## INDORSEMENTS.

---

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

*Provided,* That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

My dear Sir:-

We are in receipt of a short note from Jasper LaMonte,  
from Oakville written to his mother, and I want to say, that I know it  
is distasteful to Jasper <sup>Ramonte</sup> to write to his mother, therefore, such short  
notes. The fact of the matter is this, Jaspers father was divorced  
from his wife about a year before he died, his wifes conduct was such  
as to make the boy ashamed of his mother. I therefore ask that he drop  
writing to his mother, and instead, write to his aunt who, has always  
interested herself in his behalf. His aunt (mywife) is constantly  
inquiring why she does not hear from him, and inasmuch as I have written  
to Jasper by this mail, that I would explain the matter to you, propts  
this letter.

Very truly yours.

Mr. Dickey was here today and told me that it is your desire to be dropped from the rolls of the school this fall so you could live indefinitely with Mr. Rose. I have written to your aunt, Mrs. Anderson, about this and will await her advice before making a final decision in your case.

I want to tell you what I think about your wants and then I want you to think seriously about what I have said to you. In the first place, I always discourage boys when they want to stop school and go to work, especially when they are as young as you are. There will be plenty of time to work after you have gotten your training in whatever line you have decided upon. You want the book learning first. Stay in school and learn all you can until you are twenty one, anyway. I can get our Carlisle boys places in almost any of the big concerns in the country if they are prepared to go in. As you know we have at present 26 boys in the Ford Factory. This would be something for you to work up to. But to get ready to enter one of these places, you must work in school and work hard too. You must be willing to spend time in laying a good strong foundation first.

I realize how you feel about staying with Mr. Rose. They are kind to you and you enjoy running that machine. But you have to think further than just your present occupation and content. You must remember that after a while you will want more than what you are getting now. I do not mean only money but in your work. You will not be satisfied to run a machine all the time. A boy of your ability and ambition should want to do bigger things. Now is the time to strive for those bigger things.

You think seriously of what I have said, talk with Mr. Rose and get his advice and then let us all get together and do for you what seems to be the best for you.

I am glad to get the good reports about you. I hope you will always be the good boy you have been at Carlisle.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

This is also to advise that Jasper has been doing very well and that he has been asked to write to you without delay so that you may hear from him direct how he has been getting along.

Dear Madam:-

I note in looking over the correspondence relative to Jasper Lamonte, since he has been a pupil at this school, that you are the proper person to address regarding his future desires. Jasper's time was up this spring and he could have gone to his home but he preferred to go under the cutting so Mr. Dickey, the cutting agent, found him a home with Mr. Edward C. Rose of Newtown, Pennsylvania, where he is now. Mr. Rose is a wealthy man and owns some good farms with plenty of up-to-date machinery. This has given Jasper a chance to work along the lines he likes. He is now running Mr. Rose's automobile which he likes. He has asked my permission to be dropped from the rolls of the school so that he may remain with Mr. Rose indefinitely. I write for your advice. I am enclosing a copy of a letter which I have written to him so that you may know what I think about this matter.

Newtown, Pa.

Dear Jasper:-

I have a letter from your aunt saying that she has written you a letter advising you to remain in the east at least another year. When you have thought carefully over what your aunt has written you and what I have advised you to do, please write me so that I may know what arrangements to make for you this coming year.

Very truly yours

Superintendent.

My Dear Sir:-

I am in receipt of yours of the 24th ult., also enclosing copy of letter sent to Jasper LaMonte. In reply I wish to say, that I have written to Jasper, and while I advised his remaining for another three years, I am afraid that he will not do so, and to insist upon his doing so would only be the means of his being discontented and perhaps not attending at all, therefore, I have deemed it for the best to tell him in my letter of even date, that my advice to him was to stay another term, yet if he is absolutely opposed to remaining, that he must decide for himself. Knowing my nephew as I do, I deemed this the wisest course. Of course we knew that it is to his interest to stay, but I fear that it will not be conducive to good results for me to insist on his remaining.

Thanking you for your interest in this matter, and with the request that you assist him if you can to keep the place that he has, as I have advised him to not come home in the event that he will not go back to school, knowing that he is far better off where he is than here at least for the present.

I am very respectfully.

My dear Mr Lippes: I have been  
away and so negligent in my reply  
to yours of the 30th not because  
I wished to talk the matter over  
fully and carefully with Jasper.  
I am more than pleased with  
the boy and have offered him a  
servant position here as my  
chauffeur at \$40<sup>00</sup> per month and  
the privilege of living here with  
me at a cost of \$15<sup>00</sup> for board  
etc. Jasper's behavior and general

department are the best. He has  
never smoked nor drank while  
in my employ and I have yet to  
hear him use anything but the  
cleanest and best of English. He  
has taken the time to pursue  
a reading course in mechanics  
and good fiction, Dunsmuir, which  
I have mapped out for him and  
I feel that if he has his release  
which he is more than anxious to  
obtain, I shall do all I can to  
improve the boys future.

Although I do not wish to  
interfere with your great  
work I would more than appreciate

your giving Jaspers future to  
my care.

He has had a letter from home  
he tells me saying that he may  
stay on here indefinitely and I  
hope sincerely that you will  
give him the same privilege.

Trusting that you may see  
this matter in the same light as  
I, namely, that the boy wishes to  
become a man and act with a  
man's freedom. I remain,

Respectfully yours

Dear Sir:-

Replying to your letter of the 11th inst relative to Jasper Lamonte's release from the school, I have to say that I have given the matter careful consideration and have decided that it might be just as well for the boy to grant his request. I will therefore have his name dropped from the rolls of the school tomorrow September 14th.

Jasper has \$35.70 to his credit here. Please let me know what to do with this amount.

Will you notify Mr. Dickey of this decision. I have written him to see you.

Very truly yours

Superintendent.

Mrs. Denny -

Please note Miss Snoddy's comment herewith, particularly the part I have underlined with a red pencil.

If it is a matter of your needing Jasper <sup>amount</sup> for the outing rather than one of Jasper's needing the money, he should be sent.

But in any case you may do what you & Mr. Lipps think best about it.

Respectfully

J. S. Denny

uff:

The "outing bee" is still continuing to annoy us - Jasper & Mont comes today with this slip wishing to know if he can go on the Outing.

As far as Jasper's promotion is concerned I will say that he affords to go better than the others as he stands quite strong in all of his studies and I feel that he can now do Seventh Grade work.

I would rather see him stay as he lost considerable time last fall in the hospital and I would like him to have the English drill the remaining months and the term Exo -

does not need the money as  
some of the others, as his people  
are in affluent circumstances.  
He is a fine lad and deserving  
of privileges if we can extend them  
without interfering with his best  
welfare.

Very respectfully

Snoddy

P.S. Will you please issue me  
7<sup>th</sup> grade tests in Brief, Eng. and

I will forward them to her in the  
morning.

Dear Jasper:

On checking over the pupils' accounts at this school, I find that you have a balance of 56¢ and I am enclosing a check for that amount. This is for interest received on the money you had on deposit here and it was received after the balance of your money had been withdrawn. Please sign and endorse the check before getting it cashed. If you have any trouble in getting it cashed, please sign and endorse it and return it in the enclosed franked envelope which requires no stamp and I will send you the amount in postage. I will thank you to attend to this as soon as possible as we are sometimes caused considerable trouble by checks being held and not cashed.

With kind regards and best wishes, I am
