### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear friends:

I am now  
here at Fort Riley in the Medical  
Officers' Training Camp. I have  
been here now for two weeks  
and sure like it well.

During the two weeks (here)  
I drilled and was in the  
competitive drilling team and  
took second place. I am now  
taking a special course in  
mechanical drawing on all

motors and gas engines there-  
 fore I do not do any more drill  
 work. I am getting along finely  
 in every way. I also took out a

 proud of. Stephen St. Clair is  
 also here (now for about six days  
 will close) with best regards  
 to all. Yours Truly.

Sir:-

I respectfully recommend that the following boys now at their respective homes, be refused admission to the school, should they make application for enrolment:-

John Mead *Came back*  
Frank Veternack

Derias Skenandore has served two terms, eight years in all. He is a chronic thief.

Fred Skenandore is also a thief. He is very white and has acted as bootlegger among our boys.

John Mead has also been at the school eight years. He has made poor use of his time. He drinks.

Frank Veternack is white. He is a discontented, disgruntled pupil giving trouble to nearly all employes he comes in contact with. He has deserted more than once.

Dear friend

as I am  
not busy this afternoon I  
will write to you. I am  
getting along well but as  
far as the work is con-  
cerned we have be forced  
to lay off pretty often

- therefore I am not making  
as good as I was in Detroit.

This is due to the lack  
of stock from the parent  
branch in Detroit but I  
think that the work  
will be more regular later  
on. I visited the Haskell  
school a few weeks ago  
and saw a few Corbise

students. Will now close  
with best wishes.

Mr. Fred Skenandore

Dear friend:-

I am glad to get your letter and to know that you are still sticking to your work out there. Our Ford boys as they finish the Students' Course, are being placed out or hired as regular employes until we have only 24 under the outing now. Some of this number will soon finish too. Mr. Dickey is in Detroit just now looking into a few matters which needed attention. I hope he may bring back a good report of all the boys. I think most of them are trying hard to make good and do the best they can.

We are all busy here getting ready for the Inaugural ceremonies in which our school takes part again. We are going to have a band concert and a little Indian play this year as a part of the ceremonies. Those who march will go down just for the day. We hope that the president and his wife will be able to attend the concert and the little play.

With my best wishes for your continued success,

I am

Very truly yours

INFORMATION REGARDING RETURNED STUDENTS

REPORT BY SUPERVISOR OF INDIAN EMPLOYMENT TO SUPERINTENDENT OF RESERVATION SCHOOL

## SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

---

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Dear friend:-

I have your letter making inquiry relative to your son Fred Skenandore and have to say in reply that Fred is still out in the country living with W.L.Lathrop, New Hope, Pa. He ran away from this country home and came in to the school about two months ago but returned again. He got into some trouble but I think that is all over now. As far as I know now, he is well and contented in his home.

Dear Sir:

I would like to write a few lines to you concerning about new students.

There are few boys and girls from this place <sup>like</sup> to enter this school.

I spoke to Mr Hart a few days ago about it and he told me to write to you and ask you if you have room for a few more there. If you have I expect to return now in a short time and I can bring the students along.

Respectfully

H

Dear friend;

I have just  
 accepted a transfer from this  
 branch to Kansas City this  
 afternoon and I am to leave  
 by Sunday. but I want to  
 stop off a day at home so  
 I want to know if you will  
 sent my money or the half

of my money by telegram by Thursday  
evening or Friday morning so I can  
leave here by Friday evening and stay  
home over Sat and leave for Kani City  
on Sunday. Mr McGill one of the  
Student managers told me that we will  
not leave any later Sunday. There are  
three or four of us going. If you  
do that for me Mr Tipps I'll be very  
glad especially if you can arrange to  
I can go home a day.

Best regards.

Fred Skerandore.
