Dear friend

It gives me great pleasure to write in regards to where I am and what I am doing at the present time.

Mr. Denny I am more than thankful that I was once a student of Carlisle.

Because I learned how to drill with a gun and many other things that are helpful to me in the army. I joined the Okla State Militia on April 1st and we are stationed at Fort Sill.

There are two other boys here in the army that were students of Carlisle. They are William Nephews and Jonas Poushiek.

I heard the other night that they were several boys joined right from the school. We were

quarantined for about 90 days

It was raised just the other day. Give my regards to all the small boys and all that remembered me while I was a student at Carlisle.

I will close as we do not have much time to write as we are on the go most of the day. I often think of old Carlisle so when you ans. tell me all the news!

Mr. Alex Pappin

Dear Sir:--

Relative to your son Herbert, the school doctor has the following to report this morning,--

* Herbert Pappin is in the hospital again with erysipelas. As I stated in a previous communication, both of these students (the other is a girl) are subject to this order, and both must therefore be carriers of the disease. I do not see how protection of the remainder of the students is possible under these circumstances. I am disinclined to spoil these children's chance of obtaining an education but at the same time, if the erysipelas again threatens to become epidemic, I feel it my duty to recommend that both Isabelle and Herbert be sent home. Just now the disease seems to be under control.*

This disease is not fatal but it carries and where we have such a large school, there would be no end of trouble if it began to spread. I think it best therefore that Herbert be sent home where he can remain until the disease is out of his system. This would also be a protection to the rest of the school.

The doctor vaccinated Herbert sometime ago but without any degree of success.

If you will send me the money to pay for his ticket home, I will send him to you.

Very truly yours

My dear Madam:

I have noted the request contained in your letter of recent date, but must advise that it should have been submitted to me thru the office of your Superintendent, so that his recommendation in the matter could also be considered.

I would prefer to have Herbert remain here during the vacation months in order that he might gain experience under the Outing System, but if the necessity for his return home can be established a request transmitted thru the office of Superintendent Carroll will be given further consideration nearer the close of this school year in June.

This is also to advise that an amount sufficient to cover his return transportation to Carlisle would have to be deposited with me before final arrangements could be completed.

Mr. Oscar H. Lipps, Supt.,
Carlisle Indian School,
Carlisle, Pennsylvania.

My dear Mr. Lipps:-

Mr. Alex. Pappin, father of Herbert Pappin, who is enrolled at your school and is now home on a vacation, has requested that you place return transportation to Carlisle for Herbert. You will recall that Mr. Pappin deposited sufficient funds to defray the expenses of his son in returning to Carlisle. He informs this Office that he is afraid Herbert is contemplating marriage and unless he returns in the very near future, he may leave this vicinity indefinitely.

I trust that you will give this matter your early attention.

Very respectfully,

Special Disbursing Agent
in Charge.

Dear Mr. Wright:

Herbert Pappin and John Baptiste were nabbed in Harrisburg on the afternoon of the 10th instant by Mr. Denny of this school and were returned here and confined to the guard-house for safe keeping.

Believing that the prompt action we were enabled to take in the matter will have a good effect on the chaps it can probably be reported soon that both of them have settled down to earnest work.

Very respectfully,

HKM.

I regret to report that ~~Herbert Pappin's~~ condition is not as good as it might be. I consider him a very sick boy. The crisis of his pneumonia should not be long delayed unless the condition has an underlying cause other than a frank pneumonic infection.

Mr. Alex. Pappin,
Pawhuska, Oklahoma.

My dear Sir:

I have received your letter of the 13th instant and in reply thereto can state that your son Herbert has practically recovered from the attack of erysipelas that had to be reported to you recently. He is up and about and at the present time there is no reason why his return home should be effected. However, no objection to his going will be interposed if your request is approved by Superintendent Wright and a sufficient amount is deposited with me to cover the cost of a ticket for his use. Herbert has an amount of about \$20.00 now to his credit in our school bank and not less than \$20.00 more should be sent. That will allow for his incidental traveling expenses.

Very respectfully,

HKM.

Superintendent.

Dear friend

It gives me great pleasure
to write you just a short letter

No doubt you will be surprized
to hear the news but I am
coming back to Carlisle to
school because I am compelled
to come.

And another no doubt you
have heard that I was
married. Well Mr Denny it
is all a mistake I am not
married and never had any
~~intent~~ intentions of getting
married at all.

I have had a splended vacation
this summer and feel as
tho I wout to come back and
learn a little more than
I domow. One reason why I
dread to come is because
they all think I am married
when I am not.

I am in perfect health
at the present time.

look for me about Saturday
or Sunday.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir:-

Your son Herbert is again in the hospital with a bad case of erysipelas. Our physician reports that if you will send the amount necessary to have the boy vaccinated, it will cure him and also prevent the spread of the disease among the other boys. The cost of the vaccine will be about \$2.50. Will you please send this amount to me at your earliest convenience. The sooner you do it, the better it will be for your son.

Mr. Alex Pappin,
Pawhuska, Okla.

Dear Sir:

I have your letter enclosing money order for \$2.50 to cover the expense of buying vaccine to use upon your son, Herbert. As a rule all treatment is free to the students here but this matter of vaccinating for erysipelas is entirely new and our physician here had to buy materials to use. I had already given him instructions to go ahead with the work even before my letter to you was written.

I might add that your son was in pretty good shape until about two weeks ago when he took a trip to New York with several other Indian boys. He was foolish enough to get in with a bunch who were drinking and this seems to have started his old trouble again. I will let you know from time to time how he is getting along.

Dear Sir:-

Your letter of the 1st instanc
is received and in reply enclose
draft for \$2⁵⁰ to cover the expense
of a vaccination for my son Herbert.
If this will cure him I want it done
or I will do any thing else to get
him cured. In this connection,
I want the boy taken care of and
in case of another spell of sickness
do not wait till you write me
a letter to get the money to
pay for the necessary treatment
to cure him but go ahead and
have the doctors take care of him.

I am surprised that you have not had him taken care of before waiting a week to get a reply by mail x Wire at my expense the next time x

I had always understood that in a school like Carlisle a child would get the necessary medical treatment, however, I am glad to pay any charges my point being that I don't want you to wait till you can get the money by mail x Wire, and I'll wire money

Very truly
Alex Pappin
