life insurance payable in equal parts to five children, four of whom were minors. I was appointed guardian of the four minors for the purpose of handling this money, and received as such guardian \$200.00 belonging to each of the four children. The money has all been used that belonged to Luke and Lawrence, except the sum of \$34.40 for each one, and, after consultation with the County Judge of this County, we deem it advisable for me to send you the small amount still in my hands as guardian belonging to these two boys to be used for their benefit while at school. In accordance with that I am sending you herewith two checks on the Northern National Bank of Ashland, Wisconsin, each for \$34.40, one the money of Lawrence Obern, and the other the money of Luke Obern, to be used for them.

The Mother of these children left an estate of some \$5000.00, I understand, besides this insurance money, but the balance of the estate is in the hands of and under control of the Indian Department, and therefore I have nothing to do with it.

I am sending you herewith two receipts for the enclosed checks, which I will be glad if you will sign and return to me to be filed with my report as guardian.

I am also enclosing herewith a statement of my account as guardian of each of these children. One of the boys asked me to send him such a statement, and I would be glad if you will turn over these statements to the boys, so that they may understand what has become of their money. You will notice that the entire fee which I received for acting as guardian for each boy is \$10.00.

Yours very truly,

Hon. C. F. Hauke,
Second Assistant Commissioner of Indian Affairs,
Washington, D. C.

Dear Sir:

I should have answered your kind and friendly letter that I received last fall, but I had firmly resolved not to answer the letter until I could faithfully and truthfully promise that I would abide by your wishes in reference to drink. I feel at this present time that I have passed the danger lines of drink and can truthfully say that I will never again take a drink of intoxicating liquors. I wish to thank you for your kind friendly letter. It showed the christian spirit and brotherly feeling and that your efforts in trying to do good were not lost. I feel often that your letter to me has had a good and lasting effect on me. I will try hereafter to prove myself worthy of your friendship.

Mr. Hauke I have a little matter to present to you concerning my boys Luke and Lawrence Obern, age fifteen and seveteen years, now attending the Carlisle Indian School at Carlisle, Pennsylvania. I want the boys home for vacation. Lawrence, the oldest is sickly and puny, nas been ever since childbirth, and the weather conditions there in the summer I am certain will not agree with him,, as the humidity there is greater than it is here in that low altitude. Furthermore, I wish to take them to the lands I selected

(2).

for them under this new schedule of allotments, show them their lines and corners, and show them where they might make improvements, if at any time in the future they should feel like improving their lands. Furthermore, this is their first trip away from home, and they are very homesick. They have been begging of me all winter to allow them to come home, reminding me of the promises that I made them, when I signed them to that school. I promised them faithfully that I would get them home each vacation. They tell me that if I do not get the release or permission for them to come home, that they will run away. In that case, something might happen to them, and I would then forever blame myself for not doing all I can to get them home. Find enclosed a copy of letter of Superintendent O. H. Lipps, which explains itself. The Indian Agent, Mr. Everest is away, and has been away for some time and Mr. Rodman, the Chief Clerk says that he could not act on this matter in the absence of the Indian Agent. The Indian Agent is probably in New York City, as I am told by Mr. Rodman, and I would like to have the boys come home with the rest of the Odanah pupils when they start from there on June 7th. The Superintendent speaks of Luke not having enough money for to pay his fare home and leave on deposit his return fare. Luke has \$40.00, so he writes me and Lawrence had a few days ago \$60.00 on a requisition granted him. Lawrence will willingly give his brother some of the money he has, or I can deposit some money here with the Indian Office or wire it to the Superintendent,

(3).

if he will wire me and tell me just how much I should wire. I have been sickly myself for the past eighteen years, and I feel that I might die suddenly at most any time. I would like to have the boys home to give them further instructions before anything should happen me.

Hoping that you will give this matter your personal attention, and thanking you in advance for the same, and would thank you for a reply in this matter that I might know just what is taking place, I am,

Yours ever obedient,

William Osburn

Odanah, Wisconsin.

My dear Mr. Obern:

I have received your letter of the 24th instant in regard to the return home of your boys and am sorry you did not comply with my request that you refer the matter to Superintendent Everest. It is noted in your letter that the Superintendent is now absent, but he has left some one in charge of his office whose recommendation in the case will be required.

While I should prefer to have the boys continue with their enrolment, no objections to their going home will be interposed if the usual formal applications are placed on file and it is recommended that the privilege be allowed them. The requirements are directed by Office regulations and are complied with in all cases where students go to their homes for vacation.

Your attention must also be called to the fact that the \$40.00 to the credit of your son Luke will not be sufficient to cover the cost of the round-trip fare that must be placed on deposit before a vacation can be allowed.

Adanah W's May 24th 1916

-2- Mr. William Obern, Odanah, Wisconsin.

Herewith you will find enclosed the blanks upon which the applications for your boys' vacations may be submitted to your Superintendent's office for approval and whatever recommendation from that office is then forwarded I will comply with.

Trusting the matter can yet be adjusted so that your boys can join the home-going party on June the 7th, I am,

Dear Sir:-

yours of May 20th at hand, and
contents noted. our agent P.D. Everest
is on his vacation. his thirty days leave
of absence. he left last Saturday for
the East, he will be gone for thirty days.
I received your letter since he left.

I am somewhat dissatisfied to hear
that you wish the boys to remain there
during vacation. the boys would be
very much dissatisfied if they are
forced to remain there during vacation.
I promised them faithfully that I would
get them home vacations. on my promise
they consented to go to school. in my
making that promise. I did rely on
my acquaintance with you. as you will
remember I met you two or more times at

National Hotel at Washington D.C. in company with our old friend Mr. J. McLaughlin. Mr. Lipps I will consider it a personal favor for you to allow the boys to return with the other children coming home to Odanah. I do not want them to travel alone. I want them home for vacation so I can show them the lines and corners of their new allotments, and to make other arrangements for our future. we are selling our home in the village and will likely move to some other place. further Lawrence is Sickly the hot summer weather there will not agree with him. he is too delicate. Lawrence has \$60.00 Luke has \$40.00 with them at present I thought that would be sufficient to bring them home. the boys are homesick their mother died Oct 12th 1914. and their brother Francis April 3rd 1915. I want to make life as easy and pleasant

for them as I can at present. I am
sickly myself and may drop off at
any time. that is partly the reason I want
them here now so I can show them their
lands and instruct them as to what they
should do in case of my sudden death.
the survey is just being complicated on
these new allotments. I wish to have
them learn just where the boundary lines
of their lands are. and where they should
build. and many other things. Lawrence
would not do well there in summer as
he is sickly. Hoping you will comply
with our wishes and thanking you in
advance for the same I am yours Res.

VACATION REQUEST FOR PUPIL.

We, the undersigned, respectfully request that leave of absence be granted

Lawrence and Luke Obern

from June 7th, 1916, to September 1st, 1916, to

enable him to visit his home. We hereby agree to pay all expenses, including round-trip railroad fares, sleeping-car fares, meals, lodging, stage fares, telegraph and telephone messages, and other incidental expenses connected with the visit. We further agree that said pupil shall be returned to the Carlisle school on or before the last day of the leave of absence.

We further agree to deposit with the superintendent of the school sufficient money to defray all expenses to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may be agreed upon by the parents or guardian and the superintendent of the school in which the pupils are enrolled, the amount of money remaining with the superintendent, necessary to the return transportation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided, however, that in all cases where it can be shown that there were justifiable reasons for the failure of the return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation, then the certificate of some reputable, disinterested citizen of the community may be requested as to the reasons for the nonreturn of the pupil or pupils.
