VACATION REQUEST FOR PUPIL.

JUN 5 1916 14618

-----0-----

We, the undersigned, respectfully request that leave of absence be granted Charles Whitehorn

from June 7, 1916 to September 1, 1916 to en-

able him to visit his home. We hereby agree to pay all expenses, including round-trip railroad fares, sleeping-car fares, meals, lodging, stage fares, telegraph and telephone messages, and other incidental expenses connected with the visit. We further agree that said pupil shall be returned to the Carlisle school on or before the last day of the leave of absence. We further agree to deposit with the superintendent of the school sufficient money to defray all expenses to be incurred, and should the pupils, or any one of them, fail to return to school at any such time as may be agreed upon by the parents or guardian and the superintendent of the school in which the pupils are enrolled, the amount of money remaining with the superintendent, necessary to the return transportation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided, however, that in all cases where it can be shown that there were justifiable reasons for the failure of the return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation, then the certificate of some reputable, disinterested citizen of the community may be requested as to the reasons for the nonreturn of the pupil or pupils.

Mr. Charles Martin,

My dear Sir:

Owing to a stress of work incident to the organizing of all our classes, there has been some delay about getting Charles Whitehorn permanently located in a department where industrial training can be given him. However, it has just been reported to me by Mr. Denny that he has arranged for Charles to take up the work in our wagon-making department. Mr. Denny had considered the matter with Charles before the detail was arranged.

Regretting that I did not have the opportunity to make your personal acquaintance during the time of your recent visit to Carlisle, I am,

I was in Corvallis recently to see my word. Chas Whitehorn and he seemed very anxious to be put in the shops to learn the machinists trade and if you think advisable I would be glad to have you speak to Mr Denny and have him detailed for that work. Of course you are on the ground and know best. I merely wish to call your attention to his wishes. There may be things that I am not familiar with that would make it impractical.

My dear Sir:

Charles Whitehorn, your ward, who has been at Carlisle for three years of his five year period of enrolment, has come to me with a request that permission be given him to return home for the summer vacation months. Charles was advised that the request would be referred to you and that your recommendation in the matter, if approved by Superintendent Wright of the Osage Agency, would have to govern my decision.

Will you please let me hear from you relative to the request? I enclose herewith a blank upon which a formal request for leave may be submitted to Superintendent Wright for his consideration.

Very respectfully,

Dear Sir:

My ward, "Charles Whitehorn" (age 17) has been in school there for three years - and is very anxious to come home this summer and I rec'd a letter sometime ago from you relative to it. which I referred to office at Pawhuska - and they failed to answer - but I went up there last week and took the matter with the office and the County Judge - and they both advised that the boy stay at Carlisle, as the condition is bad among the young Indians here especially as to whiskey. and they don't think it would be good judgment to allow him to come home - this summer - he may try to run away - when he finds out. I don't think he would go to any school, if he got told here this summer - or how several examples - who came back when they were 18+19 yrs old. and they are drunk and loafers - now. Personally I have no objections. but don't think it to best interest of you.

My dear Sir:

It has been noted in your letter of the 17th instant that you would like to have Charles Whitehorn at home for the summer months. In reply to your letter let me state that such arrangements can be made if the usually required formal application on the blank herewith is placed on file. The Superintendent's approval should be noted thereon before it is returned here.

The amount you forwarded to Charles for transportation has been placed on deposit and will be used as you request. It will not be sufficient, however, to pay for his return transportation to Carlisle at the termination of his period of enrolment.

Referring further to your letter I call your attention to the sheet herewith, on which has been copied the exact account of Charles Whitehorn as it appears in our ledger.
