INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Information regarding pupils to test eligibility and whether in need of Federal aid.

Dear James:

I have your letter of the 1st inst. and want to thank you for your good wishes. I am glad to know you are well and happy and that you have a good job. If you are getting along well with your work I would advise you to stay where you are. Of course, if you want to come back to Carlisle to continue your school work, I shall be glad to have you do this, as you were a good pupil when you were here before. I was thinking, however, that a young man of your age should be thinking now of settling down if he has a good job, as you seem to have. We do not have very many Pueblo boys and girls here now, but as usual they are all making good records. I am sorry that we do not have more boys and girls from your home here as they always make satisfactory pupils.

With my best wishes for your continued good work,
I am,

Very truly yours,
