Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Mr. H. G. House,

Surety Bldg., Muskogee, Okla.

My dear Sir:

I have been advised by the Supervisor of Indian Schools at Muskogee to the effect that students enrolled at Carlisle from the Five Civilized Tribes should not return to their homes to spend the summer vacation months unless it can be established that such students will be specially benefitted by their return home.

Therefore, in reply to your letter of the 30th ultimo, I must state that if Johnson Wacoehe has good and sufficient reasons for his sister Eliza's return home, his request must have noted thereon the approval of Supervisor Wyly before consideration can be given it here.

It is my belief that Eliza will be benefitted most by remaining at Carlisle and it is hoped that her brother can be made to see the wisdom of having her continue her enrolment here uninterruptedly.

Very truly yours,

Mr. O.P.H. Lipps,
Supervisor in Charge,
Carlisle, Pennsylvania,
Dear Mr. Lipps:-

Johnson Wacoche, of Eufaula, the brother and guardian of Eliza Wacoche, has requested that I write you in regard to Eliza's coming home this summer. I feel personally interested in this youngster, as I persuaded her brother to allow her to go to Carlisle. She has now been there for two years, was originally enrolled for three. He assures me that if she be allowed to come home for the vacation, that he will see to it that she is returned in time for the fall term. She has plenty of money, and is perfectly able to take this trip and spend her vacation at home.

I expect to let my ward, Tookah Apueka, come home this summer, and I think possibly, will let her make a trip to the Fair, at California.

I would like, if this request meets with your approval, that it be arranged that they come home with the first party coming after commencement exercise.

Please let me hear from you in regard to this, and greatly oblige,

Yours very truly,

Dear Mr. Lipps:

Your letter of April 6, to Superintendent Parker,
relative to Eliza Waroche's vacation, is referred to this
Office for reply.

It is my opinion, and I so recommend, that Five
Tribes students enrolled at Carlisle should not be permitted
to return to their homes to spend their vacation unless very
good reasons are given by parents or guardians for such leave.
In this particular case there does not seem to be sufficient
justification to grant the request, and unless Johnson Wacoche,
brother and guardian of Eliza, can give further evidence whereby
she will be specially benefitted by spending her vacation at
home she should remain at Carlisle.

 enable *her* to visit *her* home. We hereby agree to pay all expenses, including
 round-trip railroad fares, sleeping-car fares, meals, lodging, stage fares, telegraph and telephone messages,
 and other incidental expenses connected with the visit. We further agree that said pupil shall be
 returned to the ----- school on or before the last day of the leave of absence.
 We further agree to deposit with the superintendent of the school sufficient money to defray all expenses
 to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may
 be agreed upon by the parents or guardian and the superintendent of the school in which the pupils
 are enrolled, the amount of money remaining with the superintendent, necessary to the return trans-
 portation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided,
 however, that in all cases where it can be shown that there were justifiable reasons for the failure of the
 return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall
 certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation,
 then the certificate of some reputable, disinterested citizen of the community may be requested as to

My dear Sir:

When your telegram was received here last evening Supervisor Wyly's recommendation that Eliza Wacoche be allowed to return home for the summer months was taken into consideration with her and she then requested me to advise you and her brother that she intends to wait here until it is decided whether Frances Perryman of Okmulgee is to go home or not. Therefore, a telegram as per the copy herewith will go forward to you tonight.

As the question of Frances Perryman's going home has been referred to Mr. Samuel J. Checote at Okmulgee only this week it will probably be a week longer until it is learned when Eliza is to start for her home, but be assured that Johnson Wacoche and the office at Muskogee will be informed when Eliza may be expected to arrive in St. Louis in ample time to have arrangements made for meeting her there.
