Mr. Vincent Poupart,
Odanah, Wisconsin.

My dear Sir:

Noting in your letter of the 18th instant that you want information about arrangements whereby you could enter the Ford Motor Company's factory in Detroit, Michigan, I must state that the boys who have been given such a chance thru my assistance have been those of our advanced students who have taken a special preparatory course here fitting them to do the work in the Ford factory. Just at this time, however, I do not know how many more boys we shall be able to place and as a number of those now enrolled here are preparing for selection no assurance could be given you that you would have such a chance if you do come here.

If you want to be enrolled to take our regular work until something special is offered I will be pleased to receive an application for your enrolment on the blank in duplicate that is enclosed herewith. Superintendent Everest's approval must be noted thereon before consideration can be given it here and such recommendations as you have should be submitted with the application.

Very truly yours,

HCM.

Dear Sir:

I have the letter from the Supervisor of Indian Employment. Washington D.C. Dated the 12th, saying that my letter to him had been referred to you and I should write you about my wishing to enter the Ford factory, As to my ability and ambition I could not say more than I have stated in the letter referred only should.

It would be necessary that one would be further instructed I would be glad to have the Benefit of the course offered at Carlisle.

And will be please to hear
from you about it and also.
how much of my support would
be required of me while
taking the same.

Your truly

Mr. O. H. Lipps.
Superintendent
Indian School.
Carlisle, Pa.

Sir:-

I understand that Vincent
Poupart, whom I consented to have
enter the school for the purpose of being
accorded your six months course in
automobile instruction has been assigned
to other work (Mason work) not associated
with the instructions sought for, which he
may not be able to acquire for some
time. However, as other boys here within
the near future are going to the Sweeney
automobile school at Kansas City, Mo.
where I first intended to send Vincent
and would have him now go that he
may learn thereof during this winter.

Therefore, I respectfully request that
he be permitted to return here as soon

as I can get money to him for his
carfare.

They are eight immediate members
of our family six of which, including
Vincent, have adjoining land allotments
for which patents are pending, and are
in a fair way, to be made ready for
tillage and of which it is my hope
that the same in most parts may
be worked the coming season, and on
where a knowledge of engines acquired
by one, might be of much benefit to all.

Very Respectfully yours.

Kate Armstrong.
