My dear Clement:

Complying with the request you conveyed to me in your letter of July the 7th I enclose herewith a check for \$101.98, which represents the entire balance to your credit. I am pleased to know you are going to make good use of it and I hope it will serve to help you get a start.

Hoping that you are enjoying your stay at home,

Dear Hill:

On the 13th instant Mr. Lipps forwarded to me the letter you addressed to him on the 9th of this month and at his request careful consideration has been given that part of it which relates to your desire to remain at the work you are now doing.

It is the consensus of opinion here that you would be a most valuable man to have during the football season because of your experience in helping to care for the men and your assistance in looking after the property of the Athletic Association. For that reason we should like to have you return. However, you are at an age when you can give but little more time to school work or any other preparation for your future and it is only fair that you give that side of the question your first consideration. The service you could render here during the football season must be of secondary importance and it is my suggestion that you take this letter to Mr. Lee and that you ask him to give you time to talk the matter over with him. If you decide

- Mr. Clement Hill.

that your return for the first four months of the school year is at too great a loss of time and money there can be no objections to your continuing with the work you are now doing.

Mr. Lipps will probably return here by the end of this month and I would thank you to let me know what your decision is before that time.

With sincere regards and best wishes, I remain,

Very truly yours,

HKM.

Acting Superintendent.

Dear Mr. Lipps,

It is with pleasure
that I write you these
few lines. And hope my
letter will find you well
as it leaves me.

When the Ford
factory was closed
down last of July I
made a visiting trip home
and enjoyed myself very much.

Ford investigator
Wagstaff keeps in very
close touch with all the
Indian boys. He was our

44 La Belle a few days ago
to find out who all was
drinking beer, I felt bad
when I heard it. Morning
and two Breakers and 9
one morning at 52 La Belle.
But I am keeping in close
touch with them as we
don't want any boys
to drink if possible. Of
course you know six
of our boys are \$5.00
a day men and they
will have to be giving
a good account of them
selves if they wish to
continue the \$5.00 and
we have too do likewise
to get \$5.00 a day.

I am learning the hard
making so well and like
it too that I would like to
stay if possible. And besides
if I stay I will get my
\$5.00 a day in Dec. and
that is very important
to me on account of
my age. And I want
to know too as soon as
possible if you would
like to have my bro. Robert
in the team again this fall,
as all the boys are anxious
to know if he is returning.
and as Robert is suppose
to stay home and look
after the old folks, it is
necessary that I know

~ if you want him
so I can tell him how
to manage to leave

the old folks. All the foot-
ball boys are anxious to
have Robert again.

I hope I shall hear
from you soon.

Best regards.

Ernest Hill.

Dear Mr. Pe Huff.

I have received your
letter of the 18th.I have decided definitely
that I want to stay and
continue with my work.
I would be doing too
much practical shop
work in three or four
months time, I am
getting along good with

my work, And doing the
best I can so that things might
be done in my favor, in
Dec. I will get my \$500
a day.

I received a letter from
Mr. Lipps. Saying that he
thought it would be alright
for me to remain.

I hope my letter will
find your family well as
it leaves me.

Very truly yours

Dear Sir:-

I have a letter from Clement Hill, one of the Carlisle boys working in your shop, saying that owing to the improvements he is carrying on at his home in New York in the way of better buildings and more home furnishings, he will need to draw all his wages until Christmas. As Clement appears to be making good use of his money, I have no objection to his request being granted, if you approve.

Clement also asks that his brother Robert be given a chance to work in the Ford Factory. Robert while a student at this school several years ago, was a good boy and a splendid worker. I think he will make good if given a chance. I would suggest however that he enter the same as one of our boys, under the same conditions and requirements and that one-fourth of his wages be sent to the school for deposit. Please let me know what action you take in his case.

Dear Sir:

Replying to your letter of the 15th inst. relative to Clement Hill, I have to say that whatever decision you arrive at regarding him, will be satisfactory to us.

Clement has written me several letters telling me in detail just what improvements he is making in and about his home in New York. He has always been a reliable young fellow in every way, and I think we cannot make any mistake in granting him his request to draw all his pay during the month of January.

My dear Mr. Peel:

Replying to your letter of Dec. 30th, owing to shut-down of the Factory for a few days during the Holiday period, there was some delay experienced in getting in touch with Mr. Hill. We find in going over his real estate dealings that he and his mother own a 35 acre farm near Lewiston N Y and that this property is free and clear of all indebtedness, and as all the heirs to the property have been paid off, our employee will become the sole owner upon the death of his mother. We also find that he is buying two lots in Royal Oak, a suburb of Detroit, which we consider to be a good investment.

The reason for his requesting further money at this time is that he is making necessary repairs on the buildings of the Lewiston farm and is also having a well put down. He feels that if allowed to draw his full pay for the month of January he can meet the necessary obligations and beginning February 1st could again allow the portion of his pay to be sent to the Carlisle Indian School. We have arranged accordingly with our pay-office and trust the handling of the matter meets with your approval.
