INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

S i r :

This Office is just in receipt of letter from the Supervisor in Charge of the United States Indian School at Carlisle, Pennsylvania, advising that Alex Simmer, your ward, has become dissatisfied particularly on account of the lack of money to satisfy his personal wants in so far as the purchaser of extra clothing is concerned. The Supervisor believes that if he has money not needed when his school days are over, a small amount should be allowed him.

The expenditure of any amount sent will be supervised if it is forwarded to the Supervisor to be placed to the credit of the boy.

I wish you would give this matter your early attention and if there are any funds available that an allowance be made as the boy is likely to become dissatisfied sufficiently to leave school.

I will be glad to have you advise this Office of any action taken by you in this regard.

Respectfully,

Acting Supervisor in Charge.

My dear Sir:

Your ward, Alex Simmer, desires to have you send him about fifty dollars for his personal use. Alex has informed me that he has not had any funds to his credit here this year, so it is my recommendation that his request be complied with if the money in your care is not more urgently required for any other purpose than personal expenses. Whatever amount is sent for Alex's use should be sent direct to me so that it can be properly credited and expended under supervision.

U.S.Indian School,

Carlisle, Pa.

Dear Sir:

Referring to your letter of December 18,in which you express a desire to go to your home in March to help your father work,you are advised that the reason given in your letter does not justify my recommending that you be permitted to go home before the end of the school year.

You also ask in your letter that I see Mr.Parker about your money. The question was referred to the Accounts Division and the records show there that $100 of your money was mailed to Superintendent Lipps on December 9,1916. Please see Superintendent Lipps about this.

Very truly yours,
