Mr. Lipps, Supt.
Carlisle Indian Sch.,
Penna.

Dear Mr. Lipps:-

As my term of enrollment expires this coming June, I would like to go home and visit my people before I enroll again.

Our school out here does not close until the latter part of June and if ^{it} will be alright I would like very much to remain out here until the close of school, or until the final examinations are given.

I have spent a very

pleasant winter with Mrs. Taylor; she has been taking girls from Carlisle for many years and I think she understands our nature and knows just how to treat us. Mrs. Taylor has been very kind to me and has tried in every way to make everything pleasant and has helped me to become greatly interested in all my work. I have tried to do my work well, both in the home and at school and I hope that I have not been a burden to Mrs. Taylor. I am sure I have profited in many ways while under the outing this winter.

I often get lonesome

for dear old Carlisle, but I realize that if I have my own way to make in the world, I cannot always be under the protection of Carlisle, and while I have the opportunity of getting a higher education, which will enable me to get a position, when I do go out in the world for myself, I think I ought to grasp that opportunity and "get ready" as General Pratt has said.

I was very glad to have you visit the West Chester High School and I hope that you will come again, I enjoyed your visit very much.

Mr. Lippes I know that you
are a friend of the Indian and I
wish you success in all your under-
takings, I sincerely hope that the
day will come when I will be able
to do something for the uplift of
my race.

Trusting that you are
all well; I am enjoying the best
of health.

Very truly yours
Marie Beebeck.

The family is a Methodist family and Marie attends her own church - the Catholic. Mrs. Loeling would like to have Marie stay with her for the winter and Marie is very anxious to remain. It is a good home for Marie and I judge the school would be a good one. As she has one examination to make for room 13, she is anxious to know whether permission would be given for her to remain.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
