SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a non-reservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

NOTE.—Age limits, fourteen to twenty years. Preferably fourteen to eighteen. Students must be at least one-fourth Indian, preferably full Indian. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Mr. Meyer:

Anna Skenador was returned to the school from the outing in November of last year suffering with a tubercular trouble of the right knee joint. She improved markedly under treatment and was later allowed to resume her school duties. As the knee again became painful it was thought best to send her to the hospital again. Her general condition is good and the local trouble again shows signs of improvement.

My dear Sir:

Anna Skenandore is again in our school hospital for treatment on account of the tubercular knee which has previously caused her trouble and taken her strength and our physician stated this morning that he believes it to be to her best interest that she be sent home.

Will you please advise me whether such action would meet with your approval and in what way Anna could be given an opportunity to enjoy complete rest and the chance to become stronger?

Hoping I shall hear from you soon, I remain,

Very truly yours,

Mr. Elijah Skenandore,

My dear Sir:

As your daughter Anna has again been in our hospital for the past several weeks our physician was requested to submit a report regarding the condition of her knee. You will find copied below the statement that was issued this morning:

"Anna Skenandore was returned to the school from the outing in November of last year suffering with a tubercular trouble of the right knee joint. She improved markedly under treatment and was later allowed to resume her school duties. As the knee again became painful it was thought best to send her to the hospital again. Her general condition is good and the local trouble again shows signs of improvement."

It is gratifying indeed to know that her condition is satisfactory and it is hoped we can soon report further progress in her case.

Dear Sir, and Friend:—

I am beginning to find out abready that what education I now have is not sufficient.

I left Carlisle last April to regain my strength and to overcome the trouble I had after having an accident. I wish to know if I may be allowed to return now after I am well again.

I was in First year Vocation

but few more years to finish should
I try. I am very anxious to know
if I shall be allowed to return.

I talked with Supt. J. C. Hart about
this. So you may hear from him
too. Carlisle is the Sch. for me
Therefore I wish to go no where
else if possible to continue getting
higher education.

I would be very thankful would
I hear from you in the near future.
