INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Gentlemen:

I have your letter of the 17th instant, and inclose a copy of my letter to the Indian boy, Gus Sackatuck, who bought a suit of clothes from your establishment. This explains my stand, with regard to the bills for the outing students.

Very truly yours,

INCLOSURE: (1)

April 19, 1915.

Mr. Mark L. Carroll,
Dyersburg, Pa.

Dear Friend:

I inclose herewith two letters, which I received this morning. They are self explanatory.

Gus understands that he has done something forbidden by me. We do not allow our boys, while they are at the school, to run any bills in any of the stores. I do not want them to make a practice of doing this in the country. Where we have so many boys and girls under the outing, such action, on the part of several of them would bring disastrous results. I want the boys to pay for what they get at the time they get it.

I cannot grant Gus' request to send this money from his account here. He will either have to return this suit or wait until he earns this money, and pay for it from the one-fourth of his wages. I have written Mr. Berkowitz that we cannot pay this bill from what the boy has here.

Very truly yours,

HRD:HRK

Mr. Joseph Shackatook,

Keshena, Wis.

My dear Sir:

I have received the letter you had Mr. Satterlee address to me on the 10th instant and have noted that you desire to have your son Gus at home for the summer months to assist you with your farm work. In reply thereto I must state that your son has gone to one of our outing homes with the expectation of remaining there until after the close of the summer outing period the latter part of August. Will you allow me to state further that Gus is practically the only Shackatuck who has ever made anything of himself while at Carlisle and that I should prefer to have him continue with his work here just as long as he desires to remain?

Very truly yours,

Dear friend:-

Your letter addressed to Mrs. Denny comes to this office for attention. I have a card from the Hensel Studio, this morning saying that your pictures were mailed to the address you left there on the 11th of November. I presume you have them now.

I am glad to know you intend to return to the school sometime next month. I would not put off your return very long as you are losing valuable time in school. You can talk with Mr. Bradley about going to the Ford after you return to the school. You are almost too young to go there yet. My advice to you would be to stay in school for three years more before you think about going to the Ford. You need the school work.

Write me whenever you are ready to come back and I will take up the matter of your return with Mr. Nicholson.

With my regards to you, I am
