Mr. G. W. Griswold
Department of Education
Ford Motor Co., Detroit, Michigan.

My dear Mr. Griswold:-

I have your letter relative to Joseph Morrin and approve thoroughly of your action in his case. All our boys before they leave Carlisle for the Ford Factory, understand that they are to take the Students' Course and are urged then to attend classes regularly. Every few months, I write personal letters to the boys urging them to be diligent in their class work. I am glad to know that you are coming down hard on them for not attending classes. This is the only way you can raise the standard of your course.

I am arranging to have him dropped from our school rolls today as I believe he has forfeited his claim as a student of this school by his recent conduct in refusing to obey your rules and to co-operate with you.

I am sending him a check for $154.15 which closes his account with us. Very truly yours

Feb 5 1917

My dear Mr. Lipps:

ALL STATEMENTS OR AGREEMENTS CONTAINED IN THIS LETTER ARE CONTINGENT ON STRIKES, ACCIDENTS, FIRES, OR ANY OTHER CAUSES BEYOND OUR CONTROL AND ALL CONTRACTS ARE SUBJECT TO APPROVAL BY THE SIGNATURE OF A DULY AUTHORIZED EXECUTIVE OFFICER OF THIS COMPANY. CLERICAL ERRORS SUBJECT TO CORRECTION.

We wish to report to you at this time the case of Mr. Jos. Morrin, student of the Carlisle Indian School and for some little time on the students course at the Home Office of the Ford Motor Company. Mr. Morrin has repeatedly absented himself from classes. We excused the first few times but upon his refusal to attend classes the last week he was called into the office and his case gone over by the writer. It is our aim to make the students course just as effective as possible. We aim to have the highest type men on the course and devote every effort to making it a successful line of instruction. Whenever a man voluntarily absents himself from class without a good reason it disrupts the entire organization and lowers the standard of the course. We tried to show to young Morrin the possibilities he had by going thru this course and taking further work with the Company upon completion and the opportunity he had by properly applying himself. He refused absolutely to co-operate with us and stated that the course did not mean much to him, in fact not enough to warrant his coming to classes.

In view of his disinterested attitude, he was informed by the writer that his card would be held up until he decided he would attend classes. He applied at our Employment Office this morning for a quit slip stating that he desired to quit the service of the Company. The writer signed his quit slip without further deliberation, as we feel he will not listen to any advice given him in the matter.

His home address is 52 La Belle Ave., Highland Park. He states he would like to have his money sent him. We do not know what his connection with the school is, but as far as the Company is concerned, we are at the present time a disinterested factor. We report the circumstances merely to you in order that you may further handle the case with Mr. Morrin.

Yours very truly,
