June 15, 1914

Dear Friend,

Mr O. H. Lippe.

It gives me a great pleasure to drop you lines, concerning my welfare here at my home. I like to have my boy home Chas W. Peters to help me in my farm work. I am not much able to do any thing this summer. I will be very glad if you will give him permission to come home.

I will pay his fare both ways

Send me the telegram or I sent you the chick,

Your friend
Joseph Peters,

June 17th, 1914.

Mr. Joseph Peters,
Pincconing, Michigan.

My dear Sir:

Having noted the request contained in your favor of June the 15th, I take pleasure in stating that your son Charles can be given permission to return home for the summer months providing the amount required to pay for his transportation is deposited here. As near as it can be determined \$31.00 would be sufficient to cover Charles's transportation home and back again to Carlisle at the opening of the next school year.

Assuring you that I will gladly co-operate with you further as may be desired, I remain,

Very sincerely yours,

HKM.

Supervisor in Charge.

June 18/13,

Mr M. Friedman

Dear friend.

My boy arrived here at Pinconning yesterday evening all safe and was very much pleased to see him looking as well and happy, and grown, quite a man too. He is looking forward to return in the fall. Please send me the rest of his money which the amount he told me he left. Hoping the girls will come home some time so that they may have a time to go back to school in the fall.

Yours truly,

Joseph Peters

My dear Sir:

Your son Charley has finally decided that he too wants to return home for the summer months and so it is being arranged that he can leave here tomorrow evening. A ticket for his use to Pineconing will be provided and after he has arrived at your home please let me hear from you.

I trust you will be well pleased with your boy and that you will let me cooperate so that he can return here in time to resume his studies on the opening day of the next school year in September.

Very respectfully,

HKM.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Mr. Gibbs' home is located on a hill 3 miles from Hope. It is a fair home and the patrons seem reliable in all respects.

Mr. Gibbs wishes to keep Chas. during the summer and is willing to pay him \$10.00 per month. If he does not stay he would like to have a larger boy in his place.

Charles seems undecided as to what he wants to do. He likes his home well and does well at school but he has a notion that he wants to spend more time at Carlisle school.

He said that if he must be out in the summer he would rather remain at Mr. Gibbs than make a change.

I encouraged him to remain during the summer and think he will make up his mind to do so.

He promised to make up his mind soon and write to Carlisle concerning the matter.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
