SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a non-reservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

NOTE.—Age limits, fourteen to twenty years. Preferably fourteen to eighteen. Students must be at least one-fourth Indian, preferably full Indian. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

March 7th, 1914.

Mr. L. G. Perry,
Principal, U. S. Indian School,
Beaulieu, Minn.

My dear Mr. Perry:

It is to be regretted that you have been caused inconvenience by the matter you referred to in your letter of March the 2nd, but as near as it can be determined now the receipts taken by Felix Brisbois for expenses incurred enroute to Carlisle were sent to you without the knowledge of any one at this office. Felix was seen about the matter and he stated that he so understood your instructions.

I have been informed that it was the policy at this school not to reimburse pupils for money expended in incidental traveling expenses whenever they had funds of their own to pay them, but in view of the fact that you promised the Brisbois boys a return of their money the sub-vouchers you hold will be given attention without delay if you return them to me.

Very truly yours,

HKM.

Supervisor in Charge.

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

Beaulieu, Minn. Mar. 2, 1914.

J. H. Lipps,

Supervisor in Charge,

U. S. Indian School,

Carlisle, Penna.

My dear Mr. Lipps :

When in Carlisle this last Sep. I gathered from conversation with Mr. Freidman that any pupils whom I should send to Carlisle School would be reimbursed by the Supt. of said school for actual and necessary expense of meals while enroute to Carlisle. Believing this to be so I told the Brisbois boys that their necessary meals would be given them at Gov't expense and to give their account with proper vouchers to the authorities at Carlisle and that I would see that they were reimbursed. I, however, did not mean by that that I would pay their accounts. I suppose that they understood that I would pay it personally.

In some correspondence with Carlisle school I asked the question ; "Will the necessary expense for meals be returned to students going to Carlisle who have no escort". I have received no reply to the query as yet. I was waiting for a reply to that before replying to the letter of Felix Brisbois.

I distinctly told the boys that they would be paid, and if there are no funds available I shall certainly see that the boys are reimbursed. As you are aware there is only one source that I can draw on for such a purpose and that is out of my personal funds.

Before I induce any more pupils to go to Carlisle or any other non-reservation school I shall first receive an answer to the question given above.

Respectfully,
L. G. Perry.

May 22nd, 1916.

Mr. Solomon Hamlin,

Mahnomen, Minnesota.

My dear Sir:

When Felix and Leo Brisbois were seen at this office at noon today they stated that they are planning to return home for the summer months. They are entitled to enjoy such a privilege on account of the termination of their period of enrolment and it will be arranged, therefore, so that they can join the party of boys who are to leave Carlisle on the 7th of June. Tickets for their use to Mahnomen will be provided.

Gabriel Brisbois has gone to one of our outing homes for the summer months and will probably not return home until September, if at all this year.

The three Brisbois boys have been such excellent students and have done so very well here that I am anxious to have the two reenroll who are coming to your home.

Respectfully yours,

HKM.

Superintendent.

(Copy to Supt. Minton.)

July 20th, 1916.

Mr. Felix Brisbois,
Mahnomen, Minnesota.

My dear Friend:

I am having enclosed herewith a copy of the mid-summer issue of our school ARROW in order that you can keep yourself informed about our activities during the time you have been absent from Carlisle. We have done the usual summer work and no great changes are apparent.

As you probably know a number of the young people on the White Earth reservation who are eligible for transfer to a non-reservation school I enclose herewith several application blanks I would thank you to hand to those you could recommend for enrolment. If any other young people of your acquaintance would be interested in any literature we might send to them their names and addresses may be listed on another blank enclosed, together with the other information that is desired thereon.

In this connection I must call attention to the fact that all applications for the enrolment of students who are members of your community must be approved by Superintendent Hinton before they can be given consideration here. There need then be

396

no delay about making transportation available for the use of those recommended for enrolment.

Hoping you can take time to assist as is desired and assuring you that I will be pleased to hear from you in what way I can help you to carry out the plans you are making for your next year's school work, I remain, with best wishes,

Your friend,

Encls.

HKM.

Superintendent.
