## INDORSEMENTS.

---

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

*Provided*, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Mr. Joseph Prickett, Acting Supt.,  
Kiowa Indian Agency,  
Anadarko, Okla.

My dear Joe:

I am mighty glad to see your signature as "Acting Superintendent" of a big agency like Kiowa. When you were in my office at Chilocco I thought you had the stuff in you and if a fellow has it in him he is going to be recognized if he stays on the job and puts his best effort into his work. I am delighted that you have made good. It should prove an inspiration to other young men in our Indian schools. I have already referred to you on various occasions in talking to the Carlisle students, as an example of what a fellow can do if he has the ambition and is willing to work.

As to George Marrow, when I referred your inquiry to our disciplinarian he stated that George was a booze fighter and not a desirable student. Now we have cleaned up Carlisle and I have never seen a finer lot of ambitious boys and girls than we now have here. The discipline was never better in any school and we are anxious to keep it that way. I do, however, want to give any fellow a chance who is willing to

at the man and do the right thing. I wish, therefore, you would call George in and have a heart to heart talk with him, find out what he has been doing since he went home and then write me what you think about giving him another chance. I will be disposed to follow your recommendation in the matter. If you decide to recommend his return to Carlisle, please forward his application with case record complete.

With kind personal regards and best wishes for your continued success, I am,

Very sincerely yours,

My dear Mr. Lipps:

I have the application of George Murrow asking for re-enrollment in your school for a period of three years. Will you accept George and place transportation at Anadarko for his use? If so please advise me and I will forward his application immediately.

Do you desire, in the event of his acceptance, that a case record card should accompany his application?

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Mr. John Toho,

R. F. D. 2, Minco, Oklahoma.

My dear Sir:

I have noted the request you conveyed to me in your letter of December the 10th, but for the reason that it is yet so early in the school year it cannot be definitely decided whether Ross and George Murrow may return home next summer for a vacation.

Our students are generally given the privilege to go to Outing homes for the summer months and of course the boys mentioned by you will be given an opportunity to spend such a period away from school.

Very truly yours,

My dear Sir:

Your letter of April 6, to Mr. Stecker as Superintendent, regarding letters addressed to Ralph Murrow by his brothers, George and Ross, has been referred to me for answer. I beg to advise you that Ralph Murrow is at present at Gracemont, Oklahoma, R. R. # 1, c/o Whitebread, and that the letters of the boys have been readdressed so as to reach him.

There is little that I can tell you regarding Ralph as he is seldom in but I am informed that he is making his home with Whitebread at the present and is farming some there. The boys should hear from him within a short time, I believe.

Very respectfully,

Dear Friend:

I have your letter asking about your two boys, George and Ross Murrow, and have to say that both of the boys are at the school now and getting along very nicely. The clerk in charge of the mail remembers returning the letter to Grace-  
mont, Oklahoma. The letter came just about the time the pupils were going home and she thought that George was in the home party. I hope you will excuse this oversight and carelessness on her part.

Dear friend:-

I have your letter requesting that your money be sent to you as you prefer to have your money all together. I enclose herewith a check for One Hundred Sixty One Dollars and Twelve Cents (\$161.12) which closes out your account here. I hope you will take good care of this money and not spend it unless you have to. When you are sure you can make good there, then you can be free to spend a little more.

Because you are now practically out on your own responsibility, I am having your name dropped from the rolls of the school today. I shall be just as much interested in you however and I hope you will let us hear from you now and then. With my best wishes for your success, I am
