INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

be there for the social which
will be the last Saturday
of this month, we certainly
would make a hit on some
swell guys. Nothing doing for
old maids when we get back

My dear Lucy,

Your dear precious letter received and was perfectly charmed with it but very sorry to learn that you have been sick, I sincerely hope you are O.K. by now.

Oh kid I think my hopes of going back to Carcise are all gone. Mr Lippe wrote to my father and said that I was getting along nicely in my school, ^{work} and does not think it is necessary to recall me from the outing. Miss Johnston was here, and she said I could go in in the spring. See that makes me mad. But believe me

I am going in this spring I dont
care what happens I
Listen dearie I havent received
my pictures yet, I have written
to them and ask them to sent
them but nothing doing. So next
time when you or Helen go to city
will you please see about it. I
paid for those pictures there is
no reason why they dont sent
it.

Say did I believe I'll play sick and
see if I cant go back to Carlisle
I am so darn sick of country
life I believe I'd die if I stay here
much longer. I'm going back at
any rate. Have you heard anything
about your returning yet?

Had a swell letter from Helen

and I must answer it.

See kid when ^{will} you be out to see me? I am anxious to see you & Helen. I wish I could go out to Harberth's again but nothing doing for me.

Oh you kid we have our finals next week. I hope I won't flunk so I can make Sophomore will be some class aint it?

I haven't had the grip yet, you done beat my time. Goodness me I hope I won't get it while we are having finals. We only have four small subjects, ancient history, algebra, science & English. I bet they will be some questions too for we have a whole day for each subject.

4

quite a few Freshmen were
exempt from exams but I don't
shine of course.

Please tell Ella I said
hello.

Well dearie I am enclosing
your new year letter it's about
time eh? I will send you
my picture just as soon
as they come.

With much love and
kisses to you and dash
of hugs.

Honest dear I am so anxious to go back to Carisle. I'll be so mad if they ^{don't} let you go in. Life won't be worth living without

you there. I wish Helen could
Pack with us. That would
be the life aint it kid? Now
dearie dont think I am leaving
you aside for I am not. why
I would go to the end of the
world with you and back
again. I only like to have
fun with her.

I hope our pictures will turn
out good. as for my pictures
if they are not good no hope.
I am going to sent one to you
good or bust. well dear your
new year letter is not quite
finished and I am too tired
to continue to night so I

note to Helen and then go
to bed.

My hands are so cold I can
hardly write I am sitting
right by the heater at that.

Supper was all over when
I got home. I was so tired
I came right up to go to bed
but am not getting there very
fast.

Well I hope I will see you
soon, I don't imagine I will
be allowed to go out to Harborth
again but I certainly am hoping
that I shall have the
opportunity again for I certainly
enjoyed my trip.

Yours & Helen must come out
to see me soon, and let us hope

that we will return to
Carlisle soon.

I will now close with all
my love and kisses to you
hoping to hear from you
soon.

Well no doubt you will be home and married. When you open my letter, but dearie wherever you are, write me another letter for 1918. and I'll be sure and write you one.

Gee kid this is the life, I have been studying old ancient history for the last ^{few} days and am ~~not~~ getting any sense out of it. We have our finals to morrow. I hate

ancient history. Too much like
saw stuff for me. Oh I'll be
the happiest gal going when
finals are over.

Dear knows where Helen will be
when I open her letter. I certainly
like the kid. I suppose she
will be in New York and probably
married. Nothing doing for me
along that line. I am pretty
sure of that. as I said before
I will be at Carlisle.

Will dearie I will now come to a
conclusion with much love and
kisses to you.

Miss Delia B. Edwards,

R. F. D. 5, Syracuse, N. Y.

My dear Friend:

When your letter of June the 28th was received here I had special inquiry made about the work you did last year and learned that you could probably have done just a little better if you had applied yourself more diligently. However, I also learned that you made a good record otherwise and so I have decided that your return here can be effected.

A blank is enclosed herewith upon which an application for your re-enrolment may be submitted for consideration, and it is my suggestion that you do not delay too long about having it properly filled out and sent here. You should arrive at Carlisle the first week in September so that you can begin your studies promptly on the morning of the 7th.

