INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mrs. Laura Bennett,
Brant, New York.

Dear Madam:

I have received your letter of April the 2nd and have noted therein that you are anxious to have your son Frederick returned home before the close of school in June. Accordingly, arrangements are being made to send some other boy to the Outing home where he is now staying and just as soon as he returns here he will be sent on as you desire. It may take ten days or longer to make the necessary transfer, but the matter will be handled as expeditiously as is convenient. In the meanwhile his transportation to Buffalo can be made available and the blank I enclose herewith can be filled out and returned to me. An extra blank to be filled out for Carlenia's vacation is also being enclosed.

Hoping the plan already under way will meet with your approval, I am,

Very truly yours,

HKM.

Dear sir: Your letter of March 29th has been received. And I want to thank you for giving the privilege of letting my two children come home.

Since both cannot come at once. I would like to have Frederick come as soon as arrangements can be made. I would send ticket from Carlisle to Buffalo. and from Buffalo he can come on the trolley. I will have some one in Buffalo to meet him. to pay for the trolley fare. So do not worry for I know everything will be alright.

So let me hear from you in regard to the arrangements.

Carlunia can come home at the close of school in May. when arrangements can be made later on.

Yours truly.

Mrs. Laura Bennett,

Box 177, Brant, New York.

My dear Madam:

Your son Frederick was seen at this office this morning in regard to the contents of your letter of March the 22nd, but he could not give any definite reason for his being dissatisfied with Carlisle. However, Frederick has not seemed very strong since he had the mumps earlier this year and I shall not object to releasing him from Carlisle if you will send the amount required to pay for his transportation home. He has but \$6.87 now to his credit in our school bank and that will not be sufficient to pay for his ticket. It will be arranged to have him start just as soon as I hear from you.

It is noted further in your letter that you desire to have your son McKinley sent home in April. As special permission is being given him to spend the vacation months with you it cannot be arranged to let him go before the last of May, and in the meanwhile you should place on file with me the formal application for a vacation for him. A blank form is enclosed herewith.

-2- Mrs. Laura Bennett, Brant, New York.

Trusting you will not be inconvenienced by waiting for McKinley's return home until the last of May and that you will let me know soon what more shall be done for Frederick, I am,

Mr. O. N Lipps, Supt.

Carlisle, Pa.

Dear sir: I am writing to you to tell
you of my son Frederick Bennett.

I would like to have you discharge
him, for the reason he is dissatisfied
with the school, been so ever since
he returned last fall. and I have
been worrying over him. he might
run away. and get hurt or killed.

He says he cannot learn any kind of
trade. do not know why. and I think
if he does not get to come home he
will run away. and he will not learn

anything. as his mind will be on something else.

so I think its better for him to be discharged and give him what belongs to him. If he has any money in the bank he can pay his way.

I am very poor in health and I feel I want him home myself.

And I would like to have M^r. Kinley Bennett come home for the summer and would like to have him come home the first week in April. As I have to depend on him to do the farm work.

money will be sent for his fare and back. as soon as I hear from

you. If Frederick be discharged send him home at once. and give some one a chance in his place.

Please write at once, and hope you will see that I am right for thinking of Frederick being discharged and have arrangements made to have M^r. Kinley come home in April. Hope to hear from you soon.

Yours truly.

You will find enclosed herewith the blank upon which a formal application for the return home of your children may be submitted to me to be placed on file.

Referring further to your favor of April the 9th, this is to advise that it will be the better plan to have you send to me the amount that will be required for transportation. The tickets can then be provided and our records will show an accounting of the amount expended.

VACATION REQUEST FOR PUPIL.

We, the undersigned, respectfully request that leave of absence be granted -----
----- Frederick J. Bennett -----

enable him to visit his home. We hereby agree to pay all expenses, including
round-trip railroad fares, sleeping-car fares, meals, lodging, stage fares, telegraph and telephone messages,
and other incidental expenses connected with the visit. We further agree that said pupil shall be
returned to the Carlisle Indian school on or before the last day of the leave of absence.
We further agree to deposit with the superintendent of the school sufficient money to defray all expenses
to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may
be agreed upon by the parents or guardian and the superintendent of the school in which the pupils
are enrolled, the amount of money remaining with the superintendent, necessary to the return trans-
portation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided,
however, that in all cases where it can be shown that there were justifiable reasons for the failure of the
return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall
certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation,
then the certificate of some reputable, disinterested citizen of the community may be requested as to
the reasons for the nonreturn of the pupil or pupils.

Mr. O. H. Lipps
Carlisle, Pa.

Sir: Your letter received also the
vacation request blank for my daughter.

You stated in your letter that
Frederick Bennett deserted from Carlisle. He
says when he was called into the
office of Mr. Meyers. he was asked
why he was dissatisfied with Carlisle
he said he did not say much. Only
he told him if he was not allowed
to come home he would come anyway.
Then Meyers ^{said} "go then" what more
does a person want, when he was told

2. to go. He made up his mind to start right away. for he had money ready.

Instead of Mr. Meyers telling him that arrangement be made to have him come home.

Frederick said he would have gladly waited if he had said that. but telling him to go was enough.

The discharge paper is no good to us. but I just want to tell you that I think whoever said "go then." is to blame. I have been showing the letter to different ones, and also what

Frederick said. They said they would go too. If they were told to go. About the money. since he has \$6.87 yet in the bank. and is also held.

3. I think its pretty small for any one to keep it. besides he has earned it himself.

Of course if its to be kept. I suppose we will have to let it go.

I am sending the request blank. and money for their railroad fare will be sent soon.

Yours truly.

My dear Madam:

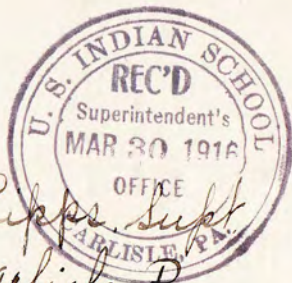

It is noted in your letter of the 28th instant that you had not received my letter of the 27th of March when you wrote to me about the arrival at home of your son Frederick. As he deserted from Carlisle he cannot be given discharge papers of any kind and it will always appear in our records against him that he left this school without permission. The money now to his credit in our school bank should also be held until he is returned here, but I will consider further your request that it be sent for his use.

I have received your formal request for a vacation for your son McKinley and am enclosing herewith a blank form to be filled out for your daughter's vacation.

Very truly yours,

Dear sir: Frederick arrived home safe Sunday morning. and I am glad that every thing was alright.

When he was told to go. he made up his mind to start at once. but he waited until evening. He has drawn his money out some time ago. and therefore he had the money ready to pay for his railroad fare.

I wish to thank you for granting my request.

I have received the application for Mr. Kinley's vacation. and I wish to

ask for Carlénia Bennett to spend the vacation at home. I meant to ask you in a letter before, and transportation will be sent for their return and back. I cannot get along without Carlénia during the summer months as my health is very poorly.

And vacation request for her can be sent to me to be filled out.

If there is any discharge papers to be given for Frederick you can send it, also what money he has left.

Thanking you again.

My dear Madam:

I regret very much I must report to you that your son Frederick deserted from Carlisle some time on Saturday night.

It is especially deplorable in his case because he was so excellent a boy in every way, and no matter what his excuse for running away it will always be a blot on his record at Carlisle.

I trust I shall hear from you if Frederick arrives at your home or you learn where he is located. Our record will then be complete.
