Dear Thomas:

I have your letter of recent date, requesting that money be sent without delay to pay for your board. In reply thereto I will state that bills to cover the same should be sent to this school and they will then be given as prompt attention as is possible.

I would suggest that you take this letter to the people with whom you are staying, so that they can be assured that it will be satisfactory to keep you and that this school will be responsible for the amount that will be required to care for you during your stay in Philadelphia with Cat Barnskie.

Hoping that the matter can be adjusted and that the treatment Cat is receiving will be of great benefit to him, I remain,

Dear Madam:

I regret to advise that there has been some delay about securing additional funds from which to pay the board of the two young men who are now being cared for at your home and it will not be possible to send you the amount due by the 30th. However, I am expecting the necessary amount within a very few days and it will then be sent you without delay.

In view of the fact that this emergency has arisen I would be pleased to have you arrange so that credit can be extended a few days longer. Barnskie has ample funds to pay the bills he may incur, but a transfer of the same has to be effected in order that he can draw on the amount thru our school bank.

Hoping you will not be inconvenienced by this unavoidable delay, I remain,

Field Clerk, U. S. Indian Service,
Muskogee, Okla.

Dear Mr. McDaniel:

Miss Lydia Starr and her cousin, William Sisemore, arrived here last evening and presented the letter you addressed to me on the 15th instant. They found Tom Starr well and doing his work as usual, but conveyed to me the request of Tom's mother that permission be given him to accompany them home.

They stated further that Tom's mother has been ill for some time and in view of the fact that he has had a very satisfactory record here and has always kept his promise to return to school at the termination of the periods of leave that have been allowed him every summer but one during the time he has been enrolled here I consented to let him go. He will start with his sister and cousin this evening and Mr. McRay at Hanna has been requested to wire to telephone the mother to that effect.

Tom is now in the Sixth Grade and should have completed the prevocational work this year. His health has been

generally good and he has made progress in every way during the time he has been enrolled here. He came to Carlisle in October of 1911 and was enrolled for one year. In October of 1912 he again returned here for a one year period but remained until 1914. Then he returned to Carlisle in the fall of 1914 he was enrolled for a five year period.

Trusting that my action in Tom's behalf will meet with your approval, I am,

Dear Mr Lipps:

This will introduce to you Miss Lydia Starr sister of Tom Starr, and William Sizemore, his cousin. They have heard that Tom is or has been sick, and have come to see how he is getting along. Miss Starr, who is a very intelligent young lady and who has been attending Bacone University of this city, says that her mother is ill and indicated a desire to have Tom come home on account of his mother's illness.

I would be glad to have you acknowledge receipt of this letter and advise me Tom's grade, his health and general progress made in school, and when his period of enrollment will expire.

Any courtesies extended to Miss Starr and Mr Sizemore will be appreciated by me.

Mr. Thomas Starr,
Hanna, Oklahoma.

My dear Friend:

As we have not heard from you very often since you left here to go to your home I am having enclosed a copy of the midsummer issue of our ARROW so that you can keep in touch with what we have been doing. A number of changes have been made, but in general our grounds and buildings have practically the same appearance as usual at this time of the year.

You probably know a number of young people at your home who are eligible for transfer to a nonreservation school and to those you could recommend for enrolment the enclosed application blanks may be handed. If any other young people of your acquaintance would be interested in any literature we might send to them their names and addresses may be listed on another blank enclosed, together with the other information that is desired thereon.

In this connection I must call attention to the fact that all applications for the enrolment of students who are members of the Five Civilized Tribes must be approved By Super-

Mr. Thomas Starr, Hanna, Oklahoma.

visor Wyly before further consideration can be given them here. There need then be no delay about making transportation available for the use of those recommended for enrollment.

Hoping you can take time to assist as is desired and assuring you that I will be pleased to hear from you in what way I can help you to carry out the plans you are making for your next year's school work, I remain, with best wishes,

Your friend,

Encls.
