

U.S. Indian School,

Carlisle, Pa.,

Dec. 1, 1916.

Mr. Lipps;

I am recommending Ed Young Thunder, if he has means to be sent home. He is worthless at our school, he is as lazy as can be found, he is not doing any good in his school work, I was informed by his teacher.

At the present time I have him in the Guard House for staying away from his work. Every day when he is not there he is late or does not go at all, and as you see I have to keep him away from the other boys, on account of his disease; he is so lazy that he will not take his treatment.

So I really do not know what to do with him, I spoke to him four or five times but of no use, so what do you think about it ?

Dear Sir:-

The disciplinarian in charge of the Large Boys' quarters gives me the following report,-

" I am recommending Ed Young Thunder, if he has means, to be sent home. He is worthless at our school, he is as lazy as can be found, he is not doing any good in his school work, I was informed by his teacher.

At present I have him in the guard-house for staying away from his work. Every day when he is not there, he is late or does not go at all and as you see I have to keep him away from the other boys, on account of his disease. He is so lazy he will not take his treatment.

I really do not know what to do with him. I spoke to him four or five times but of no use. What do you think about it."

Eddie returned to the school the middle of October, in a diseased condition. We do not have room for a fellow like him when we are turning away clean, deserving boys for lack of room and funds. If you have any funds belonging to him, I would appreciate it if you would send me enough to pay for his return to Winnebago and also the amount to reimburse the government for what was paid out for his return to Carlisle this fall. He is a menace to our good clean boys here and I trust you will give this your immediate attention.

Very truly yours

Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

I have your letter of the 20th inst relative to a Treasury Warrant in favor of Edward Youngthunder, heir of William Youngthunder, in the sum of \$108.04. You believe he is a pupil of this school and you want me to ascertain from him if his father was William Youngthunder.

Edward left this school April 2, 1917 on account of poor health and went to his home at Winnebago, Nebraska. You can address him at this place and obtain the information you want.

John Francis, Jr., Supt.,
Carlisle Indian School,
Carlisle, Pa.

Dear Sir:

I have Treasury warrant No. 1745 issued August 25th, 1917, in favor of Edward Youngthunder, heir of William Youngthunder, deceased, in the sum of \$108.04.

The records of this office show that Edward Youngthunder was in your school in March of this year, he being a Winnebago Indian. The records also show that he is but 18 years of age, and the son of William Youngthunder, deceased.

I wish you would ascertain from him if his father was William Youngthunder, and if he is deceased, and also his age, and advise me in order that I may make proper disposition of the warrant. Evidently it is thought at the Treasury Department that said Edward Youngthunder is an adult, otherwise the warrant would be drawn to a guardian.

Awaiting your early reply, I am,
Respectfully,

W. W. Bennett
Superintendent.

Dear friend:-

Edward Young Thunder is in poor health and as he is getting thinner all the time and seems to make no improvement, I have decided to send him home. He wants to leave here Monday evening April 2nd and will be due at Winnebago Wednesday. Will you please arrange to meet him there.

It is Edward's desire to go to the Winnebago Hospital for treatment and I hope you can see Mr. Babcock immediately upon the boy's arrival and arrange for his entrance. I am sending him home because I realize that an Indian boy's native climate is a big factor in helping him to get well when he is sick.
