Dear friend:-

Your card came to me several days ago and I have mailed you copies of the Arrow. I have also added your name to the list of enlisted Carlisle boys who are receiving the Arrow free of cost. If you do not get the paper regularly, let me know.

Our next issue will have the names of all our enlisted men as far as we are able to get the names. We at Carlisle are quite proud of our soldiers and sailors.

We hope that you will let us hear from you from time to time. We are interested in all of you and our best wishes are with you all.

Very truly yours

Mr. Adolphe Barnabe,

Arlee, Mont.

My dear Sir:

Since writing to you on the 24th instant that your son Peter could be sent home with the party of students leaving here right after the first of June he has requested that permission be given him to remain at his outing home during the vacation months.

Believing that such a decision will be to his advantage in every way he has been advised that he may remain where he is. That will give him an opportunity to earn additional money and the chance to acquire further practical knowledge of work that has to be done on a farm.

Very truly yours,

HKM.

Superintendent.

Dear Carlisle and friends -

I think this is the first letter I am writing since I've been over here, any how I haven't forgotten Carlise by any means. I've taken \$10,000 insurance shortly after arriving here, I've been getting along fine out here. The weather is fine and the French sure have some fine crops of wheat, oats and other things. Well, I've been over the top already and had bad luck the first day because a piece of schrapnel hit my rifle and broke it so that I could not use it for a while; then I got another and fired with it a few times when a bullet got stuck in it. Anyhow I got out of it by only getting hit on the shoulder by a piece of shell. It was not serious but I thought it was when it hit me. Those guns sure make a lot of noise, a fellow can hear 'em alright. We had those huns on the run, though. A fellow sure sees a lot of sights, all kinds of them. I was lucky ~~of~~ and got out safe

a fellow is on the go all of the time. Once in a while it gets a little too hot and gives me a funny feeling but my motto is, "Go to it" because if I am going to get hit I'll get hit whether I am afraid or not" so I just keep cool, and take things as they are. We had several narrow escapes, well how is Carlisle getting along? I get the Arrow and read every bit of it and I wish I could get them all. So please send them to me regularly without fail because I sure like it. I saw Charles Long some time back but I forgot what he belonged to. He was at Carlisle when I was. Well here's luck to Carlisle" Good bye to all I remain one of your ex-students. Peter Barnaby.
