INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

Dear friend:

I was pleased to receive your letter and hope you will always uphold Carlisle's standard wherever you may go.

Several Carlisle boys have enlisted from here and from their homes. I presume this fall we may publish a complete list.

I have looked into your bank account and find you have no balance here. I believe Mr. Dickey is looking into the matter of a debt due you from the country. When we hear from this party we will let you know.

My best wishes to you and your Carlisle comrades.

Very truly yours,

J:R

Chief Clerk in Charge.

Fort Benj. Harrison

To M. G. Co. 10th Inf.

Dear Supt Francis Jr.

I am enjoying army
life. I am like it here in
the army and ~~enjoying~~^{checking} each
day whether any more of
the boys from the school
are going to join in our
army and be the happiest
boys from Carlisle. Every
where I met people they
ask if I was from
Carlisle. and I am proud

that I answer them "yes sir",
Carlisle has done us a great
deal of good and we Indian
boys are realizing in this
Man's army.

Mr. Francis, have I seen
money in the bank back
at the school? If I have
please have it send to
me. for I am having some
time here without a cent.
I am in a fine army.

How's the school and
the people there. Tell each
one that we boys are getting
along fine and always think-
ing about them and dear
old Carlisle.

This is all from one
of the boys from Deer and
Carlisle.

My dear Sir:

Your letter of the 13th instant has been received here and it has been noted that you recommend favorable consideration of the request for the return home of Jos. King. In reply to your letter allow me to state that arrangements had been made earlier this year for Joseph's return here, but finally a letter was received in which it was stated that he preferred to remain at his outing home during the summer months. In view of that decision, made voluntarily by Joseph, and the fact that he has been too boyishly erratic to settle down to anything definite it is believed that he should be required to remain where he is. Unless a further need for his presence at home arises Joseph will not be allowed to leave for the vacation months.

Dear Mr. Lipps:-

Joseph King, Ponca Indian student of your School has made request to visit his home during this summer vacation.

I would respectfully recommend that if it meets with your approval Joseph be allowed to come home for his summer vacation.

I suppose he has ample funds on deposit with you to pay his transportation home, if not he has ample funds here for that purpose.

Of course this recommendation is based on the assumption that his behavior while in your School has been such that it qualifies him to this privilege.

Very respectfully,

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
