Dear Sir:

I am in receipt of your letter addressed to former Superintendent Lipps regarding George Parrish who was in your home during the Outing season of 1916.

In response you are advised that George Parrish is no longer a student of this school, having left before I took charge. I thank you for the information you have given me, but in view of the fact that he has severed his connection with this institution there seems to be nothing I can do in the matter.

Not less than \$75.00 should be sent and a little more than that would be advisable so that George can have the use of the balance for expenses enroute home.

It is desired that money for George's use be sent direct to me.

This is to acknowledge receipt of the check for \$80.00 you forwarded in response to my request of the 10th instant, and to advise you that the amount will be used to provide transportation for your son's return home for the summer vacation months.

Arrangements are being made to have him leave here on Monday evening of next week and a ticket for his passage to Locust Grove will be provided for his use. He should arrive there on a train that makes connection with the Frisco train that leaves St. Louis on Tuesday evening, June the 22nd, at 8.30 o'clock.

George will be accompanied by another Oklahoma boy who is enroute to Madill and should not have any difficulty about making the trip. Will you let me hear from you after he has arrived at your home?

Having noted in your letter of the 11th instant that you desire to have your son George at home for the summer vacation months, I must call attention to the fact that the Supervisor of Indian Schools at Muskogee would prefer not to have students who are members of one of the Five Civilized Tribes return to their homes this summer unless it can be established that they would be specially benefitted by such a trip.

If you can give good and sufficient reasons why your son should be given the special privilege a request for leave for him may be submitted to the Supervisor on the blank I enclose herewith. Unless approved by him favorable consideration cannot be given it here.

We, the undersigned, respectfully request that leave of absence be granted George Paul

 enable him to visit his home. We hereby agree to pay all expenses, including

 and other incidental expenses connected with the visit. We further agree that said pupil shall be  
 returned to the Carlisle school on or before the last day of the leave of absence.  
 We further agree to deposit with the superintendent of the school sufficient money to defray all expenses  
 to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may  
 be agreed upon by the parents or guardian and the superintendent of the school in which the pupils  
 are enrolled, the amount of money remaining with the superintendent, necessary to the return trans-  
 portation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided,  
 however, that in all cases where it can be shown that there were justifiable reasons for the failure of the  
 return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall  
 certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation,  
 then the certificate of some reputable, disinterested citizen of the community may be requested as to  
 the reasons for the nonreturn of the pupil or pupils.

Mr. Ballard, the escort who was in charge of the students from Muskogee, informed me that a ticket was provided at Muskogee for George's use, and as there is a sufficient amount to his credit here to pay for the same the transaction can now be completed.

Dear Madam:-

I have your letter of the 16th inst asking about your son George. He is at present living with Mrs. W.L.Lathrop of New Hope, Pa. attending public school and working for his board and care out of school hours. Many of our Carlisle boys and girls do this every year. George wanted to go out last fall when we were placing boys in white homes and he was given the opportunity to go. He has been getting very good reports and making good progress in school. When school closes, he can stay out if he wishes to do so and earn wages during the vacation months. If he wishes to return to the school and spend the summer here, he may do this.

I am glad to give you this good report about your boy.

Dear Mrs. Parris:

Replying to your letter of Oct. 3rd I have to advise that there is nothing wrong with your son except that he does not seem to like the vocational part of our course at Carlisle. He wants to attend a school where he will have no work and where he can give all his time to academic studies. I suppose homesickness is really at the bottom of his dissatisfaction. Every year we have this homesickness to contend with and it frequently happens that some of those who are the most dissatisfied when they first come here turn out to be among our most satisfactory students.

If, however, you feel that you want your son to come home, I will not object to his going provided you send the money to pay his railroad fare and incidental expenses. Any money that you may desire to send him should

I have read the letter from George Parris' mother in which she states that George has written to her saying he is very much dissatisfied at this school and wants to go home.

I have talked with George and he claims that the reason he is not satisfied is because he is not getting enough at this school in the way of schooling. He wants to go home where he can attend public school.

Inasmuch as George is almost all white and his people at home have a good home to offer him, I would recommend that he be sent home when his mother can send the money to pay for his ticket.

Respectfully

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Madam:

The receipt is acknowledged of your letter of August 30, 1917 in which you say that your son George B. Parris, Jr. seems to think he would be better satisfied to return to Carlisle.

The record shows that your son, George left the school at his own request, they also show that your son is of one-half Indian blood. I am informed that his appearance is that of a white boy, and his reason for going home was that he wanted an academic training and objected to our industrial system of education.

In view of the fact that your son was given the opportunity to come to this school, and became dissatisfied I very much doubt whether he would appreciate the opportunity here now, and I am doubtful whether he is the type of boy who should be permitted to receive the benefits of the government school.

Of course, unless your son was enrolled in the school I could not place him on the outing list.

I suggest that you take the matter of your sons enrollment at this school up with Supervisor Wyly at Muskegee. If you can submit evidence to him which under the new Declaration of Policy would permit me to enroll your son at this school I will consider the matter further upon condition that he would come here fully understanding that he must accept the course of study laid down for all pupils.

Very truly yours,

Superintendent.
