INFORMATION REGARDING RETURNED STUDENTS
PART 1
REPORT BY NONRESERVATION SUPERINTENDENT OR RESERVATION SCHOOL TRINCHAL

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

July 24th, 1915.

Mr. Emanuel Ortega,

Bent, New Mexico.

My dear Friend:

Your letter of the 19th instant has been received here and I am pleased indeed to learn that you have decided to return to Carlisle for an additional three year period. The course in agriculture should give you excellent training to go to work on a farm of your own or to take up the very important work of teaching agriculture.

It will be required that you again place on file here an approved application to cover your transfer. The blank I am having enclosed may be used and it is suggested that you have it filled out and forwarded to Superintendent Jeff-eris as soon as convenient. I must also state that since you are now more than twenty-one years of age you will have to pay for your transportation from your own funds.

Assuring you that it will be a pleasure to see you and the other Mescalero boys again at Carlisle, I remain,

Sincerely your friend,

EKM.

Acting Superintendent.

Supt. Oscar Lipps

I was in room number 12 this last school term and I expect to be a little higher when I return to school this coming fall.

Please sent to me the blanks which I am to fill up in order to return.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

I have your letter saying that you have finished the Students' Course there. I want to congratulate you as well as the four other boys who finish with you. The records show that you have worked faithfully and well and I am proud of all of you.

I am mailing your checks to Mr. Griswold today. Your check is for \$294.48. I presume you failed to account for some interest, that is why your account does not agree with ours.

Indian School,

Dear Mr. Francis;—

I take the pleasure
of writing to you this
few lines in order to
let you know how I
am getting along.

I am well and in
good health, so are
the rest of the boys.
We had a very enjoyable
vacation, and we have

settled down to work again. I am finishing my course this week and I intend to take up another, which is one of the best. If I can qualify I am going to take up book-making, and if I cannot get into that, I think there is plenty of other good places to work at.

In regard to the money I have at the school I think Mr. Griswold shall call for it. Deducting all what I have spent I figured by my receipts

that I have about \$22.00 at Carlisle.

The last time Mr. Griswold called me at the office he showed that I had \$234.00 without taking you what I sent for. So I figured it myself.

Everything is going alright so far, and I hope it shall continue.

I shall write and let you know what I have taken up next time, as I am still undecided.

I wish to thank you
for your kind attention
since you have been
our superintendent. and
now I shall do my best
and try to do better in
the time to come.

Respectfully yours,

Emanuel Ortega.

Will it be asking too much of you to ask you to help Don get this trunk? Should the trunk be located, it can be shipped to Tularosa, New Mexico which is Don's nearest railroad point.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

This form is for the record of the physical condition of pupils of boarding or nonreservation Indian schools. It should be filled in by the school physician at the time of the admission of the pupil.
 Physicians in the field should use this form to record the examination of pupils for transfer to nonreservation schools. It should accompany the pupils' transfer blanks.
 The reverse side is intended as a card-index case-record for use by all Service physicians.

Supt. John Francis, Jr.,
Indian School,
Carlisle, Pa.

Dear Mr. Francis:—

I received your letter
the other day and of
course I was indeed very
glad to hear from you,
and also to get your ad-
vice in regard to registra-
tion. We all registered last
Tuesday as far as I know
even the boys who had
already registered at

Earliest because they
did not have their registra-
tion cards - that is the
blue cards. But of course
they told them that they
did not have to have them.
So they fixed it for those
who did not have them.

They are selling Liberty
Bonds to all men working
in the Ford Factory and
it seems as if we have to
take one. But instead I
believe I can manage to
pay it down with the
money I get here so I believe
I shall send some of that

money that I would take
out if I was to pay it
all down. But I believe it
is \$2. a week. So I think
that if you don't have
any objections I would
like to send some of it
to my father and mother
at home as I cannot
manage to do two things
at once. I would like to
send about \$50.00 if you
approve of it or else \$25.
now and some later on.

So of course it depends on
what you think about this
proposition.

All the new boys are getting along fine. They are all well pleased with their work. Most of the boys started on labor work but they are putting them on the course right along.

Everything is just the same as ever. The weather is getting warmer now every day, but some of the boys find a little warmer in the Heat Treatment Dept. This will be all for the present time.

635

Very truly yours,
Emanuel Ortega.
