"CUSTER'S LAST FIGHT"

THE ORIGINAL AND AUTHENTIC
PRODUCTION OF THE GREATEST
HISTORICAL FEATURE EVER PRODUCED

FEATURING
FRANCIS FORD AND GRACE CUNARD

AND

CHIEF BULL BEAR
PRINCESS FLYING BIRD
AND BIG EAGLE

IN FULL NATIVE COSTUME

EN ROUTE

Dear Sir :-

I wish to call your attention to one of the strongest drawing attractions on the road, playing picture theatres.

We are showing the greatest of all historical feature pictures "CUSTERS LAST FIGHT", This is the original production as produced by the New York Motion Picture Co. (Now known as the triangle) with an all star cast headed by those two well known film stars Grace Cunard and Francis Ford.

We also carry three Sioux Indians, Chief Bull Bear, Princess Flying Bird, and Big Eagle, who appear on the streets, deliver short talks at the public schools etc. in full native costumes, making one of the most novel, interesting and "Pulling" advertisements possible, at each performance Chief Bull Bear lectures on "Custer's Last Fight" as it is thrown upon the screen telling of his actual experience with General Custer and his men on that eventful day.

Theatres having a stage, regardless of size, can be given a real Indian Novelty act, introducing the War Dance, Squaw Dance, Native Songs etc. An act that is interesting, educational and of real merit. Managers booking this attraction will be furnished advance billing- from 1 to 6 sheets. In fact, we have an attraction out of the ordinary, something different, and above all a real Box Office Winner for any Theatre.

July 17th, 1916.

Mr. David Arapahoe,
Washington, D. C.

Dear Sir:

I have noted the request that is contained in your letter of July 16th, but must state in reply thereto that I cannot agree to let your son Daniel travel with you if you expect to have him return here later to resume his studies. If you do take him with you it must be with the understanding that you will assume the care of him and that his return here cannot be effected. I appreciate your expressions of gratitude for what Carlisle has done for your son, but if you take him into the Indian show business I fear you will undo all that we have done for him.

In regard to aiding you by letting Daniel wear a Carlisle uniform I must state that the practice of engaging in a show business of any kind is directly opposed to what we try to teach our boys and girls. We endeavor to have them gain a knowledge of some trade so that a home can be established when their school days are over and in which they can make an independent living by their efforts. Favorable consideration cannot be given your request, therefore, to let you use

a school uniform.

Hoping I shall be advised by return mail when Daniel may be expected to return here or whether his release is to be effected, I am,

Very respectfully,

HKM.

Superintendent.

you Mr. Lipps and he long his vacation extends
and another thing I like to ask you Mr. Lipps I wish

him up in Indian costume I like to see him in his

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Sir:-

Your letter of the 20th inst received and was much disappointed. I was certain about to obtain return favors as due credit being self made Indian who seek Education bright and much desire to become Citizen and up to date with the world and make my own way amongst the Whites and worked hard and wish to save enough money to see the day that boy will attend to a better school from the reservation. Which the Government employees would not take any interest and would advance him in any chance to go to Carlisle school, half of his time out in the reservation school he is on the run away from school

and enough money saved up. I learn he is
from schools again, so I went out to the Reser.
brought him back with me to Chicago paid his fare
and expenses then I apply his permission to enter in your
school, now I would gain the Credit or favor for my act,
because if it was not for me you would never see Daniel
name add to your list, now I positively knew my boy
is good willing and ambitious to work as I see you
are taking advantage of him placing him out in a farm
ever since he went to attend your school and do not
believe he is any advance in his studies out in the Country,
now I should think you would grant a favor at least
once to whom, especially an Indian who make all
his efforts to do what is just, No as general evidence
when an Indian agrees and familiar with a white
they attempt and practice advantageous on him
now I believe the unwritten law But for Duffes I will

another permission once more for Daniel's
with me. I suppose Mr Gore has much farming
this summer and anxiously need Daniel. But Daniel
may not need his farming trade, then what is the result
after much spending his days away out in the Countries
"farming" where he has a good chance to stay at the
school and learn some trade that would means benefit
to him. I'll see that he will go to school there or a public
school at home just as good, if not better I married a
white wife and purchase a home here in Cook County, Ill.
and agree to make my home the rest of my life here no more
Reservation life for me. so you can see yourself if
Daniel was to quit the school he had to come back to
me here no where else now I hope you will not misunder-
stand my broken language and disappoint me again.
and you may trust me in send him back to school.

