Dear Madam:-

Dear friend:-

In your letter dated October 31, 1917,
you state that you were a pupil at this school during
General Pratt's superintendency. We have been unable
to find your name among the list of old students.
Will you please let me know if you were known by
any other name when you were a pupil here. Let
me know also the years you were here. This will help
me to locate your card.

Very truly yours

Superintendent.
