Mr. John Sarracino,

Prospectville, Pennsylvania.

My dear John:

Noting in your letter of the 5th instant your inquiry about the time when your period of enrolment at Carlisle will terminate, this is to advise you that you will have been enrolled at Carlisle for your full five year period at the close of the present school year in June. You will then be entitled to go to your home and transportation can be provided for your use at Government expense.

If you are planning to remain at some home in the east it will be advisable to have you continue as one of our students and it is suggested that you speak to Mr. Dickey about your plans when he comes to visit the home where you are now located.

Assuring you that we will gladly do what we can to do what is believed best for your future, I remain, with best wishes,

Very truly yours,

and I will like to ask you if we
are allowed to stay around here or elsewhere
after our school term is up, or are we
to go home right away.

As I understood some people
have say that you were not allow to
stay around after our school term is up,
so will kindly let me know.

As quite of few people have ask me

Mr. John Sarracino,

Prospectville, Pennsylvania.

My dear Friend:

I have received your letter of the 12th instant and have noted that you desire to have Pullman accommodations reserved for you when you leave here to go to your home. In reply thereto I can state that such arrangements can be made if you are willing to expend your own funds for the accommodations. An amount of \$4.00 will be charged for the use of a berth between Harrisburg and Chicago and not more than \$7.00 will be the charge for the use of a tourist berth between Chicago and your home station. If you use a standard berth beyond Chicago it will cost you just twice as much as a tourist berth.

Very truly yours,

HKM.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