My dear Mr. Arapahoe:

I have received your letter of the 12th instant and am very sorry to learn that the present whereabouts of your son Daniel are unknown. I trust a more favorable report can be made by you soon, for nothing has been heard here regarding him.

Referring to your letter of the 8th instant, which was addressed to me from Woodstock, Illinois, this is to state that another chance can probably be given your son if you are convinced that he is sincere in his desire to show that he is worth while. My further consideration of your request will have to depend on what Daniel has been doing since he left here and while astray in Chicago or elsewhere along the way to you. Complete information should be submitted just as soon as you locate him, and then I will inform you definitely what more we can do for him.

Mr. MEYER:-

I have no objection to Daniel Arapahoe's coming back here. I think that perhaps, as Mr. Gehringer has stated, it may do Daniel some good to have grazed on thin pasture for a while and if he comes back we may have a leverage upon him by which we may get some substantial results from our efforts upon him.

Dear Mr. Lippis:-

Well I might as well tell you ^{what} I have had in my mind now ever since I went to the Carlisle Indian School.

You know I went there to see my son and to find out how he was getting along in his studies and in work. But instead I was highly disappointed when I went there and found out that my son was sent home. And when I heard it I was nearly shocked down to the ground in fact I cried Mr. Lippis

and I am not ashamed to tell you or any other man.

And now what I must do I do not know. My boy was sent back to the reservation but I sent for him and so he is now here with me I thought I could send him to some other school but I don't think I can. I thought about sending him to a school but I know I could not afford to pay for his schooling. Mr Lipsos this is the way I think of the future that is to come and my boy without

any education and no trade. Why what do you suppose would become of the family a poor Indian like me without any education and no trade why you ought to know that a poor man like me needs a son with some education and trade so he can take care of his father + mother and make a good living of his own.

Now my boy was eager to learn but just that crazy spell got into his head and he went.

and done it before he
 thought about it. And
 now I don't know what to
 do to stop him from
 wovring so much every time
 I ask him what he was
 so homesome and wovring
 about he says I want to
 go back to Carlisle he
 tells me. "Gee father I
 wish I was back to dear
 old Carlisle again."

Now Mr Lipp's I know
 he could do a whole
 lot better if he was
 at a school now because
 I told him, I said
 my son you are always

wanting to go to school
and if you do like you
did over there at Corbise
Indian School and get
sent home, I am going to
kick you right out of the
house and I don't want
to see you any more.
And every thing I say
goes for no joking
about it either.

Now Mr Lippes you have
been among us Indians
nearly all your life and
you are a good friend to
the Indians and the
Indians treat you right
any one of them that you

treated as he ought to
be treated.

My boy tells me that
you had already given
some of the boys that were
worse off than what he
was and gave ^{him} another
chance and they have to
be good because they
know they're only got one
chance in this wide
world to get started in
life's business. And you
haven't given my boy
any chance at all.

So Now Mr Lippie I
am going to ask you
to do me just one favor

a favor that I am depending upon either on my boy's side or life.

And that favor is this. "Please" Mr Lippe open your kind heart and give my boy just one more chance a chance that I know he will depend upon in this world. I will pay for his transportation down there and will also send enough money in your bank so that any time he gets into mischief first thing buy him a ticket and ship him home to me and

(It's either Carhill or a ^{Ref} and will send him to ^{form} a reform school.

So please Ma Lipp ^{My} listen to an old Indian plea, and give my ^{boy} just once chance in his life I'll do the paying and then the government won't have to pay a cent on my boy. or you can enclose application blanks and we will make him enroll as a new student with a clean mark and reputation and I'll guarantee you that he will make the best record that a

a

boy has ever made at
Carlisle Indian School.
Now it will close with
a wishing heart that
you will do as I said
and send my best regards
to you and may you
live a long and happy
life.

I am yours truly
David Arapahoe

My dear Friend:

I attach hereto a letter from the Commissioner of Indian Affairs notifying you that you are one of those students of Carlisle to whom a third prize has been awarded in the contest that was conducted last year with Home Building essays.

I congratulate you on being one of those whose study of the subject merited such recognition, and the bronze medal that is also being enclosed should prove to be an ever present reminder of the degree of proficiency you achieved in writing your essay. I hope you will have an opportunity soon after you leave school to put your home building ideas into actual practice.

Very truly yours,

D. H. Dickey, Agt.

I visited this boy at the public school near where he lives on Jan. 4, 1912, finding him well pleased with his country home and desiring to remain there. His teacher is a bright young lady, is a good instructor, and school advantages are equal to all ordinary country school districts.

