NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir.

A young man name Ross Murrow from Grace Mount, Okla - is stalled here in Syracuse, N.Y. as there is no work of his class here at present. So he has come to me for an accomanotation for his fair back to Carlisle School.

As he claims to have considerable amount of his money held at your school. So if it is. I can't see why should the School Supt. refuse to send his transportation from Syracuse, N.Y. to Carlisle School. Which I think its proper whether he has any money at School or not. as he is a student from that school.

I think its fair for you to send his transportation ticket by return mail in care of the above heading. I'll

see that he goes as soon as it
gets here if you deem proper. will
expect this by 2nd 10th. a.m. for an answer.

Mr. Lippert Dear Sir.

Enclosed please find report
of Ross Morrow, I have
not made it out in full
as there are some things
I thought best not to
disclose to him. He has
not been home more than
one night a week since
he has been here, I have
said nothing to him
about it as I think
he would leave if I
did. I am under the
impression he ^{carries} a short

time unless he can do
he pleases, he brought
very few clothes when
he came, and has not
gone back after them,
since, he has no uniform
suit at all, I spoke to
him about his clothes and
he said he would go
after them but did not.
I do not think he drinks
but he is not for no good,
I have been unable
so far to find where
he goes, he has struck
one of my horses twice
with a fork that I
know of, and do want
my horses abused, but
I am saying as little
as possible until I hear

50 52
from you, I do not
think he would go
in to the school
unless some one come
for him although he
might, as I have
said but little to him.
If your Agent is unable
to take him in, I think
it would be well for
you to send me a
through ticket to
Carlisle, as I cannot
purchase one here,
I would be glad if your
agent could come as
I can explain more

fully than I can in a
letter, Ross is a willing
worker and does good
as far as he knows ~~and~~
with the horses, the horse
he struck, has the mark
of six times on his
rump, awaiting your
reply. I remain.

Yours Resp.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.
