INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. Meyer:-

I regret very much to oppose F.Oak's readmittance, but feel it my duty from a disciplinary stand point, last year he caused me no end of trouble, by simply not complying with any of the rules, and when I would threaten to punish him his coach Mr. Oneil, would intercede for him, on the plea that he was not responsible for his action.

Respectfully,

H. J. Thompson

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

My dear Sir:

Permission has again been given your son Francis to return home for the summer months and he left here this morning with Peter Tarbell. Transportation for his passage to Nyando was procured for his use.

I would thank you to let me hear from you after Francis has arrived at your home.

Mr. Peter Oakes,

Cornwall, Ontario, Canada.

My dear Sir:

I have your letter of June the 9th, in regard to the return home of your son Francis, but for the reason that his period of enrolment does not terminate this year it will not be advisable to grant him permission to leave here for the vacation months. Only under special circumstances is such a special privilege allowed our students, and as Frances will have an opportunity to spend some time this summer under our outgoing system his return home cannot be effected.

Very truly yours,

HKM.

Superintendent.

Supt. Friedman,
Carlisle, Pa.

Dear Sir:

Would it be possible to allow my son Francis Cakes to come home for the summer? There are good chances here for him to earn money during the summer months, and I will send money if you will let him come home. Of course you could arrange it so he would

have to return to Carleton
in the fall.

Awaiting an early
reply, I beg to remain

Mr. Peter Oakes,

Hogansburg, New York.

My dear Sir:

I am in receipt of your letter of June the 23rd, again requesting that your son Francis be given permission to come home. Replying thereto I must advise that Francis was enrolled for a definite period and it is only fair to expect him to continue with his enrolment during that period. For the further reason that his continuation in school during the vacation months is entirely to his advantage, I must again state that it will not be advisable to grant you your request for his return home.

Very truly yours,

HKM.

Superintendent.

My dear Sir:

Noting in your letter of the nineteenth instant that your son Francis desires to return to Carlisle, this is to state that there is yet room here for him, but unless he comes for the express purpose of taking some trade and sticking to his work, it will be better for him to remain at work at home. As much time has already been lost from this year's work, he must make up his mind definitely without delay just what he wants to do.

Very truly yours,
