INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. Asa Skye,
Akron, New York.

My dear Sir:

I have received your letter of recent date and have noted therein that you are anxious to have your son Elon return home for the summer vacation months. In reply I must state that such arrangements can be made if you provide the amount that will be required to pay for his transportation home and with which transportation can be provided for his return to school when his period of leave at home has terminated. A total of not less than \$18.00 will be sufficient to pay for the transportation both ways.

I enclose herewith a blank upon which a formal request for leave may be placed on file with me.

Very respectfully,

HKM.

UNITED STATES POST OFFICE

April 12th, 1915.

Mr. Asa Skye,

Akron, New York.

My dear Sir:

Replying to your letter of the 9th instant, this is to advise that when parents request permission to have their children at home during the summer vacation months it is generally required that they provide the necessary transportation. It would seem to be only fair to your son Elon to let him use the money he has earned while at Carlisle for other purposes than to pay for his transportation. However, I shall not object to let him use what will be required to pay for his return to Carlisle at the opening of the new school year in September if you will send what will be needed to pay for the cost of his transportation going home.

Very truly yours,

HKM.

Supervisor in Charge.

In case the blank that has been sent before has been mislaid the one enclosed herewith can be used.

VACATION REQUEST FOR PUPIL.

We, the undersigned, respectfully request that leave of absence be granted

from Carlisle Pa to Akron Ny to enable him to visit his home. We hereby agree to pay all expenses, including round-trip railroad fares, sleeping-car fares, meals, lodging, stage fares, telegraph and telephone messages, and other incidental expenses connected with the visit. We further agree that said pupil shall be returned to the Carlisle school on or before the last day of the leave of absence. We further agree to deposit with the superintendent of the school sufficient money to defray all expenses to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may be agreed upon by the parents or guardian and the superintendent of the school in which the pupils are enrolled, the amount of money remaining with the superintendent, necessary to the return transportation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided, however, that in all cases where it can be shown that there were justifiable reasons for the failure of the return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation, then the certificate of some reputable, disinterested citizen of the community may be requested as to the reasons for the nonreturn of the pupil or pupils.

My dear Sir:

Your letter of the 22nd instant has been received here and it has been noted that you are again requesting that permission be given your son Elon to spend the summer vacation months at your home. In reply to your letter I must state that Elon has become located at an outing home where it has been planned he shall remain this summer, and in view of the fact that he was allowed to be at home last summer it is believed inadvisable to grant your request for another such a stay at home.

I hope I shall hear soon that you have reconsidered the matter and that you will agree to let Elon remain connected with this school during the summer months.

My dear Sir:

I must inform you that your son Elon deserted from his outing home on the 27th instant and that we have good and sufficient reasons to believe that he was provided with money by some one at his home to pay for his transportation. It is regretted that he took such unwarranted action for no matter how satisfactory a record he made before he deserted that will always remain noted here to his discredit.

Will you please let me hear from you?
