SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a non-reservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

NOTE.—Age limits, fourteen to twenty years. Preferably fourteen to eighteen. Students must be at least one-fourth Indian, preferably full Indian. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

I hereby certify on honor that Theodore (Tony) Welch, who was transferred to the Carlisle Indian School, Carlisle, Pennsylvania, on September 4th, 1911, was duly examined by the Physician at this School, found in proper condition for transfer; that Mary E. Toineeta, his mother, consented to the transfer, in writing; that the pupil transferred was willing and anxious for same to be done and that I believe it to be for his best self-interest.

Mrs. Mary Toinetta,

Stonery, North Carolina.

My dear Madam:

I have noted the request you conveyed to me in your letter of March the 20th, but because arrangements have already been completed for both your sons, Tony and Lloyd, to remain at the homes where they are now located under our Outing System it will not be advisable to grant what you desire in regard to their going home for the summer months.

The boys have made very good records here and as this is the time when they have to prepare for their future life it is my opinion that they should not be deprived of the opportunity they have to gain valuable experiences.

Very respectfully,

HKM.

Supervisor in Charge.

Supt. Corlisle Indian School

Corlisle, Pa.

Dear Sir: we will need one of the boys at home this summer to help us with the farm work. And as Tony Welch and Loyd Welch have been there 3 years this summer and has had quite a little experience about the farm labor. would like to have either one of them come home for the summer. Clarence Welch went to Corlisle last fall so want him to stay on there till his time is up. But we are need one of the other boys right away. There is just me

my husband to do all the
work and we are not able to
hire outside help. And can
hardly be gotten at any price.
So if one of the two boys can
come home now I will be
willing for him to go back to
the school after the crops are
made and gathered next fall.

I am glad they have made such
rapid progress at the school
and would not call them away
now if we did not need them
so badly or if we could do
some other way.

Hoping this will meet with
your approval and that the
boy can come home as soon
as possible. I remain
very respectfully, Mary Foinette

Stonewall, N.C.
