Comptroller American Iron and Steel Co.,

Dear Sir:-

Cecil Collins, one of the Carlisle Indian boys in
your employ, took sick and had to return to the school yesterday.
He has asked me to send to you for the full amount of money due
him. You can send it by check to me.

He had money here in bank and I sent him enough to
pay his board which he did before returning to the school.

Very truly yours

Superintendent.

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

Carlisle, Pa.

Sept 22nd., 1916.

Mr. Meyer:

In answer to your note of inquiry concerning the health of Cecil Collins will say that the boy had a slight cold for which I retained and treated him at the hospital for a number of days. As he had no fever at any time and seemed in general good health I dismissed him as I felt he should not lounge around so entirely uselessly. There is absolutely no ground for dismissing Cecil from school on account of his health.

Respectfully,

Walter Rindtorff M. D.

Mr. O. C. Elkins,
Stringtown, Oklahoma.

My dear Sir:

Cecil C. Collins brought your letter of the 16th instant to my office and I then had it referred to our school physician with a request that a report be submitted with reference to the condition of Cecil's health. Below is copied the statement that was issued by our physician:

"In answer to your note of inquiry concerning the health of Cecil Collins will say that the boy had a slight cold for which I retained and treated him at the hospital for a number of days. As he had no fever at any time and seemed in general good health I dismissed him as I felt he should not lounge around so entirely uselessly. There is absolutely no ground for dismissing Cecil from school on account of his health."

As the physician's report indicates that Cecil can continue with his work here any amount that is sent should be for his personal use and not for transportation to his home. He has made a most excellent record here and will continue to do so now that assurance has been given that his health is good.

Very truly yours,

HKM.

Superintendent.

Dear Sir:-

Replying to your letter relative to Cecil Collins, I have to say that I have had a talk with him and he insists that he would be better off at home. The boy has this thing on his mind all the time and I do not think he is doing much good in school although he is a splendid boy in every respect and obeys the rules and gives no trouble.

You can send him money at any time now and I will arrange for his return to you. He has asked that you send him \$75 as he wants to buy some clothing before he goes home.

Very truly yours

Superintendent.

Supt of Carlisle Indian School,
Carlisle, Pa.

My Dear Sir:-

Cecil Collins a pupil in your School writes me almost every week wanting me to arrange to have him discharged from further attendance at School. He states that he is badly dissatisfied and that he is doing no good in school.

I am the legal guardain for this Boy and would very much prefer having him remain in school if possible, however it looks like if he is not going to do any good he had about as well come home.

His step mother has just been in to see me in regard to arranging for him to be discharged, so it looks like we had about as well have him come home, provided it meets with your approval.

Would be pleased to have a letter from you at your earliest convenience.

Thanking you in advance,
