Dear Mr. Lipps:

At the request of Ed Greengrass and Aerie Hall, I am writing you ~~to ascertain~~ regarding their sons Ed Green grass Junior and Will Hall, respectively. They state that these boys have been regular attendants at your school for about three years and that they are enrolled for five years, and wish to know if it would be possible to have these boys visit their parents this summer, and to have their traveling expenses paid, that is railroad fare paid, by the Government, I am of the opinion that this is not allowed, but I write you at their request, and will be glad to receive any information from you, relative to the above.

Respectfully,

Dear Sir:

I received my savings from the school some time ago and appreciate it very much. I have the same deposited in the Highland Park State Bank. I feel independent now with all this, and shall try to save all I can hereafter. I would also like to have charge of my "Trust Fund" from my agent in Wisconsin, and must ask some indulgence at your hand, as it would be more certain then. Again thanking you for past favors, I am,

My dear Madam:

Replying to your letter of recent date, this is to state that your brother Willie was seen at this office this morning. He expressed himself as feeling fine and he added that he has been well all year.

This is also to advise that he has applied for permission to go to one of our Outing homes for the summer months and that he will leave here right after the close of school next week. He will be under the jurisdiction of the school while at his Outing home and will be given the required care.

Willie has been asked to write to you without delay and so you may expect to hear from him within a very few days.

Very respectfully,

Mr. Samuel J. Steinstra,
Supt., Wisconsin Winnebago Agency,
Grand Rapids, Wis.

Dear Mr. Steinstra:

Replying to your letter of the 10th instant relative to requests that have been made by the parents of Edwin Greengrass and William Hall that their sons be allowed to return home this summer, this is to advise that arrangements have been completed for Edwin's going home and that a sufficient amount to pay for his transportation has been deposited here.

William Hall is taking a special course of work in the Ford Motor Company's factory in Detroit, Michigan, and if he will have any time at all to visit his parents it will be for a two week period in July of August when the annual inventory in the Ford factory is taken. Under no circumstances should William remain at home longer than during that period if it is arranged for him to visit his parents.

Trusting the action taken in Edwin's case meets with your approval and that later I can cooperate to arrange for William's visit if he has the required funds to pay for his

transportation, as under no circumstances can government funds be used to pay students' transportation when they go home for a vacation, I remain,

Very truly yours,
