SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Mr. J. C. Hart,

My dear Sir:

Upon receipt of your letter of the 30th ultimo that part referring to the return home of Edwin Cornelius was taken into consideration with him. He does not seem to be at all anxious to spend any time at his home, but has declared that if his mother needs him he will do as she requests. The mother has been advised, therefore, that Edwin will be given permission to leave if she provides the amount that will be required to pay for his transportation.

Noting in your letter that you will probably have some students to send to Carlisle before the 1st of August, arrangements have been made so that tickets for not less than twelve will be made available at Oneida. If any other station would be a more convenient point to secure the tickets please advise.

In this connection I must also state that when your letter was referred to our school physician for his in-

formation regarding the return here of Mary Hill he submitted a communication as is copied below:

"The condition of Mary Hill at the time of her dismissal from Carlisle was such that her return would be like playing with fire. I must advise against such a step. That she has made a good apparent recovery is certainly gratifying but constitutes, in my judgment, the very best reason for keeping her at home."

Very respectfully,

Dear Mr. Lipps:

Replying to your letter of June 28, concerning Edwin Cornelius, while I have no official knowledge concerning the marriage of the brother, Lehigh, the family is a very excellent one, and if the usual requirements as to payment of return fare, and his return in time for school, I think his request may very properly be granted.

If it suits your convenience I think it would be well to have transportation ready for my summer party, as I have four or five that I want to go to Carlisle some time in July, if their applications are accepted. I have not yet secured the consent of parents in all cases, but the girls are anxious to go, and I think the parents will consent. I am planning also, to return Mary Hill, who seems to be perfectly well again, and I think she should resume her work as soon as possible.

Very sincerely yours,

J. C. Hart

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

My dear Friend:

Believing that it would be to your advantage to return to Carlisle for an additional period of enrolment I am having enclosed herewith a blank in duplicate upon which an application for your transfer may be submitted to Superintendent Hart for his approval. Our records contain the information that you are but twenty years of age and that would entitle you to be provided with transportation for your return at Government expense.

Hoping that I shall hear from you soon and that you will not hesitate to ask for assistance if you have made other plans to continue with your education, I remain,

Very truly yours,

Encl.

HKM.

This is to acknowledge receipt of your letter of the 16th instant in which you state that Edwin Cornelius is now ready to come to Carlisle. In reply thereto allow me to state that he may be sent on at any time if there is no reason why he should not be acceptable as a student here.

The ticket that was ordered placed on September 25th should yet be available for Edwin's use.

Mr. Lipps Supt,

Carlisle Pa.

Dear Sir:

I am about to make a request of which I would be greatly indebted to you if you should grant me; it is this; I would like to have my son, Edwin, back for this summer, who is a student under you at the school.

My reasons are chiefly this: I being a widow and am dependent on my sons to run my place. My son, Lehigh,

who has been farming the
homestead for the last ten
years, got married and is going
to settle down on a place of
his own, consequently I am
faced to look to my other son
to run my place: Therefore
if you could send my son
Edwin, home to me I would
be very much obliged to you,
and am ready to stand
the necessary expenses.

Let me know as soon as
possible if my request can
be granted.

I am Respectfully
Mrs Esther C Cornelius

Dear Friend:

I have received a call to go back to Carlisle, and I am very sorry to say that I cannot go back right away until further notice, as we are very unfortunate, that one of my brothers is thrown down by illness, but never the less, I will try to go back to school as soon as available. I am having rather restless than a vacation.