Mr. Jacoby is a young man full of activity and has a very fine country home. It is an excellent place for any boy to get good home training on a farm. The boy is well cared for having a very good room, ordinarily furnished, and both Mr. and Mrs. Jacoby seem to take an interest in him.

Dear friend:-

I have your letter asking about your son Daniel and have to say that he is still in the home of George Jacoby, Newville, Pa. where he seems to be doing very well. All the reports we have about him are good and when the visiting agent was up to see him a few weeks ago, he was well and happy and doing well. I do not know that you have any cause to worry about him just now.

He should write you however and when the monthly reports come in, I will watch that matter up.

Very truly yours

My dear Friend:

I have noted the request you conveyed to me in your letter of recent date, but because I have not heard from your father I would suggest that definite consideration of your request be withheld until I do hear from him.

I am pleased to know you are making such an earnest effort to do good work where you are now located. The experiences you are gaining now will be of use to you in whatever you undertake to do in the future and I hope further good reports regarding you will be received.

Just as soon as I hear from your father further information can be given you.

Mr. Lipps.

I suppose my father has written you about this, but I will write also.

Last summer I thought I would go home just a short vacation, but Mr. Friedman stopped me at once. So I didn't make no more attempt.

So now I am writing to you and ask you if you can please give me permission to go home and see my dear mother and father. I am sure my mother is very anxious to see me because she hasn't seen me for over five years now.

And I think I have enough money in the bank to pay my fare home and back. I am very well and always striving for success, doing my best at all times. Hoping to hear from you in a short time. I am yours sincerely.

Dear Mr. Lipps.

I received your very kind letter today and I am very pleased to hear the information which you have given to me. I am very sorry that father did not write to you directly because he did not know that Mr. Friedman has been suspended and you see he wrote to Mr. Friedman instead of writing to you. But I just told him that you were in Mr. Friedman's place so he is writing to you directly.

Oh please Mr. Lipps if I just do wish to go home this summer early I have been doing with all my heart to do what's right and to be a good boy so I can go home for a short visit and see my dear mother who is all alone back in South Dakota anxiously awaiting for me to come. I haven't seen her for over five years now.

But I think I can get along alright as I have been doing all the time. I have to hear from you just as soon

as you hear from my father.⁽²⁾

Dear Mr. Arapahoe:

This reply to your letter of April the 3rd has been so long delayed because it has been desirable to consider further the welfare of your son Daniel in connection with the request you have made for his return home for the summer months.

It has just again been learned from our Boys' Outing Agent that Daniel is staying on a farm with a man who came from the city of New York and who has surrounded himself with all modern equipment on his farm. Not only is Daniel gaining there experiences that would be of value to him on a farm of his own but his very association with a wide-awake man like that will be of inestimable value to him in whatever he may decide to do. Daniel has done so well with Mr. Gore that I am not willing to take him away for a visit at home, because I believe that the disappointment of not seeing you will be more than outweighed by the gain your son will make

Mr. Dave Arapahoe.

during the summer months, and it^{is}/progress, after all, that you desire to have Daniel make. Aside from the facts I have enumerated Daniel and Mr. Gore are getting along so well together that a pleasant summer for Daniel is assured.

Hoping that you will appreciate the stand I have taken and that you will decide to deprive yourself of the boy's visit in order that he may gain in other ways, I am,

Very truly yours,

My dear Sir:

This is to acknowledge receipt of your letter of November the 17th and to advise you that your son Daniel has not done well at all since early in the summer. His general conduct has been quite satisfactory but he is indifferent and will not do any work if there is a possible chance to get away from it. He has been a deserter three times this summer and when he was brought in to school on October the 24th he loafed around in town and out in the country for another ten days before we again succeeded in learning where he was located.

Daniel is now here at school but is doing very little for himself because of his indifference and his determined effort to get along without working.

When your son Daniel was seen at this office this morning he stated that he has written to you several times lately, but he has been requested to write to you again and not to hesitate to come to this office with letters to you to be forwarded if he does not have any stamps on hand or money with which to procure stamps.

Daniel came to the office this morning in his working clothes. He has been devoting half of each day to work in our painting department and since his return to school the latter part of October he has made a conscientious effort to improve. He is not one of the very best boys yet, but as long as he tries to make good use of his time all of us here will do what we can to help him and to encourage him.

Daniel received the Christmas box you sent him and he seemed to be well pleased this morning when he spoke about your remembrance.

