My dear Sir:

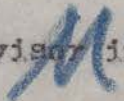

This is to acknowledge receipt of your favor of October the 9th and to advise you that Elizabeth Janis arrived here on the 2nd instant to continue with her school work. There can now be no necessity to draw funds for her traveling expenses and in view of the recommendation contained in your letter that her allotment benefit money be held intact no further consideration need be given her request at this time.

Elizabeth will be advised that she can not draw any of the funds to her credit under your jurisdiction unless the need for such withdrawal is urgent.

I return the letter from the young lady which was transmitted to me for my information.

Very respectfully,

Dear Sir:

Replying to your letter of the 5th instant in regard to funds of Elizabeth Janis will say that her funds are allotment benefits now \$483.93 and are drawing 4% interest subject to payment. If she wishes to make a time deposit of a part or all of the money the bank will pay her 5%.

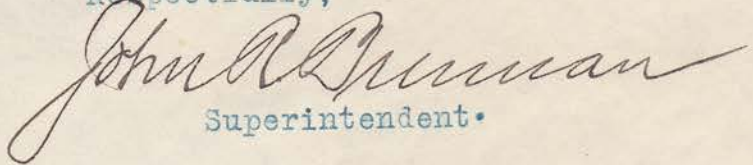

If you recommend, \$100 could be transferred to the school, but in nearly all cases these young people should leave their allotment benefits on deposit until their education is complete and they are ready to make a home for themselves or to enter some kind of business.

The young people are not able to build and furnish even good and comfortable homes for themselves, and it would seem better to have these girls learn economy in the school and have better homes a little later when the education is completed.

If your recommendation a portion of the money will be transferred to Carlisle and the balance made a time deposit. The work of this office is so great that we prefer to have the matter settled now for the whole year.

A copy of letter received from the young lady is enclosed for your information. Please return it for our files. Elizabeth Janis is enrolled and allotted on Pine Ridge.

Respectfully,

Mrs. Laura Levering,

Kyle, South Dakota.

My dear Mrs. Levering:

Upon receipt of your letter of June the 27th I asked our school physician to make me a report regarding your daughter's health and the circumstances under which she was given permission to go to an outing home. He has issued a statement as is copied below:

"Elizabeth Janis has been suffering with irregular menstruation ever since she has been at Carlisle. Sometime last winter Dr. Allen recommended that she have a slight operation to relieve the condition, but after trying to get consent of the parents, the same was refused.

Elizabeth was examined for the country on April 16th, 1913, and ~~it~~ was found then to be in good physical condition, except the above condition, which we thought would be benefitted by the country air. Other girls having the same trouble have been relieved by going on the outing system."

I have also been informed that Elizabeth has been sent to a farm home where the work is light.

-2- Mrs. Laura Levering.

The mother in the home had done her own work heretofore with the aid of her children, so that Elizabeth's addition to the home is simply an extra helper. In view of the fact that the experience will mean an outing for her, different food than that given here, and the enjoyment of country life and air it is my opinion that she should not be deprived of the privilege. However, your further wishes regarding the matter will be given consideration when I hear from you again.

Very truly yours,

HKM.

My dear Madam:

Your request to have your daughter, Elizabeth Janis, return home for the summer vacation has been forwarded to me by Mr. Martindale, and at his suggestion I am writing you to the effect that such arrangements can be completed at the close of this school year in June. It will be necessary to send an amount that is sufficient to cover Elizabeth's transportation home and with which a ticket can be provided for her use at the termination of her period of leave. Sixty dollars should be sufficient to pay for the transportation and should allow Elizabeth an ample amount for incidental traveling expenses enroute home.

My dear Sir:

Elizabeth Janis has been seen at this office regarding the matter you brought to my attention in your favor of April the 23rd and she has advised me that her mother will provide the funds required to pay for transportation home for the summer vacation. Elizabeth's term of enrolment does not end this year and for that reason she will have to pay for her transportation to take the trip contemplated.

Elizabeth does not have any funds to her credit at this school, and if it is at all advisable that she should use a part of the allotment benefit funds now to her credit with you I respectfully recommend that an amount of \$50.00 be allowed her. If it is sent on as a "transfer of funds" the expenditure will be supervised.

Sir:

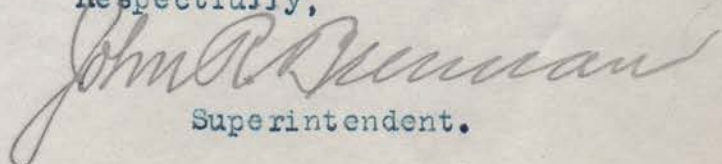

Since writing you a warrant signed by Elizabeth Janis has been received. This represents her allotment benefits and is given to each allottee for the purpose of establishing them in permanent homes. There is enclosed a letter from Omaha Agency asking that funds be sent this young woman for expenses home .

It would seem that if the term of Miss Janis has expired that transportation would be provided by the school for her return, In case of ill health there is no doubt that the young woman would be returned to her home.

At this distance it looks as if Mrs. Levering should provide the funds for a trip to Omaha Agency if she wishes a visit from her daughter this year.

Please advise this office whether in your judgment \$50 should be transferred to your school for Elizabeth Janis for the purpose noted above when the funds are allotment benefit funds.

Referring to your letter of the 18th instant account of Elizabeth Janis, will say that there is enclosed check #283 Cottonwood State Bank in your favor for \$50 for purpose of transferring this amount from Pine Ridge to her account at your school.

Please explain to the young woman that it is not the wish of the Indian Office nor of this office refuse to allow the use of her funds to complete her education and for that reason the balance of the \$100, amount allowed for one year to be transferred to a pupil's account, is sent to you. Please return receipts when signed.

Sir:-

I enclose herewith a bill for wages due one of my Indian pupils, Elizabeth Janis, which I ask that you collect from Mrs. May R. Saylor whose post office address is Willow Grove, Pa. and whose nearest railroad point is Heaton, Pa.

I have sent repeated "duns" to this party and have sent a representative from the school there three different times, to make this collection but so far have failed to get the \$8.50 due this girl.

I will appreciate your help in this matter.

When the petition for partitioning the Edward Janis allotment was brought to the attention of Elizabeth Janis at this school she stated that she understood her stepmother was not to share in the father's estate. In order that the girl can be satisfied, will you please let me hear from you in regard to the matter? The papers you forwarded will then be properly executed and returned to you.

There is enclosed check #331 Cottonwood State Bank in your favor for \$100 account of Elizabeth Janis for purpose of transferring this amount of her allotment benefits from Pine Ridge to your school.

As advised in former letters the funds on deposit to credit of these Indians are usually allotment benefits and are given to assist in establishing them in permanent homes of their own and for that reason they should not be used for purchase of unnecessary clothing or for vacation trips unless the health of the depositor demands. Elizabeth Janis has a balance of \$353 on deposit with this office, \$200 having now been transferred to the school. Please sign and return the enclosed receipts.

Dear Sir:

I have your letter of January 11, 1917, making inquiry for Elizabeth Janis as to the reasonableness of the price of \$5.00 an acre offered for the purchase of an 80 acre tract to which she received a patent in fee, and 10 cents an acre for a lease covering her own allotment, and beg to advise that the offer of \$5.00 an acre is very reasonable. Our appraisement of this tract, to which Elizabeth received a patent, was \$250.00, and you will note that at \$5.00 an acre she would receive \$400. As to a grazing lease for 10 cents an acre on her own allotment, this also is fair. Should she contemplate selling or leasing this office will be pleased to offer its services in order that proper protection might be given, and the full amount of the consideration received.
