Mrs. Chas. Tobicoe,
Hagersville, Ontario, Canada.

Dear Madam:

The Pennsylvania Railroad Company's officials have requested me to make payment for the ticket that was furnished your daughter, Marie Garlow, for her passage from Hagersville to Carlisle when she returned to this School last Fall.

A letter you addressed to this School on February the 2nd, last, contains the information that the remittance was to be sent as soon as you could get to town. As near as it can be determined such remittance has not been received here and I would thank you to co-operate with me at once so that the indebtedness can be settled.

The amount due for the ticket is \$9.85.

Very truly yours,

Supervisor in Charge.

Dear Friend

Pardon me for keeping
you waiting for an answer so
long. I am just up. I was sick in
bed for four weeks and I am
just up. I am sorry such a
mistake could have occurred
but as it is done I will have
to make good. I will send you
the money just as soon as I
can get out to town to see about
it. I am not yet able to go out.
Marie seems as well as ever she does
all our house work, washing & baking
and all. Now that I am getting better

- not keep you waiting
 for your money. I will try
 and have it for you before another
 week passes. I am ashamed to
 have kept you waiting at all. I
 had to spend what ready money we
 had for Doctors. However you surely
 will get your money as soon as
 possible as I am getting better and
 can let the Doctor go.

My dear Mrs. Tobiceo:

I have noted what you state in your letter of November the 17th, but after consulting Dr. Allen it has been decided that I would not be justified in allowing Marie to return to school until I can be assured that the affection of her lungs has been permanently arrested. In her present condition her confinement to school work would probably result in further weakening of her strength, and as she has so recently been taken away from the Mont Alto Sanatorium before there was any possible chance to do much for her it would hardly be fair to ask the State of Pennsylvania to again admit her at Mont Alto.

Hoping that Marie's condition will soon show sufficient improvement to make it advisable to have her return to school, but also calling attention to the fact that she cannot be received until I am satisfied that she

Dear friend:

I am in receipt of your letter of the 6th inst. asking assistance in getting you into a good hospital, where you can take the nurses' training course.

I do not know just what kind of help you wish me to give you. You know that we place most of our girls who want to become nurses in the Philadelphia Hospital. I have looked into your record, while a pupil here, and fear I could not recommend you to any hospitals in this part of the country owing to the fact that your health was never good in this climate. It seems to me that as you are always in better health when you are at home, you should try to get in a hospital there.

When you have made application for entrance into one of these hospitals you can use my name as reference, and I shall be glad to give you, through the records here, whatever there is in your favor.

Dear Sir:

Would you please give me a little information about the Association of American Indians. I have been talking to some of the people and they think that an organization of that kind would be of great benefit to them.

If you know anything about a Chief Thunder water, well he visited this reserve in the summer of 1915. He claims to have an organization which is for the good of the Indians. I would be greatly pleased if I could find out particulars about both societies.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

My dear Madam:

This is to inform you that your daughter, Marie Garlow, arrived here this forenoon, and that all of us here are pleased to have her back again with us.

Hoping that very favorable reports can again be conveyed to you regarding Marie's progress during this school year, I remain,

Very truly yours,

Mrs. Chas. Tobicoe,
Hagersville, Ontario, Canada.

My dear Mrs. Tobicoe:

I regret to advise that when your daughter Marie left here to go home her account in our school bank was closed out and the amount she had deposited to pay for her transportation from Hagersville to Carlisle when she returned last fall was not retained here because the bill for the ticket had not then been received. I have now been charged with the \$9.85 required to pay for the ticket.

I would thank you to send me this amount, so that the indebtedness can be settled, and I trust it will not be an inconvenience to you.

I would also be pleased to hear whether Marie has gained in strength and weight since she returned to her home and whether she is well now.

Very truly yours,

HKM.

My dear Friend:

I have noted the request contained in your letter of July the 1st and have made inquiry about you. In reply to your letter this is to state that I will do what I can to assist you in carrying out your desires, but because you are now a resident of Ontario I do not know just what consideration can be given your request.

I enclose herewith a blank upon which an application for your enrolment may be submitted for my information, and I would also like to have a letter from your mother stating definitely where you were born and how long you resided in the United States.

