My dear Sir:

Replying to your letter of November the 30th, this is to inform you that you can probably yet be enrolled at Carlisle, although practically all the students who can be accomodated here this year are already in school. In order that I can determine whether you are eligible I would thank you to submit to me on the blank herewith an application for your enrolment. With the application must be submitted a statement from your former teacher to the effect that you did satisfactory work while you were in school.

Very truly yours,

Dear friend:-

I have your letter of the 10th inst and while I appreciate your continued interest in Carlisle to the extent that you want to send some pupils here, I do not think it would be advisable to take any more young boys and girls here.

If the boys and girls you have in mind are 17 or 18 years of age, I will consider their enrolment here.

Very truly yours

Superintendent.

I thought I will write a few lines to you this evening. I am one of the Carlisle boys. Please send me four application's to be fill out. I have friends here like to go there to school. They are pretty good boys. I have come again from Carlisle Indian about two years ago, I used to be a snare drummer in Carlisle Indian band. So send me the four application's for the boys as soon as you can. How old they have to be, before they can go there?

I will now close my letter and wish the band boys a good luck.
