Dear friend:-

I am in receipt of your letter of the 1st inst also the physician's certificate relative to your present health condition. I am glad to know from the physician's statement that you are in good health now and therefore able to return to Carlisle.

I would advise you to go and see the Agent relative to your transportation to Carlisle. You can tell Mr. Ferris that the fare from Browning to Carlisle would cost you about $56.00. If he has funds belonging to you enough to cover this amount and is willing to give it to you, you can buy your own ticket to Carlisle. This would be the easiest way to handle the matter.

If you do not have this money with him now but expect to get it soon, you can ask him to make me a statement that it will be all right to

place a ticket for you to be paid for from your funds in his hands.

Trusting that you can make satisfactory arrangements to return here in time to begin school in September, I am

Dear Sir:

I am writing to you regarding my transportation back to Carlisle this year. I was sent home from there last Feb. for having blood poison in my arm but at present I am getting along fine and in the best of health and I think myself capable of going back to Carlisle and making good. I only stayed at Carlisle about four months but the little while I was there I learned to like the school and only wish that I could go back there

in and try to graduate from here. There are quite a number of other pupils on the reservation here that I know would like to go also. I will now close my letter hopeing that you will try and have me back to school there this year

The exact cost of the tickets to Browning, Montana purchased for the use of Leo Kennerly and John Russell was $55.66 each. I gave Leo the check for $14.13 which you sent me. He was weak and I thought he would need the whole amount for his incidental expenses enroute. I gave John $5.00 from government funds to see him through. If their parents can afford to pay these expenses, Leo's people can send me a check for $55.66 and John's people for $60.66.

I hope they reached home in good condition and that neither caught cold on the way. They were provided with good warm clothing and instructed to take good care of themselves.
