The reservation superintendent should send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

My dear Mr. Hart:--

I have the following report from Dr. Rendterff, our

Julia Hill, who has never been in very good health,
is beginning to run down and I fear that she may ultimately
become actively tubercular. Hence I recommend that she be
sent either to a sanitarium or back home.

Julia is one of your girls, who came to this school

November 22, 1913. Will you get in touch with her parents and
advise me as to their wishes regarding their daughter.

Very truly yours

Dear Sir:

We have another Oneida, Julia Hill, who has failed in health and our school physician recommends that she go to a sanatorium. I write to know if you will have room for her. I wrote you several weeks ago about Mary Hill who has broken health and is now waiting for a bed in your institution. If you can arrange to take both girls it would be well for them to travel together.

My dear Mr. Lipps:

Replying to your favor of November 20, concerning Julia Hill, she has no parents, and no home here except with married sisters, who have about all they can attend to. If Julia will consent to go to a sanatorium, and admission can be secured for her there I suggest that she be sent. If returned to Oneida I will see what can be done toward getting her into the county sanatorium, but, as rule, these institutions are crowded, and patients may have to wait some time for admission.

Very sincerely yours,

Dear Sir:-

Your letter of the 8th inst relative to the enrolment of Julia and Mary Hill, was referred to our school physician who recommends as follows:-

"I feel that Julia Hill should be sent to the sanatorium. In Mary Hill's case there is at this time nothing to indicate that she has ever had pulmonary trouble. She is at present holding her weight and feeling well. As Mary objects to go to the sanatorium, I think it might be well to grant a stay in her case."

In this case, you can place transportation for Julia at any time and I will send her to you. Mary will remain here.

Thanking you for your cooperation, I am

My dear Mr. Lipps:

In reply to your letter of November 27th, regarding the enrollment of Julia and Mary Hill, I beg to advise that just before Dr. Russell left for his vacation he told me to accept these two girls as soon as we had room, and we can now take them.

Our transportation funds are very low and if these girls could pay their traveling expenses it would help us out very much. However if they do not have sufficient funds for this purpose I will place tickets by wire upon receipt of advice from you, or you can purchase tickets for them, and we will reimburse you.

If either of these girls have decided not to come I will be very glad to be advised, as we are holding beds for them.

Dear Sir:-

Julia Hill came to me today with a request to be allowed to remain here until after Christmas, which I could not very well refuse. I will arrange for her to go to you right after the holidays and will write you in a few days when that will be. If you are fixed now so you can take the other girl, Dora Dell Crowe, it would be well for them to go together. Julia is a very quiet, shy girl and if she is not happy, I fear the consequences would be hard on her in her present condition. She does not say much but I know she feels just as keenly as others who may talk more about their feelings.

Dear Sir:-

I have arranged for Julia Hill to leave here for Toledo Wednesday evening. She will reach Chicago Thursday at 5 P.M. and leave there at 6:10 P.M. and be due at Toledo at 3:32 Friday morning. This is rather an early hour to land in a strange place but by going at the time named, she makes better connections all through and avoids long waits along the way. I hope you may be able to have her met there.

Another of our girls, Dora Dell Crowe, has had a cough for sometime and it may be we will have to arrange to send her to some sanatorium. Would you have room for another girl?

I have been holding Julia Hill here thinking that I would get word from you that you could make room for the other girl Dora Dell Crowe, about whom I wrote you. Julia dislikes so to start out alone that I have not had the heart to send her though I have feared that she might lose her chance there. I hope this will not happen.