In this connection I will state that a careful inquiry will be made this year before any students are admitted, so that only those who are in earnest need be worked with next year.

Very truly yours,

Dear Friend;

I wish to write to you
in regard to my re-enrolment
this coming fall.

My father has consented to
let me go back, and as you have
promised Florence to let her go

teaching. I will feel very much
hurt if I will not be permitted
to enrol again.

I have made the best of my time while at Carlisle, and I still have the Carlisle spirit. I am sorry to say that I found only few here who are living up to it. but you may rest assured that I will endeavor in future to act my part with more discretion.

I have a desire to be entered in one of your courses this fall. I would like to take up nursing. I was a member of the sophomore class, as I came in rather late from the country I failed in my examinations. they were reviewing the various branches of studies and I got in in the midst of it. so I of course could not make very high marks. I was a freshman in one of the high schools in Harrisburg this winter and I got along very nicely. So I think I can make the straight eighth grade course this fall. and I sincerely hope you will consider the matter.

With happy anticipation of hearing from you real soon.

My dear Friend:

I have received the properly executed application to cover your reenrolment at Carlisle, and have had it arranged so that transportation will be made available for your use at Syracuse. If you intend not to use the ticket this month or the beginning of next month it is my suggestion that when you are in Syracuse you call on the Agent of the N. Y. C. & H. R. R. Dear Mr. Edwards:-

I regret to inform you that yesterday, your daughter Delia, who was living with Mrs. David R. Lippincott, Moorestown, N.J. under our outing, was taken to the German Hospital, Philadelphia, for an operation for appendicitis, to take place today. Delia has been suffering with pain in her side for sometime so this was not un-expected news for us. Dr. Deaver, the head surgeon in the German Hospital, is one of the best physicians in the city and your daughter will receive the very best of attention. I have written the authorities to keep us informed of Delia's condition from day to day and I will write you frequently.

Dear Madam:

I have received your letter of recent date and have noted that Delia Edwards has been requesting her father to send her money from time to time. She has no special use for money except for personal expenses and Mr. Edwards must know best what amounts he can spare to send to his girls for that purpose.

This is also to advise you that both Delia and Florence Edwards have gone to Outing homes for the winter months. They will have an opportunity there to attend the public schools, and just as soon as the school year is over they will be paid sufficient wages for their services to enable them to get along without receiving money from their father.

Replying to your letter of recent date asking that your daughter Delia, be recalled to the school from her outing home, I have to say that Miss Johnston has again made a special visit to Delia's home and reports that all is well with Delia. If it is your desire that she shall remain at Carlisle your wishes will be respected in spite of any impression she may have tried to convey to you about her coming home.

My dear Friend:

Your letter of the 2nd instant has been received and all of us are grieved to learn that your sister Florence has died. While we cannot understand why one so young and ambitious should have to be so afflicted as she was we can rest assured that we must accept such conditions and believe that they are best, after all. Please convey my sympathies to your father and allow me to state again that our heartfelt sympathies are with you.

In regard to your return here to take the work of the final year I must state that you cannot be advised at this time whether you have sufficient credits to enter the class which is to complete the course in another year. Let me suggest that you get your credits from the Moorestown High School and then at the opening of the year you will be given the opportunity to take whatever work for which you are prepared.

In order that it can be determined whether or not your step-sister is eligible for enrolment there should be submitted on the blank enclosed herewith an application for her enrolment.

my dear friend.

I wish to inform you
the death of my poor
sister Florence. She died
July 17. she was ill for
about ten months. She
certainly wanted to get well
so she could return to
Carlisle in the fall to
graduate with her class
next spring.

Father and I are trying our best to bear it, it is very hard when you lose a sister, but life is not ours so we will have to take things just as they come.

I will try to return the latter part of September to Carlsbad to continue my studies. I hope I will be placed with the graduating class as I certainly worked hard this winter with my studies at the Moonstone High School. So please let me know if I can be entered the "Fourth year Vocational" class and I will return just as soon as I can before I get too far behind with my studies.

My step sister Elsie Hill desire to enrol this fall as a student. She holds a good reputation here so I hope she will

have no trouble in
entering. Please respond
soon in regard to the
matter.

I shall return as soon
as possible. I am
