INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Sir:-

Your letter of June 19 written to Mr. George Allen, he has brought to me to answer, I have known Mr. Allen for 3 or 4 years and he has always seemed to be a very nice man and is as far as I know. The land in question which he wants his daughter to sign the deed for is a piece of land that he bought when she was in Mt Pleasant to school and that she never had any money in it but was bought with his own money he had it deeded to her because he was afraid that someone would try and get it away from him as he was in some trouble at the time but the trouble was nothing that he was to blame for and what was settled all right (it was in a settlement of the father's estate and the lawyers had him scab) as far as I can learn and at the present time he wants to mortgage it to pay up some accounts one being a grocery bill the most, he seems fair and square in his statements and I believe what he says I am not interested in the in this case in no way I have done some notary work for Mr. Allen and he has come to me for advice several times

Some time in May Mr. George Allen, of Honor, Michigan, sent a deed to his daughter Rose at this school with a request that she transfer to him a five acre tract of land in Leelanau Township, Leelanau County, Michigan.

Desiring to protect the girl's interest I tried to find out whether she should be advised to go ahead as was requested by her father, but I have not succeeded in getting any definite information regarding the man or the transaction.

Therefore, I take this liberty to come to you for information. Will you tell me whether Mr. Allen can be considered a reliable man and can you learn anything at all about the proposed transaction? I would thank you to get me the desired information and your reply may be addressed to me in the return penalty envelope I enclose.

Therefore, unless I can be convinced to the contrary, I shall not give my consent to your signing the deed for your land.

I trust this will not work a hardship on your father, and if I can co-operate with you in any other way to give him assistance please do not hesitate to call on me for whatever I can do.

Upon receipt of your letter of June the 8th, with which you transmitted a Money Order for an amount of \$20.00 to be used by your daughter Rose to pay for her transportation home, I made further inquiry about your own circumstances and the advisability of letting your daughter convey to you the title to her property in Leelanau County.

I learned that you have recently become married, and for the reason that now you cannot be in need of your daughter's services to care for you she will be best off if she remains where she is and where she has an opportunity to get an education. The Money Order you sent for her use is therefore being returned to you herewith.

I also enclose herewith the deed you had sent for Rose's signature. It is believed best that she should keep the title to her land in her own name and unless you can convince me thru the aid of prominent disinterested

My dear Sir:

Some time in May Mr. George Allen of Honor, Michigan, sent a deed to his daughter Rose at this school with a request that she transfer to him a five acre tract of land in Leelanau Township, Leelanau County, Michigan.

Desiring to protect the girl's interest I tried to find out whether she should be advised to go ahead as was requested by her father, but I have not succeeded in getting any definite information regarding the man or the transaction.

Therefore, I take this liberty to come to you for information. Will you tell me whether Mr. Allen can be considered a reliable man and can you learn anything at all about the proposed transaction? I would thank you to get me the desired information and your reply may be addressed to me in the return penalty envelope I enclose.

Very truly yours,

HKM.

Supervisor in Charge.

My dear Friend:

I have just had another request from your father's home at Honor, Michigan, to the effect that you be permitted to sign the deed about which we corresponded some time ago.

While I desire to do what is best for you it is only fair that your father's interests in the matter be given equally careful consideration, so I would be pleased to have you write me whether the land covered by the deed was bought with your money or how it happens to be held in your name. Will you also tell me whether you are entirely willing to sign the deed so that your father can get the benefit of the value of the land?

I would thank you to give this request your attention as soon as it is convenient for you to do so.

Very truly yours,

HKM.

Superintendent.

Ross seems to think
her dentistry work was

Hoping you can meet her there and that you will be so well pleased with her that you will not fail to return her to Carlisle next fall to continue with her studies, I am,

Miss Rosa Allen,
Bayshore, Michigan.

My dear Friend:

I thank you for your letter of the 7th instant, but must state that I am sorry to hear you cannot arrange to return to Carlisle. What a satisfaction it is, however, to know that you made good use of your time while you were in school and that you feel confident now that you can make your own way by putting into practice what you have learned. The test of an education is to what practical use the knowledge gained can be put and as you have learned to be an excellent housekeeper I trust you will not give up practicing that art.

Let me hear from you from time to time and if I can be of assistance in any way do not hesitate to let me know how help can be given.

With best wishes for success in what you may do, I remain,

Your friend,

HKM.

Superintendent.

To the Superintendent
Carlisle, Pa.

Dear Mr. Lippe.

I write to let you know
that I can not come back
to Carlisle and I am very
sorry but I cannot pay
my expenses for my
transportation.

I think that I shall quit
school now and make my
home with aunt Nancy here
at Bayshore.

I have been to Onona
a part of the summer with
my other aunt and I want

to tell you that I haven't spend
any idle days. I have been
working all summer, doing
house-work for the resorters
but have not saved very much
money.

I was in the Indian schools
for ten years and have made
the best of every opportunity.
I am glad that I had kept on
going to school to get a little
education. I think I learned
more at Carlisle than at any
other school, and now is
my chance to practice what
I learned.

Yours respectfully,
Rosa Allen.

Miss Rosa Allen,
Omena, Michigan.

My dear Friend:

I have received your card of the 22nd instant and am pleased to know that you are thinking about returning to Carlisle. The privilege to do so will gladly be given you, but I must add that transportation for your use can not be made available because you are more than 21 years of age. It is hoped, however, that you can come here at your own expense for transportation and that I shall hear from you soon if there is anything else I can do to help complete arrangements for your coming back to Carlisle.

It is good to know you have had a pleasant summer and I hope that we shall see you here soon.

Very truly yours,

HKM.
