The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. *It shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation.* (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

My dear Sir:

When your favor of March the 23rd, requesting that Walter and David Bruner Anderson be given work under our Outing System, was referred to our Boys' Outing Agent there was noted thereon that Walter cannot get the required recommendation from the Disciplinarian because of his shortcomings during this term and that the School Physician would not pass David's application. Under the circumstances it will have to be required that they remain at work here during the summer months with the several hundred other boys who will remain in school during that period.

Referring further to your letter I will advise that the boys have been told over and over again that any requests they make for funds will be considered and forwarded approved if at all reasonable, so if they are in need of anything I am sure they would make their wants known at this office.

Hoping that it will yet be possible later this year

Sir:

With reference to Walter Anderson and David Bruner Anderson, students from my District, I respectfully recommend that these boys be placed on your list for the Outing System, and they be given places in the country. I am of the opinion that places in the country where they might work this summer is for their best interest, than would be for them to return here this summer. In the event of their return to Oklahoma, they would naturally fall in bad company and which would be the means of their not returning to Carlisle to complete their education.

I also kindly request that you write me as to the needs of these boys, that is, as to clothing or other necessities. Mrs. Anderson tells me you have recently written her to send \$50.00 for the use of Walter and David, this she says she will deposit with me later on. She also says she is to-day preparing to send each of them a suit of clothes, which will go forward

Permission was given him to expend the amount specified.

Now that your telegram has been received reporting the death of David's mother and requesting his immediate return home the liberty is being taken to provide him with a ticket for which a bill will be sent to you later. Mr. Gabe E. Parker,
Supt. for the Five Civilized Tribes,
Muskogee, Okla.

My dear Mr. Parker:

David Bruner Anderson has been informed by his brother Walter that their father died at Sapulpa on Thursday of last week. David is anxious to know who has taken charge of his father's estate and who is to be his guardian in his father's place.

Will you please have the desired information conveyed to me so that David can be assured anew that his property and his interest in his father's property will be protected?

Very truly yours,

HKM.

Superintendent.

Dec. 21st, 1915.

Mr. Gabe E. Parker,
Supt. for the Five Civilized Tribes,
Muskogee, Okla.

My dear Mr. Parker:

David Bruner Anderson has been notified thru the office of County Judge Woodford of Tulsa that Mr. J. C. W. Bland of that city desires to be appointed administrator of the estate of William Anderson, deceased. When David came to my office this morning he stated that he does not believe Mr. Bland is the proper person to manage the estate. Finally he concluded that he would not object to Mr. Bland's appointment if assurance could be given that the same person would not be appointed his guardian. David suggested further that Mr. Jas. Russell, a farmer residing near his home, might consent to become his guardian.

It is my belief that David is anxious to get to his home, but he claims he desires to take care of the farm because neither of his brothers are doing anything at all to take care of things.

I bring the matter to your attention so that David can be assured from your office that his father's property

will be properly managed and that his own interests in
it will be protected.

Mr. Oscar H. Lipps,
Supt. Carlisle Indian School,
Carlisle, Pennsylvania.

Dear Mr. Lipps:

Referring to your letter of the 21st ultimo relative to the appointment of an administrator of the estate of William Anderson, and a guardian for David Bruner Anderson, you are advised that I am in receipt of a letter from probate attorney John P. Boyd, in which he states that Doctor J. C. W. Bland of Tulsa, Oklahoma was appointed administrator of the estate of William Anderson, deceased, by the county court of Tulsa County on the 4th instant. The nomination was made by the other two sons of William Anderson, deceased, and while the probate attorney was not particularly pleased with the appointment, he knew of no way to resist it. He states that he does not know anything against Doctor Bland, and of course could not oppose his appointment when the nomination was made by the nearest relatives. He has filed the nomination of James Russell for guardian of David Bruner Anderson, and believes that when the time of appointment arrives the County Judge will regard the minor's wishes in the matter.

Sincerely yours,

 Superintendent for the
 Five Civilized Tribes.

Dear Mr. Lipps:

Referring to your letter relative to the estate of the father of David Bruner Anderson, you are advised that this matter was brought to the attention of probate attorney Ralph K. Robertson of Sapulpa, Oklahoma. He has informed the office that it is his intention to take immediate steps to safeguard this estate. It seems that Walter, and a younger brother, are the only ones at home and they are disposed to want someone who is friendly to them appointed as administrator. The probate attorney is in favor of this, except he believes that the friendliness which exists between the administrator and the boys must be tempered by good faith, fair dealing and a spirit of preservation of the estate. He is endeavoring to adjust this matter without incurring expenses of attorneys' fees and other unnecessary costs, and it will not be necessary for them to employ outside counsel.

It is desired that you convey this information to David Bruner Anderson, that he may rest assured the probate attorney is giving it careful consideration.

Sincerely yours,

Gabe E. Parker

Dear Friend:

When your letter of the 20th instant was received here and I had noted your request for permission to return to Carlisle I referred it to our Disciplinarian and the Director of Mechanic Arts and both of them stated most emphatically that they do not want you to return here. In view of the fact that your record here makes it inadvisable now to allow your return here I can only add that if you expect to amount to anything at all you must get busy at once in one of the Oklahoma state schools or as an apprentice in some trade.

Very truly yours,
