INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Mrs. Waters has a very fine large home in Jenkinstown. She has two girls: one does the cooking, the other does the room work and waits on the table. Both Clara and Mary feel that they have to work very hard. As they have two sisters girls they prefer to keep to themselves, thus they do not get as much of the home life as is desirable. Miss Clara Archambault,
C/o Mrs. T. N. Gayley,
Park Place, Chester, Pa.

My dear Friend:

I transmit herewith a letter from Supervisor Kneale which was addressed to you here in my care.

You will note in the second paragraph of the Supervisor's letter that your last Annuity Payment check for $40.00 was mailed to you on June 21st, 1913.

I have learned from Mr. Miller that the check is being held in his desk because your thumb mark signatures are required on special identification cards before the check is to be delivered to you. It has been believed inadvisable to forward the cards to you for the required signatures because of the difficulty of properly affixing the same.

I am writing this letter to you so that you may be informed about your Annuity Payment check.

Very truly yours,

HKM. Supervisor in Charge.

(Copy to Supervisor Kneale)

Sept. 14th, 1914.

Miss Blanche Archambault,
C/o Mrs. W. W. Gayley,
Chester, Pennsylvania.

My dear Friend:

I enclose herewith a self explanatory letter from Supervisor Kneale, to which are attached blank application forms for your attention.

Your signature will have to be affixed to each copy of the blank at place indicated by blue pencil check mark on the first outside page. The affidavit at the top of the second page will have to be signed before a Notary Public by two people who know you, and you will also be required to insert the date of your birth at the place indicated near the top of the third page of each copy.

If you desire to have "all cash" for your benefits, please let me know in a separate letter why you have decided to make that selection.

All the papers should be returned to me as soon as convenient in the envelope herewith.

Very truly yours,

HKM.

Supervisor in Charge.

Dear Mr. Kneale:

Having noted in your letter that Blanche is to sign and have the application executed I would thank you to send me a new set of blanks and then your request will be given prompt consideration.

Trusting that the delay which has already resulted will not inconvenience your office, I remain,

Will you please bring it to her attention and if it meets with her approval she is to sign each copy at place indicated by blue pencil check mark? The affidavit on the second page of each copy, also indicated by blue pencil check mark, is to be signed by two disinterested persons before a Notary Public, after which all the papers are to be returned to this office in the enclosed envelope.

It is also desired that Clara state specifically in a separate letter to me why she prefers to accept "all cash" in lieu of the live stock she could secure.

Fort Yates, N. D.

My dear Sir:

Replying to your letter of the 15th instant, I must state that Clara Archambault was not enrolled at Carlisle until the 29th of December of 1911 and under the rules then in force she cannot be allowed to go home this summer except it be for a vacation and her round-trip transportation is made available.

It is my belief that Clara should remain at Carlisle until her five year period of enrolment has terminated, which will be in June of 1917, but as she does not have any money now to her credit in our school bank it is respectfully recommended that about half of the $75.00 she has requested be transferred here for her use.

Very truly yours,

HKM.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir:

I have your letter of the 2nd inst. saying that the mother of Clara Archambault requests that Clara be sent home as she is expecting to undergo an operation and will need Clara's help. Clara does not finish her course this year, but if her mother needs her at home I cannot very well refuse the request. Clara wants to go and has asked that $50.00 of her money, in your hands, be sent to her for personal expenses prior to her going home. I will arrange for her to go when I hear from you again. Clara is a good girl and has made a good record at this school, and I am sure she would appreciate it if you could give her a position in your hospital. While she has not finished the hospital course, here, she has had a year's experience, which will make her valuable help in a minor position.

Very truly yours,

Carlisle Indian School,
Carlisle, Pa.

Dear Sir:

The mother of Clara Archambault requests me to write you inquiring whether Clara can be allowed to come home at this time. She understands that Clara has completed her course in your School.

Her reason for wanting her daughter to come home at this time is that she expects to undergo an operation in a few days at our hospital for appendicitis and would like to have her daughter here.

If she has finished her course and can be sent home at this time, without interferring with her work, I recommend that she be allowed to come home. I understand that Clara has taken the nurse's course and if so, she could no doubt be given a minor position in our hospital, if she desires it.

Very respectfully,

Superintendent.

Dear Sir:

Your letter saying that Clara Archambault's mother was operated on for appendicitis several days ago and that it would hardly be necessary for Clara to return home, was received this morning.

I started Clara off for her home last evening and she will likely be at home on Saturday.

Clara has made a splendid record while a pupil here, and if you can give her work as an assistant in your hospital I feel quite sure that with her hospital experience here she will make very valuable help. In fact I think Clara will make good help in any place you may see fit to put her.

Regretting that your letter did not reach me sooner and trusting that Clara may continue making the good record she has always had here, I am,

Dear Sir:

Referring to Mr. Peel's letter dated January 9, 1917, concerning Clara Archambault, I have to state that Clara's mother was operated on several days ago for appendicitis. She is getting along so well that she says that it will not be necessary for Clara to come home, and since Clara has not finished her course, she would prefer to have her remain at Carlisle.

Very respectfully,

Dear Clara:-

I am writing to know if you have done anything toward sending me the Forty Dollars which you borrowed from Blanch Archambault before you left Carlisle. The arrangement was that you should see Mr. Covey immediately upon your arrival home and ask him to have this amount transferred from your account to Blanch's account here. Will you please give this matter your immediate attention as Blanch is anxious to have the matter adjusted as soon as possible.
