INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

My dear Madam:

Replying to your letter of September the 8th, this is to inform you that your son Frank was enrolled at Carlisle in September of 1911 for a five year period of enrolment. PRESENT NAME

March 17th, 1915.

Mrs. Electa Summers.

Oneida, Wisconsin.

My dear Madam:

I must again advise you, in reply to your letter of March the 15th, that your son Frank was enrolled at this school in 1912 for a five year period of enrollment and that his return home this summer could only be for a period of leave with the understanding that he would be returned to school by the 1st of September. You would be required to place on deposit a sufficient amount to pay for Frank's transportation home and back again to Carlisle.

Frank is now at an Outing home and it is being planned to have him remain in that home during the summer months if you do not insist on having him at home.

I enclose herewith a blank upon which an application for leave of absence for Frank may be submitted to Superintendent Hart for approval.

Very respectfully,

HKM.

Supervisor in Charge.

Mrs. Electa Somers,

Oneida, Wis.

My dear Madam:

I have noted in your letter of the 5th instant that you yet insist on having your son Frank at home for the remainder of the summer vacation months, but I must state again that his period of enrolment does not terminate this year and that, in my opinion, it would be to his advantage to remain where he is now at work.

I have just learned that he is being paid one dollar a day and his board for doing farm work, which is more than any young man at Carlisle has ever been paid except for a comparatively shorter period of time during the rush of harvest days. You will understand, of course, that Frank receives his dollar per day for every working day and Sundays and holidays besides.

However, I will state further that if there is any special necessity for his being at home I shall consider further your request if it is submitted to me thru the office of Superintendent Hart.

Very truly yours,

HKM.

Superintendent.

My dear Sir:

When Frank Summers was seen at this office this morning in regard to the renewed request from his father that permission be given for his return home it was suggested by him that it be arranged so that he can leave on Monday of next week. It will be arranged so that Frank can leave here in time to connect at Chicago with the train that should arrive at De Pere shortly after noon on February the 1st.

It is to be regretted that Frank must give up his school work at this time, but it is hoped he will put into practice at once on his father's place some of the useful lessons he learned while he was at Carlisle.

Dear Sir:

Richard Summers asks for the return of his son Frank age 18, he went to Carlisle in 1911. Mr. Summers stated that he is working twenty acres of land and is in poor health and not able to do much, but that his son Frank would like to return and help him, he also stated that some days ago he deposited with the ticket agent at West De Pere Wis., the sum of \$21.70 which was then the fare from West De Pere to Carlisle.

I suppose the boy is entitled to return at the end of the school year, and if he ~~most~~ desires to come it may be well to ^{or him} permit to come now in order to help his father with the Spring work. Please advise me soon if Frank will be ^{is} permitted to return.
