Superintendent, U. S. Indian Agency,
Crow Creek, S. D.

My dear Sir:

The additional information contained in your favor of the 28th ultimo regarding the Fred Fleury you desire to see enrolled at Carlisle is believed sufficient to justify me in having transportation placed at Chamberlain to your order for the young man's use. He may be sent on at any time, and if he has any funds at all that could be used to pay the very reasonable charge for tuition that would be made in the Carlisle High School I shall gladly make such arrangements as will be necessary to enter the boy to continue with his High School work.

This year for the first time work is being given in the \$200,000 Technical High School in Carlisle and excellent courses of work are being given for just such boys as are anxious to take a trade while they continue with their studies in purely academic subjects.

Very truly yours,

HKM.

Supt. Indian School,

Carlisle, Pa.

Dear Sir;

Replying to your letter of September 21, regarding Fred Fleury, I have to advise that this young man while attending the Pierre Public High School, was working for his board and lodging at the Pierre Indian School, and attending the High School during the day. He has no funds to pay for tuition and he wishes to go to your school and take up the trade of carpenter. He is a bright young fellow and deserves a great deal of consideration, and I should be glad to see him enrolled at your school. This is the reason I took the matter up with you, and I should be glad if you would reconsider his case.

Respectfully,

Superintendent.

Mr. W. E. Haygood,

Dear Sir:

I have received the approved application for the enrolment at Carlisle of Fred Fleury, but there is not noted thereon a sufficient recommendation to justify me in stating that transportation for his use can be placed.

Noting that the young man has attended a High School I desire to be advised why his enrollment at Carlisle is now advisable and justifiable. I can then give the application further consideration.

Very respectfully,

HKM.

Mr. W. F. Haygood,
Superintendent, Crow Creek Agency,

My dear Sir:

This is to report that Fred Fleury arrived at Carlisle the latter part of last week and that it has finally been arranged for him to take work in our vocational course here. Fred was given a note of introduction to the Superintendent of the Carlisle Schools on Monday of this week, but the classes in languages Fred would have to join are so far advanced that satisfactory results could probably not be secured this year.

I trust that the work he is being given will interest him further in vocational work and that it can yet be arranged for him to take the work in the Technical High School if he so elects before the opening of another school year.

Very truly yours,

HKM.

Supt. Indian School,

Dear Sir:

Referring to your letter of October 5, relative to Fred Fleury, I have to advise that Mr. Fleury has been notified that he may go to your school. He lives some 45 miles from the Agency and there is no telephone connection, and we are doing the best about informing him, and will no doubt, go in a few days.

This young man has no funds under Government control, and I doubt whether he has any money of his own that he could apply on his tuition. I am sorry, too, because it would be, in my opinion, an excellent thing if he could attend the technical high school in Carlisle. He is a bright young man and would learn fast.

Thanking you for your information in this case, I am,

Yours very truly,

Superintendent.

Mr. W. F. Haygood,
Superintendent, Crow Creek Agency,

My dear Sir:

Your letter of the 4th instant was received here yesterday and the amount of the check for \$48.90 you enclosed therewith has been credited to the account of Fred Fleury. When Fred was seen at this office this morning he stated that he would not have left his father and the work at home in the first place if he had not been urged to get further school training and that he will gladly go home to help there as may be required.

Our work for the year closes on the 25th of May and it can be arranged to let him go then without delay. If anything is to be gained by Fred coming home earlier than so late a date in May it may be possible for him to complete the year's work sooner than above noted.

Please let me hear from you again and advise me when Fred's presence at home is most urgently required.

Very respectfully,

HKM.

Supt. Indian School,

Carlisle, Pa.

My dear Mr. Lipps:

Mr. John Fleury, father of Fred Fleury, who is a pupil in your school, has handed me the enclosed check for \$48.90, which is duly indorsed to Fred's order, for sending to you to give to Fred to cover any expense he may have and for his fare home in June for the summer vacation.

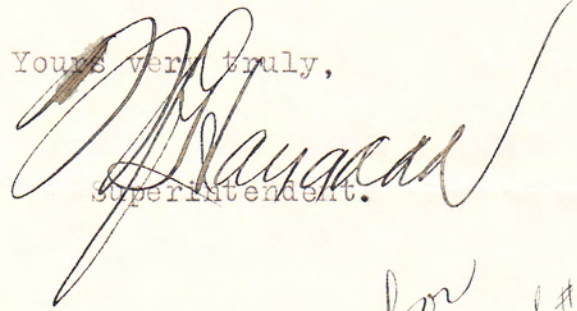

The past winter has been a hard one for his father, having been sick most of the winter and confined to his bed, and his wife doing most of the work on the farm. They have a great many head of stock and a large place to take care of, and if it can be arranged for the boy to return for the summer vacation to help his father, it will be very much appreciated by Mr. Fleury. This office will see that the boy returns at his own expense in the fall in time for the opening of school.

I respectfully recommend that the boy be permitted to return, and I should be glad if you would explain to him that his father has been very sick and needs him, as the boy may decline if it is not fully explained to him why he is wanted

at home.

Hoping that you can see your way clear to permit him
to return, I am,

Yours very truly,

Superintendent.

May 1, 1916.

Mr. Meyer:-

In regard to Fred Fleury's case, if he were to go home now, the chances are that he would lose - or rather not be given - any credit for the work done by him here this year. At least, no credit for the work could be entered upon our records. If he should come back some time, we might possibly patch the thing up in some way, but of course he must take all the chances.

These are the conditions he must accept and understand, if he leaves us now. On the contrary, if he could stick it out 23 more days after today, he would in all probability have something standing to his credit on our records.

Sincerely yours,

Principal, Academic Division

JDD/-

P.S. - Fred's record in this Division, as regards effort & conduct, is very satisfactory and gratifying. His term ratings in English & theory of agriculture were above the average. Not so good in mathematics, but he is doing better there lately.

My dear Sir:

Please be advised that at the request of your son Fred it is being arranged so that he can leave here this evening to come to your home. Fred will probably go to the Haskell Institute with another young man from Carlisle to spend a day or two there, but he has sufficient funds to pay for his transportation home from that point.

Fred has proven himself to be a splendid young man and I trust you can have it so arranged that his return here in September can be effected in order that he can resume his studies on the opening day of school. May I hear from you when he has arrived at your home?
