My dear Sir:

I enclose herewith a letter that was brought to this office by Edward Durant, but it cannot be recommended that an amount of \$75.00 be transferred here for his use unless there are good and sufficient reasons why Edward should be given permission to spend the summer months at his home.

Of the amount of \$50.00 that was transferred here this fiscal year for Edward's use he has spent all but \$5.00, and if about \$35.00 more is sent it should suffice for all expenses he should incur.

Very truly yours,

Dear Mr. Everest:

Edward Durant, who claims that he has money to his credit with you under the name of Nelson E. Crow, is anxious to secure the use of about \$50.00. He has informed me that he has an amount of more than four thousand dollars on deposit and if that is the case I shall not object to your sending him \$50.00 for use as may be required from time to time.

Extending you the season's greeting, I remain,

My dear Madam:

Your letter of the 15th instant has been received here and I am pleased to note in it that you are very well satisfied with the marks that are indicated on your son's report for the month of April. It is also noted that you have lost the reports that have been sent to you earlier this year and that now you desire to secure duplicates. In reply to that part of your letter I must state that we cannot well secure the duplicates you have requested and so cannot comply with your wishes in the matter.

Allow me to state further that a request for funds for your son was submitted to Superintendent Everest on the 27th of April and that it was then recommended that an amount of about \$35.00 be transferred here for his use.

My dear Sir:

When the recommendation contained in your letter of June 22nd was taken into consideration with Nelson E. Crow (Edward Durant) last evening he stated that he yet desires to return home for the remaining months of the summer vacation. However, it has now been learned that Edward has used all of the amount of \$35.00 that was transmitted here for transportation in the month of May.

No objections to Edward's going home will be interposed if the amount required for transportation and incidental expenses is available with you or transferred here and I shall await your further instructions.

Sup't. O. H. Lipps,

Dear Mr. Lipps:

A short time since this office transmitted to you the sum of \$35.00, which was to be used for the payment of railroad transportation for Nelson E. Crow, Bad River Chippewa pupil now attending your school. I do not recall that any formal application has been made for the boy to come home for the summer vacation, but the grandparents, who have formally adopted Nelson, were in my office today and showed me a letter from the boy, asking that the boy be allowed to come home this summer.

The grandparents are worthy, elderly people and think the boy would be of considerable assistance to them this summer on their farm, especially so, as the grandfather has very poor eyesight. They are entirely willing to have the boy return to school in the fall, and I will, of course, be very glad to see that this arrangement is carried out.

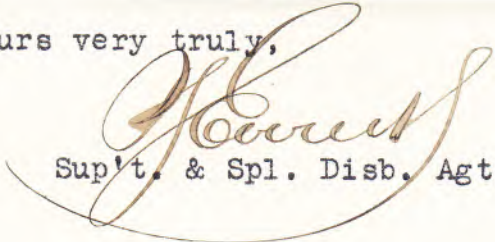

If any further sum is needed, as a deposit, to guarantee such return, I can have check drawn and de-

posited in your hands to the boy's credit as a guarantee of such return, provided you think this is necessary.

It is therefore my recommendation that the boy be allowed to come home.

My dear Sir:

When Edward Durant (Nelson E. Crow) was seen at this office this morning in regard to the use of the amount of \$25.00 you forwarded here with your letter of July 1st to pay for his transportation home he stated that he would prefer not to go home this summer because a month of the vacation period has passed. He added, however, that he will go home if his services are required there.

It was also learned from Edward that he has spent the earnings of last month that he drew only last Saturday, so now he does not have any money except the amount of \$25.00 that is being held for him and that will not be sufficient to pay for his ticket. Under the circumstances Edward will have to remain here until you advise further.

Dear Mr. Lipps:

Your letter of June 28th further refers to the matter of Nelson E. Crow (Edward Durant) coming home for summer vacation.

In order to pay his transportation expenses back to Odanah, I am enclosing herewith check, signed in Edward's favor, by his mother as natural guardian and duly countersigned by me, for the sum of \$25.00.

I would have sent \$30.00 or \$35.00 instead, but the \$25.00 remitted exhausts an application previously authorized, and some delay might be occasioned in securing authority to issue check for a larger amount. However, I think that the \$25.00 will be sufficient to pay all of Edward's expenses back home.

Mr. John Crow,
Odanah, Wisconsin.

Dear Mr. Crow:

I am sending you herewith copy of a letter received from the Carlisle School in relation to Nelson E Crow's summer vacation. It would seem from said letter that Nelson would rather not go home this summer, because of the fact that about one month of the vacation period has already passed, and he would not have a very long visit if he returned home now.

The letter states, however, that he might be willing to come home if his services were required. As your farmwork is, no doubt, nearly completed for this season, it might be the best thing to forego Nelson's vacation this summer.

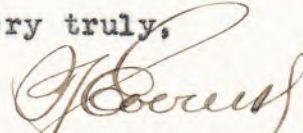

You will also note that the \$25.00 balance left in Nelson's hands is hardly sufficient to pay all his expenses back to Odanah.

Therefore, in view of all the facts, it is probably the best thing to do not to have the boy return this year, and I will let the matter drop where it is, unless some