If it is at all advisable to consider your application favorably you will be notified promptly that you may come on to Carlisle.

Very truly yours,

account of ill health. but am now
in the finest of health.

If possible I should like to
leave very soon for I am very
anxious to begin my studies
again. Good Bye hoping to hear

Miss Marie Garlow,

My dear Friend:

Mrs. Foster referred your letter of the 14th instant to me in order that a copy of our reply thereto can be placed on file in this office.

Regarding the work you completed last year I can state that you made a passing mark and that you would be entitled to enter our 4th year vocational class if it was believed advisable to let you risk your health to take additional school work. Before Mrs. Foster referred your letter to me our Dr. Rendtorff had placed himself on record in a statement that is copied below:

"It has been brought to my attention that Marie Garlow is making application to reenter this institution. In view of the fact that she spent a year in a sanatorium for the treatment of tuberculosis and that she was ill last winter with symptoms of recurring tuberculous disease I recommend her application be not allowed."

Under the circumstances I cannot allow your return here in spite of the fact that you believe you are much stronger than when you left here. Your health is the most important thing in your life at this time and the closer confinement of school life

-2- Miss Marie Garlow, Rama Road, Ontario, Canada.

now would not give you the chance you should have to become fully restored to health.

Trusting that we can assist you to complete our school work at a later date and that you can continue to report favorably regarding the condition of your health, I am, with best wishes,

Your friend,

HKM.

My dear Friend:

Your letter of September the 9th came to me this morning, and transportation was placed at Hagersville at once for your use. It is to be doubted, however, whether the ticket will be ready by tomorrow, the date on which you expected to leave for Carlisle.

Only a day or two longer should be required to have it ready and you can secure it by applying to the Agent of the Michigan Central Line at Hagersville.

I am pleased to know you have had such a pleasant vacation at your home and I hope we shall see you here soon.

My Dear Friend

I am sure you
will think me very
ingrateful to you
and the school at
Carlisle. After you
doing all you can for
my child and still
I want her home with
me. Please pardon my
extreme ignorance if
I cannot see things
in the same light - as
you do. It maybe selfishness
But I have made up
my mind, I would
rather have Marie
home to look after her
as best my poor means can.

am very sorry to have
 cause you any
 inconvenience whatever.
 Please Pardon same.

I am very anxious about
 my child as she is the
 only one I have and
 I feel I must be with
 her if she is ill.

Thanks for all past favours.
 I can never thank you
 enough what you have
 done for us both. And
 I shall always feel you
 are a true, blue friend
 to all Indians. Write
 and let me know when to
 expect Maria.

I beg to remain

My dear friend
Your kind letter
received and noted.
I am sure I really do
not know what to say. I
do not want to take her
away from school and
its kind protection. But
you know how extremely
anxious a mother
would be for her only
child. While I think you
are doing the best that
can be done for her

3

I can have that attended
and I am sure she
will come all right. I,
told her to get medicine
for her case just as soon
as she arrived to school.
But child like she never
did as I asked. If it were
possible for her to come
home for a while say
till Christmas. But
really I am at a loss
what to do. I sincerely hope
you will advise us for
the best. I beg to remain

Mrs. Tabicae

2

I feel I would like
to have her with me
I think she does not
state her case clearly
to the doctor. So once
me if I have to write
planner to you as I know
you are a married man.
I think her mouth
are not ~~right~~ and if
that is not looked after
she will go into quick
consumption. This is
the main reason I
wanted her home.

Nov. 6th, 1913.

Mrs. Chas. Tobicoe,

Hagersville, Ontario, Canada.

My dear Mrs. Tobicoe:

This is to acknowledge receipt of your letter of November the 3rd and to state that your daughter Marie is being asked to return to School. It will then be arranged to send her home to you without delay as you request.

I yet believe that the actual treatment given Marie at Mont Alto is far better than any she can receive if she returns home, but as her mental condition incident to her and your own freedom from anxiety is important too it is hoped that a cure can be effected under your care at her home.

I will notify you again just when Marie may be expected, which should be in a day or two.

Very truly yours,

HKM.
