Dear Sir:-

I received your letter of the 12th, and in reply, I must say that, I have written my mother sometime ago, telling her, I ^{would} be home, in the later part of March. I have fully made up my mind to this point, and if I should remain here for the spring term, it would prove very disappointing to her.

Now Mr. Lipps, my leaving school this term, is not all together, to go home, and stay home. My school days are a long ways from being ended. I am looking ahead for the next fall. You know, that I have just enough money left to carry me through the spring term, if I should stay. My view is this, ~~is~~ ^{to} go home at the end of this present term, and help my mother along all I can

this spring and summer, and in the mean time, try to get money enough some way, for my next years tuition. To remain here would just about use up the money, that I have at my home agence, and wouldnt leave me any to work with this summer, and will likely cause me to remain out of school entirely next year, and I feel as though I would rather sacrifice this one term, than to lose the whole of next years schooling.

I am sure that you will realize my position, and by letting me go home, would mean a whole lot in my future. It will not only please my mother, to be home, but it will prove best for me at the end.

So I trust that I hear from you soon again, and giving me permission, to go home at the close of this term.

Yours respectfully
Robert Braker

Dear Robert:-

I have your letter of the 14th inst and have to say that in my previous letter, I advised you to do that which I thought was for your best interests. If you feel that it is your duty to return to your mother, I will not stand in your way. I am glad of your determination to continue with your studies at some future time.

When you are ready to go, come to Carlisle, and we will help you get off, if you need our help.

Linnout et. 10, 1916,

Supt. O. H. Hipps,
Carlisle, Penna.

Dear Sir:-

I am very sorry that I will not be back here for the spring term. I have received several letters from my mother, telling me that she has been in very poor health this winter, and that it is very hard for her to get along, and has asked me to come home, as soon as I could find it possible.

My mother has been home alone for the past three years, and this is the first time she has very asked any of children to come home. It has worried me a great deal to know that she has been very sick at times, and has made it very hard indeed for me to get along in my work, and decided that it would be best to leave school at the end of this term. So I trust that you will give me, my release from the school roll. Hope to hear from you at an early date.

Your respectfully Robert D. Baker

Dear Robert:-

I have your letter saying that because of your mother's sickness, you would like to go to your home at the end of the present term. While I appreciate fully your duty towards your mother, I want you to consider this matter very carefully before you come to a final decision.

You could remain in school until the end of the term in June, then go home and spend the summer with your mother. Then if you should decide to return, you will have advanced a class but if you leave now, you can hardly make the next class.

Write me again, Robert, when you have thought this matter over again.

With my best regards and wishes for your continued good work, I am

Very truly yours

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir:

Your letter of the 30th instant asking if Robert Paul Broker was in need of Fifty Dollars (\$50.00) which he requested to defray his expenses at the Millersville Normal School, has been received. Robert with eight other boys is attending the summer session at the Normal School. His expenses for tuition, boarding and car-fare have been settled from the Fifty Dollars (\$50.00) which was sent to me by you last May. This will leave a very small balance to his credit here in bank. Robert is a worthy boy and I think would make good use of whatever money you sent him.

I expect him back to the school the latter part of this week as the summer school closes then.

Acting Superintendent.

Mr. John R. Howard,

My dear Sir:

Robert Broker desires to sell the 80 acres of land he owns near Fosston, Minnesota, which is one-half of the entire acreage he owns.

I understand that a Mr. Jester of St. Paul has agreed to pay a purchase price of \$1200.00 in cash for the eighty, but before Robert is advised in the matter I would thank you to let me hear from you whether the sale should be made at the price offered.

It is Robert's intention to use the proceeds of the proposed sale to pay for his tuition at the State Normal School at Millersville in this state so that he can continue with his studies there. He was in attendance at Millersville during the vacation months of this year.

As the expenditure of his funds for the purpose is entirely commendable I respectfully recommend that such favorable consideration be given his request as may be advisable.

The work for the school year is to begin early next

My dear Sir:

Being advised to do so by his parents, Robert Paul Broker had given up the idea of selling the 80 acres of land referred to in my letter of August the 24th before your favor of the 2nd instant was received here. As it was Robert's desire to sell the land only because he was anxious to get the use of funds to pay for his tuition at the State Normal School at Millersville in this state the fact that you are arranging to have a balance of \$403.60 now to his credit transferred here for the purpose he can go ahead with his education until such an amount has been used.

If, at a later date, it becomes necessary for Robert to sell the land to enable him to go ahead with his school work he will be advised to make the sale only thru your assistance.

Hoping there will not be any delay about completing

DEPARTMENT OF THE INTERIOR

Sept. 2, 1915.

Mr. J. D. Huff,

Acting Superintendent,

Carlisle Indian School.

Sir:

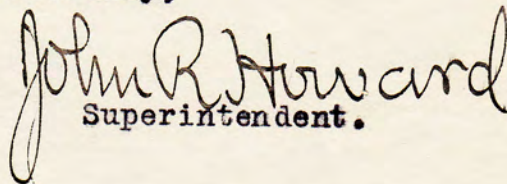

In answer to your letter of Aug. 24, 1915, relative to the desire of Robert Paul Broker to sell 80 acres of land on this reservation, so that he may have funds with which to pay his tuition at the State Normal School at Millersville, Pennsylvania, I have to advise that Robert has a balance of \$403.60 at this agency and that I am this date requesting authority to expend this balance in the payment of tuition and the necessary expenses connected with his attendance at the State Normal School.

It would be impossible for us to sell his land in time to make the proceeds of the sale available at the beginning of this school year. I note that he has been offered \$1200.00 in cash for his land. Your attention is

called to the fact that his land is located in the best farming part of this reservation. It is worth at least \$1600.00 and we can undoubtedly secure more than that for it be advertising it for sale through this office. It would be very unfortunate for Mr. Broker to enter into any contract to sell this land for \$1200.00.

For your information I have to state that Robert Paul Broker is listed as a mixed blood Indian and that under the law he will be entitled to sell his land without restriction as soon as he becomes of age. A great many minors of mixed blood are entering into contracts with land dealers covering the sale of their allotments and are giving a deed to the land as soon as they become of age. I hope that you will be able to prevent this boy from entering into any contract of this kind whereby he will not receive the full value of his allotment. If he desires to sell his allotment under the jurisdiction of this agency, I will be pleased to forward an application blank for his signature.

Very respectfully,

Superintendent.