It is hoped other favorable reports can be conveyed

In reply, I beg to advise that shares in the annuity payment were paid to only those who were born prior to 1897. Daniel Arapahoe's record for 1914-15 is as follows:

Arithmetic.....	52
Language.....	82
Geography.....	70
Reading.....	75
Spelling.....	90
History.....	70
Physiology.....	75
Writing.....	85
Drawing (freehand).....	70
General Average.....	<u>75</u>

Was in Grade V-a all year and his general average of 75 was just enough to allow of his promotion to Grade VI.

Daniel was a rather slippery character down here, especially during April and May this year, when the weather got warm and it was find to

loaf around outside. His chief sin was cutting classes and then lying about his whereabouts. However, these offences were not such as would warrant us in considering them an obstacle to his taking the summer work in Millersville, if he really seems to want to study for the purpose of getting ahead. If his conduct at quarters has been at all passable, I should say let him get his money and take the Millersville work

My dear Mr. Arapahoe:

This is to inform you that your son Daniel arrived at Carlisle on Saturday of last week, the 27th. He stated that you had sent him here.

When your letter of the 29th ultimo was received, making further inquiry about your son, he was called to this office and questioned regarding the circumstances under which he came here. He tried his best to establish it as a fact that you sent him here from Chicago, and when he was told that you are now in Pittsburgh and anxious to know where he is there was nothing more to be said.

I am convinced that your son has deceived you and those of us here who were willing to let him have another chance and I will admit that what confidence we may have had in him is further shaken. However, he will be given a chance to show whether there is anything at all worth while in him to work upon.

Dear Sir:

I have noted the request that is contained in your letter of July 16th, but must state in reply thereto that I cannot agree to let your son Daniel travel with you if you expect to have him return here later to resume his studies. If you do take him with you it must be with the understanding that you will assume the care of him and that his return here cannot be effected. I appreciate your expressions of gratitude for what Carlisle has done for your son, but if you take him into the Indian show business I fear you will undo all that we have done for him.

In regard to aiding you by letting Daniel wear a Carlisle uniform I must state that the practice of engaging in a show business of any kind is directly opposed to what we try to teach our boys and girls. We endeavor to have them gain a knowledge of some trade so that a home can be established when their school days are over and in which they can make an independent living by their efforts. Favorable consideration cannot be given your request, therefore, to let you use

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated, and forward the form to the Indian Office for consideration.

Dear Sir:

Yesterday I sent to his home Daniel Arapohoe, a Sioux boy, who has been at this school for five years or more. While Daniel has improved in many respects while a pupil here, I felt that the school has about done all it could for him, and so decided that the best thing to do would be to send him home. I understand his father is a show man and is located somewhere in Chicago. As I could not get his address and Daniel told me he had relatives at Pine Ridge, I arranged to send him out there. I am sorry that I cannot give a very good report about this young man.

As Daniel had no funds here I advanced money to pay his transportation. If he has any funds in your hands, I would appreciate it if you would send me a check for \$42.00, which would cover all his expenses.

Very truly yours,

D/R

Dear Sir:

James Holy Eagle, one of our Pine Ridge boys here, comes to me this morning and tells me that when Daniel Arapahoe left the school about two weeks ago he took a good suit of clothes belonging to him. Daniel took it with the understanding that it would be returned to James. He has not done this and if possible we would like your assistance in having him carry out his promise. I think myself that James made a mistake in allowing any one so unreliable as Daniel to have his good suit of clothes, but he has been such a good boy here that I would like to help him get his suit if possible.

Very truly yours,

Dear Sir:-

I have your letter of the 25th saying that Daniel Arapahoe had not arrived at your Agency but that when hereports there, you will have him sign application for allotment benefits, and will eventually reimburse this school for the amount it advanced for his ticket to Rushville. I have received the bill for his ticket since my first letter to you and the correct amount due us is Forty Dollars and Nineteen Cents (\$40.19).

We have information that Daniel is now at Porcupine, South Dakota.

Thanking you for your help and cooperation, I am

Very truly yours

Dear Chief Bull Bear:

I have your letter asking me the reason why your son Daniel Arapahoe left the school. I have to advise you that Daniel has always given us more or less trouble ever since he has been at the school. It seems to me that considering the attention given him here, he was making very little progress. You remember that at one time we refused to have him return to the school, but we did so finally because of your urgent appeal for us to take him. We did this at that time under protest and we see now we made a mistake in allowing him to come back.

He was sent home about a month ago because we all felt that Carlisle had done all it could for him and that as he had not profited as he should by the training we tried to give him, there was no use to keep him any longer. He preferred to go to his relatives on the Pine Ridge reservation, we paying his fare to Rushville, Nebraska.

I am sorry I cannot give you a better report of Daniel, but I have told you just the truth about him.

Very truly yours,

D:R
