Miss Ora E. Haft,

Indian Mission, Tama, Iowa.

Dear Madam:

I thank you for your letter of January the 26th, which contains information regarding the conditions that have influenced the lives of the Poweshiek boys. I am pleased to know that you are interested in the boys and that we may expect you to co-operate with us in giving them a chance.

In a report that was made me earlier this week I noticed that both the boys have been doing well this month. Horace returned from New York City last evening, where he had gone with Dr. Michelson of the Bureau of Ethnology to review certain points in his tribal language at the home of Dr. Boas, the eminent ethnologist who is connected with the Columbia University. Dr. Michelson has reported that Horace behaved splendidly.

In regard to placing the boys at work under your care in western Pennsylvania, I must state that such arrangements could not well be made. Our boys are generally placed in sections that include contiguous territory, so

Mr. Ora B. Haft.

that all of them can be visited from time to time with a minimum expenditure of time and money.

It has been my policy to place as many of the boys as can be so placed in establishments where they can continue with the practical work in their chosen trade, and in which they receive instructions here at Carlisle. Whenever boys can not be placed in such positions they are given the privilege to work on farms.

Whether the boys can be permitted to visit you at your home depends, of course, on their conduct and the extent of the arrangements that would be necessary to make a visit.

In order that you can familiarize yourself with the requirements of our "Outing rules" I transmit herewith some of the papers that are used as applications and other blanks upon which reports must be submitted to me from time to time.

Very truly yours,

Encls.

Superintendent Carlisle Indian School,
Carlisle, Penna.

Dear Sir:-

We received the report sent
the Mission of Horace Poushiek
for the month of December, and
noticed that it invited inquiries.
When I saw the deportment "F" I
intended writing you but on
second thought decided to give him
a chance to answer for himself-
which he has done. The boy's father
and mother have both been
drunkards and the boy never
knew anything else from
childhood. He is much weaker than

way than Jonas. Horace broke away from it for a while but his mother died and the home was broken up and this last year he has gone back, and it was principally to get away from the old bunch and make a new start that he went to Carlisle.

Of course I was disappointed to hear that he had fallen again.

I am specially anxious for him during his summer vacation when they are put on the outing system and am writing to inquire as to how this is done - will he go out to work at the trade he has in school now - carpentering - or can he go as a painter,

home is in Washington
county, Penna., and I was
wondering I could get work
for him around there and I
have friends who would be
specially interested in helping
him and think it could be
arranged that he could stay
at my home. There are no
saloons within ten to fifteen
miles. Of course it can be gotten
but think he can be thrown in
with a class of people where he
will not be tempted so much.
Think I could arrange for Horace
and possibly for Jonas but as it
is a small town could not get
anything for Jonas in tailoring.

pect to take my vacation
 June and promised the
 boys before they went away
 that if I could make arrange-
 ments with the school would
 have them visit us when I was
 there, - say for a week or ten
 days just at the close of school.
 Would this be permissible?

Will hope to hear from
 you with regard to your
 "outing rules"

Thanking you in
 advance, I am

Very truly yours,

Ora E. Haft

Dr. Robert L. Russell
Toledo Sanitarium
Toledo, Iowa.

My dear Dr. Russell:-

Last evening at a little masquerade I allowed the boys and girls to have, Jonas Powshiek appeared drunk. In view of the fact that all our good boys are co-operating with us to prevent all drunkenness, it becomes necessary for me to take drastic action in this case and I have decided to send him to his home this evening. This is Jonas' second offense within the last three months. He has had several chances to make good but he will drink and as he is the only boy now who does this, I think it best because of the example to the other students, to take this action.

Jonas has many good qualities and he has learned a trade by means of which he can earn a living. He is a good worker and I think if he were kept busy, he would be less apt to drink.

I regret very much that I must do this but it seems to me that the harm he would do would out-weigh any good we could do for him individually.

Trusting that you may be able to help him, I am

(Jonas Poweshiek)

Below is submitted a copy of a letter that was received here this morning from Dr. Michelson of the Bureau of American Ethnology at Washington, D. C.

"Jonas Poweshiek, a Sac and Fox of Iowa, at the school, has been very kind in helping me out in a few points this winter, and I would like to make him a small present through you. I therefore am enclosing a dollar bill."

The bill referred to is also enclosed herewith and it is suggested that you acknowledge its receipt in a letter addressed direct to Dr. Michelson.

Very truly yours,

Encl.
